Protecting and Improving Your On-Farm Investment

HEALTH Champions

Agenda:
- **Biosecurity:** Keeping disease out of your herd
- **Artificial insemination:** Appropriate handling of semen and how to properly AI a sow
- **Fixed-time insemination:** Using OvuGel®
- **Feeding the sow:** Proper Body Condition Score
- **Saving the struggling piglet:** Splay legs, ensuring colostrum intake, milk let-down, fixing ruptures and more!
- **Over the counter medication:** Changes are coming!

Dinner provided at 6 p.m. by JBS United® Program to start at 6:30 p.m. Biosecurity kits for all attendees! Door prizes!

No cost for attending. RSVP to Emily Walker at walker@mipork.org or 517-853-3782.
