A request to stay walk trot was presented by Chloe Coker stating she feels unsafe at this time to move up to level 2. Her horse tends to take the bit when being asked to canter and Chloe doesn't feel she is safe. Mom states that Chloe doesn't have the strength to be able to correct the horse and is not allowed to canter this horse until her lesson instructor feels she is safe and those around her are safe. Mom does not see this happening with the few shows Chloe is able to attend.

**A motion was made by Mary with a second from Beth to have Chloe come back in a few months after trying to canter. If she is still unable to move up she may submit another request to stay walk trot. Motion carried**
