**ENROLLMENTS**

June 1, 2016 is the last day for enrollments for the 2016 4-H year. For those of you who have not done so, you need to sign up and also either pay the $10.00 enrollment fee to the office, or request a scholarship, before you are an official 2016 4-H member.

If you know of anyone interested in joining, please direct them to the 4-H Online enrollment site at http://mi.4honline.com. They may also come into the office and we will help them signup online.

**MEMBERS WANTED**

- Did you know that Oceana County has one of only two 4-H beekeeping groups in the entire state of Michigan?

- Would you like to know more about the amazing insects that are crucial for pollination of so much of our food, and of course, produce honey?

Our group, under the new leadership of Stephanie Purvis and Sarah Rudat, would love to have you join us! Costs are minimal as you do not need to own your own hive(s) to participate, and the schedule during Fair week would not conflict with responsibilities for other clubs. If you would like more information about this "SWEET" hobby contact the MSUE office at 873-2129.

**THE OCEANA COUNTY 4-H YOUTH PROGRAM BAKE SALE**

The annual bake sale will be held on **Saturday, May 7th**. The proceeds of these bake sales go to those youth attending Exploration Days in June, provided they work at the sale. The times and locations are still being determined. Toni will email everyone when they are confirmed so make sure your email is up to date in the online system!

This is worth 1 nonclub point for anyone signing up with the office at 873-2129. You must bring a baked good (at least one per person) and work for one hour. The more baked goods the better, so if you like to bake, or know of someone who would like to help by donating baked goods that would be wonderful!
Come to 4-H Exploration Days!

Choose from many action packed learning sessions in areas such as:

**Animal Science:** (Intro to Horse Judging, Vet School: Is it for you?, Working with K-9 Search & Rescue Dogs, Poultry Showmanship, Rabbit Showing, Therapy Dogs, Everything Cavy)

**Clothing & Textiles:** (Learn to Sew, 4-H Project Runway, Locker Hooking, Sew your own MSU Spartan Pillowcase)

**Food, Nutrition & Fitness:** (MSU Bakery Days, Relax & Stretch with Yoga, Safety and Self Defense, Vegetarian Cooking)

**Recreational Sports:** (Basketball, Ice Skating, Line Dancing, Pickle-Ball, Run for your Life, Cize the Insanity in 2016 Fitness Movement)

**Visual & Performing Arts:** (Songwriting, Drama, Music as a Business)

**Shooting Sports:** (Pellet Rifle, Gobble Heads, Trap Shooting, Quack & Honk)

**Science, Engineering & Technology:** (Junk Drawer Robotics, Digital Nature Photography, Geocaching, Model Rocketry)

**These are just a few examples of classes offered. There are more than 200 sessions to choose from. Registration books are available in the office with complete information.**

Learn new skills, make new friends, find out what it is like to live on campus, meet people different places and with different backgrounds. You can either take two half sessions or one full session. After sessions there is still plenty of time each day to visit the Dairy Store, the Abrams Planetarium, The 4-H Children’s Garden, MSU Museum, or National Superconducting Cyclotron Lab. You may participate in the MSU animal teaching & Research Centers Tour or Swimming to name a few options for your free time with friends. There is entertainment at Wharton Center on Wednesday evening and a dance on Thursday.

The registrations are entered by us beginning March 15th at 9:00 a.m. In order to have the best chance of your first choices, you need to have your registration forms and $80.00 deposit in before that day. You can register until April 26th, but many classes fill up the first few days. The cost for an active 4-Her is $165.00 total. However, there are many scholarship opportunities available. Stop in the office for complete instructions and a registration book. Ask any of our Oceana 4-H members who have attended and they will tell you that they had a great time on campus. Most return multiple times to Exploration Days. Don’t miss out on the fun!

Students who enter 8th-10th grades in the school year following their involvement in Exploration Days are eligible for nomination to apply for a $2,000 MSU Pre-College Scholarship. This is a competitive scholarship program. We would like to congratulate future Spartan Alexis Mischler for being awarded one of these scholarships last year!

STATEWIDE NEWS

Be a Michigan 4-H International Exchange Host Family

Michigan 4-H Youth Development (http://msue.anr.msu.edu/topic/info/4_h) needs families to host international students, teachers and chaperones. Hosting can be for a period of a month or as long as 10 months for an academic school year.

For an overview of Michigan’s 4-H International Exchange Programs, go to http://msue.anr.msu.edu/program/info/international_exchange_programs.

Japanese Summer Inbound Exchange (July to August 2016)

Do you have a child between the ages of 10 and 17? If so, we can match your son or daughter with a Japanese host sibling for four weeks this summer. The students will join your normal summer schedule. Funds are available for the student to join your child at camp. Alternatively, you may host an adult Japanese teacher or college-age chaperone for two weeks, either July 24 to August 7 or August 7 to August 20. These adult leaders are bilingual in English and Japanese.

More information and applications are available on the Michigan Japanese Summer Inbound Exchange web page (http://msue.anr.msu.edu/resources/japan_summer_inbound_exchange). You may also contact D’Ann Rohrer by email at drohrer@anr.msu.edu or by phone at 231-757-4789.

Academic-Year Hosting Program (AYP) (Aug. 2016 to June 2017)

Would you like to host an international high school student who will attend grade 10, 11 or 12 grade in Michigan? FLEX students come from Armenia, the Czech Republic, Estonia, Georgia, Hungary, Kazakhstan, Kyrgyzstan, Latvia, Lithuania, Moldova, Montenegro, Poland, Romania, Serbia, Slovakia, Slovenia, Tajikistan, Turkmenistan, the Ukraine and Uzbekistan. Host Families volunteer to provide friendship, support, and room and board (3 meals a day). Health insurance is covered by the program. Personal expenses are paid by the student.

More information and applications are available on the Michigan 4-H AYP web page (http://msue.anr.msu.edu/resources/academic_year_hosting_programs). You may also contact Jan Brinn by email at brinn@anr.msu.edu or by phone at 269-673-0370, Ext. 2555.

And the Winners Are!

The inaugural Animal Science Sports person of the Year Awards went to Mary Adams, a Calhoun County 4-H leader who has been involved in 4-H for more than 30 years and Cassie Holladay, a 10-year Oceana County 4-H'er. It was clear to the selection committee that both Mary and Cassie exemplify the spirit of sportsmanship.

According to Mary's nominators, she's an energetic, dedicated leader who helps all youth, no matter what 4-H club they belong to.

Cassie, whose project areas include beef, dairy, horse, teen leadership and community service, is a member of the 4-Star and Rough Riders 4-H Clubs. While Cassie's nominators made it clear she is a fierce competitor, they also stressed she never hesitates to help teach someone less experienced.

LARGE MARKET LIVESTOCK INFORMATION

SWINE PICTURES, BREEDS & EAR TAGS due by May 11th at 5:00 p.m.
LAMB PICTURES, BREEDS & EAR TAGS due by June 1st at 5:00 p.m.

Both swine & lamb pictures need to show the entire animal and also the ear tag, if the ear tag is not legible your leader can sign the back of it verifying the number. The easiest way to get your picture is to bring in 2 pictures, one close up of the ear and one full body shot. Each 4-H Market Livestock Lamb Project animal is required to have two ear tags (one in each ear-matching numbers). Please remember that you need to know the breed also.

Swine must have one green 4-H tag and one yellow MDA tag. Both numbers need to be written on the pictures and the green tag needs to be able to be read. If it can not be read your leader needs to sign the back that the number written is correct.

If you are registering a second animal you need a picture with the tag & breed also. You may pick up a tag for that animal at the office after paying the $5.00 fee. You will declare your primary at this time and have until August 9th to change to your backup if desired.

**(IT IS YOUR RESPONSIBILITY TO GET THESE PICTURES PRINTED AND DROPPED OFF, OR MAILED IN. WE CAN NOT ACCEPT EMAILS OR FAXES)**

SCRAPIES IDENTIFICATION

Just as Michigan cattle require official identification to leave a premises (the RFID tag), sheep and goats also require official identification to leave a farm in the State of Michigan. The complete description and requirements can be found at the Michigan Department of Agriculture & Rural Development Animal Exhibit Division 2016 site. Per the requirements all goats and sheep moved within MI shall be identified with the official USDA scrapie program identification prior to movement off the farm. Official ID is:

B. The premises ID, obtained by calling the above number, and a unique alpha-numeric individual animal ID, legibly tattooed in the ear (right ear premises ID; left ear– individual ID) or flank. Tattoos in the tail web are permissible in earless sheep & goats.
C. A tattoo of the registration number from an approved breed registry, only if the number is printed on the registration certificate, and the registration certificate is with the animal. USDA must be contacted to link the registration prefect with the premises ID.
D. Electronic ID implants only in registered animals from approved breed registry where the ID number is printed on the registration certificate. The owner must present the registration certificate and have a reader present with the animal.
E. Do not remove tags prior to weigh-in or showing. It is illegal to remove official USDA individual animal identification
