Who Wants to be a Camp Counselor?

Open to youth 15 years and older. Gain an overview of camp and the leadership skills necessary to serve in the very important role of a 4-H Camp Counselor. This is designed to help teens learn about the importance of camp, how to have a safe camp, teamwork, attitude and counselor responsibilities. This overview will be used as part of the decision making process for Camp Counselor selection for a multi-county camp held in June for youth aged 8-12.

It’s a Wrap: Questions and Closing

Leadership is giving of yourself in helping others reach a common goal. It is not a mystical trait that one person has and another does not. It is a learned behavior that you can improve by doing. Leaders are not born; they are developed, almost completely by their own effort. That’s what 4-H Teen Leadership is all about: developing your leadership potential!
