Boyerne Area 4-H Travel Soccer is a competitive program that allows athletes the opportunity to represent Charlevoix County in the Northern Michigan Soccer Alliance. This program is geared towards eager young athletes who aspire to reach their full potential in soccer. Our goals are to create a positive team unit, connect with our families, community, and instill positive life skills in our athletes. We recognize the importance of developing athletes that have effective communication skills, leadership qualities, strong self-confidence, critical thinking skills, who are self-motivated, and take self-responsibility. These life skills will last a lifetime and take them beyond the game of soccer.
