4-H Program Coordinator’s Message

Thank you to everyone that was able to attend the Annual 4-H Fall Awards Banquet on November 1!! Many deserving youth, adults, and community partners were recognized for their hard work and dedication to the 4-H program over the past year and that is something that each of you should take pride in. On page 6 of this newsletter you’ll find pictures from the Awards Banquet along with a list of all of the award winners from that evening.

Please do not forget that all 4-H youth and adult volunteers that are returning to Clare County 4-H need to be enrolled on 4HOnline and participation fees paid by December 1, 2017. Youth that are new to 4-H have until May 1, 2018, to enroll but are highly recommend to complete registration and pay participation fees by December 1, if they are planning to be an active 4-H member in the coming year. More information concerning enrollment can be found on page 4.

In this newsletter you’ll also find a calendar of events for the Clare County 4-H program. Please use this to your advantage as there are many upcoming things that we would like you to be a part of and this calendar is a great way to “save the date”.

As we are approaching the 4-H enrollment deadline and also the holiday season, please be aware that office hours often vary during this time making it a great idea to email me or call our office to make sure our office is open.

I hope you all have a great Thanksgiving!!

New 4-H Science Blast activity released

A new 4-H Science Blast activity is now available! This resource is designed to help leaders show youth how to make and place "track traps" to capture animal tracks for identification. Youth return in one to two days to the trapping area to check for the presence of animals by looking for tracks and other signs such as markings left by wings or tails. Participants take note of their findings and a discussion of animal adaptations and habitats follows.

The lesson plan is designed for 4-H'ers 8 to 12 years of age. From the activity, they will develop many life skills including problem solving, critical thinking and learning to learn.

Visit http://msue.anr.msu.edu/resources/4_h_science_blast_activities to download this and other 4-H Science Blast lesson plans.

Michigan 4-H is Participating in International Education Week

International Education Week begins on November 13, 2017, and Michigan 4-H is celebrating the benefits that come from international education and exchange programs. As a joint initiative between the U.S. Department of Education and the U.S. Department of State, the week emphasizes gaining a global mindset through encouraging leaders to participate in education and exchange programs worldwide.

During the celebration, Michigan’s nine 4-H international year-long exchange students will be giving presentations about their home countries in their host counties. To learn more about International Education Week, visit [https://eca.state.gov/programs-and-initiatives/initiatives/international-education-week](https://eca.state.gov/programs-and-initiatives/initiatives/international-education-week).

2018 Michigan 4-H State Rabbit and Cavy Show

Every year, Michigan 4-H’ers bring their rabbits and cavies to compete at the Michigan 4-H State Rabbit and Cavy Show. This year’s event is taking place on Saturday, January 27, 2018, at the Michigan State University Agricultural Pavilion in East Lansing.

Along with showmanship and judging classes, this year’s event will feature educational contests such as breed identification and educational posters. There will also be a 15 to 20 minute judging seminar throughout the day that is free for youth and volunteers to learn how to judge like a professional.

Pre-registration and the show catalog are available at [http://msue.anr.msu.edu/events/4_h_rabbit_and_cavy_show](http://msue.anr.msu.edu/events/4_h_rabbit_and_cavy_show). Registration will also run from 6:30 to 8:00 a.m. the morning of the event.

Save the Date for 4-H Day at the Breslin

Although ticket’s aren’t yet available, the annual 4-H Day at the Breslin is quickly approaching on January 20, 2018. Make sure to keep your calendars clear to watch the Lady Spartans take on the Indiana Hoosiers while celebrating Michigan 4-H at this fun family event!

4-H Enrollment Reminder
The annual participation fee is $20 per youth or $60 per family, whichever is lowest, for any youth ages 5-19, including Cloverbuds. All American Income Life Insurance fees for youth and adult volunteers will be included in the youth participation fee. Adult volunteers will no longer be asked to pay insurance fees but volunteers, along with youth, will still be covered under the 4-H insurance.

Participation fees must be turned into club leaders and leaders will turn them into the MSU Extension Office as a whole. All returning youth and volunteers must be registered on 4HOnline and participation fees paid by December 1, 2017. Youth that do not belong to a club but are planning to attend a 4-H camp or another short term program are not required to enroll by the deadline but highly recommend to.

All adult volunteers regardless of the programming their involved in should reenroll by December 1.

Scholarships are available to families that need assistance with the participation fee. Please contact Alex Schunk, 4-H Program Coordinator with questions about these scholarships and to apply.
Welcome to our newest volunteers!

4-H Exploration Days
2017 Impact Report

Exploration Days is a three day campus-based pre-college program that is designed to help youth build the skills they need to successfully transition to college and to life as an adult. Youth participants stay on campus in MSU residence halls and attend action-filled classroom and field trip sessions on a wide variety of topics, including animal science, business & entrepreneurship, international language & culture, performing & visual arts, and science, engineering, & technology.

Nearly 2,000 youth attended Exploration Days in 2017. Post-event evaluations revealed that participating youth gained important life skills like decision making, problem solving, and communication. Youth also reported feeling more prepared to attend college.

90% of youth feel more independent
91% of youth built time management skills
84% of youth feel more prepared for college
73% of youth are now interested in attending MSU

“4-H Exploration Days has helped me get the feel of a college life. Being responsible for... being on time to class gave me a huge idea on how college will be like in my future.”

“[Exploration Days] helped me get out of my comfort zone and be more independent.”

“Coming in here, I was set on another college, but after seeing the gardens, trails, and all the buildings, I can see myself going here in the future. MSU STOLE MY HEART!”

DID YOU KNOW?
Youth who participate in Michigan 4-H pre-college programs are more likely to go to college: 68% of youth who participated in Exploration Days between 2009 and 2016 enrolled in college within six months of finishing high school. That’s 14% higher than the Michigan average!
