CLASS DESCRIPTIONS

VERSATILITY (Open to all ages 9-19)

Exhibitors will need back numbers. Patterns will be posted. Exhibitors will ride:

1. **ENGLISH** first – exhibitors will be asked to perform a pattern and will be worked on the rail.
2. After they are lined up – attendants will be called in (a maximum of 3 attendants) and once in place, you will have 3 minutes to change into Western appointment.
3. You will then be asked to go to the rail for ring work, then you will have to perform a pattern.
4. All Exhibitors will go to a makeup area and be called in individually for the Cloverleaf pattern. When everyone is done, you will line up in the center of the arena again.
5. A question will then be asked of all exhibitors and placing will occur.

DEMONSTRATIONS (Open to all ages 9-19)

Demonstrations will be judged on the following:

- Eye Contact and Voice Projection will affect your score.
- Time should be 5-7 minutes. Too long or too short will result in loss of points.
- **Introduction** (15 pts) – grab and hold the audience’s attention.
- **Body** (30 pts) – clear, organized, correct information
- **Summary** (10 pts) – reinforce important points
- **Use of Props** (30 pts) – handling of horse and “tools”
- **Questions** (15 pts) – repeat the question and answer clearly
- Total – 100 points possible
- Demonstration guide available at 4-H Office.

COSTUME (Open to all ages) - All Cloverbuds participating in the costume class will receive a participation ribbon. Costume class may be split if more than 15 exhibitors on the discretion of hosting clubs. Each exhibitor will be required to write a brief description on a 3x5 card of who they are and what their costume represents for the announcer to read. Proper footwear must be worn during this class.

Costume Class will be judged on the following:

- Originality
- Tolerance of horse to costume
Theme consistency between exhibitor and horse.

Costumes must be safe for horse and rider.

**TEAM COMPETITION**

Any 4-H member (ages 9-19) may compete in these events with their Leader’s approval and MUST use their OWN horse.

1. Four (4) members to a single team. Members of each team drawn from hat.
2. Team members will meet and decide who will ride in each different event.
3. Competition consists of four events:
   a. Fitting & Showmanship
   b. English Pleasure
   c. Western Pleasure
   d. Cloverleaf
4. One member of each team rides in ONE event, unless not a complete team. Each team member will earn points in the event they ride in.
5. Team placings will be based on points earned by all members for each event. **EXAMPLE:** If there are 10 teams – 1<sup>st</sup> place = 10 points, 2<sup>nd</sup> place = 9 points, etc.
6. When points are added together for all events, teams will be awarded ribbons for 1<sup>st</sup> – 10<sup>th</sup> place.

**TRAIL**

Trail will be judged on the performance of the horse over obstacles, with emphasis on manners, response to the rider, and attitude. Credit will be given to horses negotiating the obstacles with style and some degree of speed, providing carefulness is not sacrificed, and to horses showing the capability of picking their own way through obstacles. The horse shall be penalized for any unnecessary delay while approaching the obstacles. After 3 failed attempts horse and rider must move on to next obstacle. Horses with artificial appearance over obstacles should be penalized. Except for junior horses shown with hackamore or snaffle bit, only one hand may be used on the reins, except that it is permissible to change hands to work an obstacle. While horse is in motion, rider’s hands shall be clear of horse and saddle. Horses must not be required to work on the rail. The course must be designed, however, to require each horse to show the three gaits (walk, jog, lope) somewhere between obstacles as a part of its work and will be scored as a maneuver.

CLOVERBUD TRAIL – This will be a simple walk/trot class. Lead line exhibitors must be led by an adult (18 years or older) and must have a lead-line attached to a halter, which has been placed under the bridle. Walk Trot 7-8 riders must have an adult (18 years or older) in the ring to act as a spotter. This person does not have to hang on to the halter, but must be close by in case of an emergency. All Cloverbud members must wear SEI-ASTM approved helmets.
MSU EXTENSION WEATHER POLICY FOR 4-H EVENTS AND ACTIVITIES

Prior to event being held, the program site should be evaluated for emergency shelter options if inclement weather occurs.

**Rain**

Depending on the amount of rain and the type of activities being held, programs may need to be suspended temporarily. If rain is hard or heavy, program coordinators must evaluate the site for safety before restarting events. This is especially important for events in which you are riding horses (for the safety of both the rider and the horse) or, when the possibility of injury might increase due to wet or muddy ground.

**Thunder & Lightning**

“If you hear it, clear it” It is impossible to have thunder without lightning, even if you do not see the lightning. When thunder is heard or lightning spotted, all programming must cease and participants must be moved to safe, indoor shelter until the person in charge of the event or program decides the weather is clear and safe to initiate programming again. “Safe to initiate programming again”, means no thunder and lightning are heard or seen for 20 minutes.

**Tornado**

If a tornado warning or watch is issued by the weather service, all program participants and observers should be encouraged to seek shelter in designated areas. Event cancellation may result if weather persists.

**ALCOHOL AT 4-H SPONSORED EVENTS**

There is NO ALCOHOL permitted at any 4-H sponsored event. This includes animal shows sponsored by 4-H clubs that may be open to non 4-H members, camps workouts where parents are observing and/or public clinics that may be sponsored by 4-H groups as fundraisers.

These are all 4-H sponsored events and even though the participants may not be 4-H members or volunteers we cannot permit alcohol on the premises. In the case of fairs, the policy of the fair board, regarding alcohol use on the fairgrounds would apply. However, during 4-H activities and shows at the fair, alcohol should not be consumed by anyone participating in or attending the event. It is also important to include the “No Alcohol Allowed on Premises” policy in any show bills or fliers that 4-H groups distribute so potential participants know about the policy prior to arrival at the event site.

If event participants (adults and/or youth) are not following the “NO ALCOHOL” rule, it is the responsibility of the hosting group to enforce this rule. The Extension Office will enforce this policy. Attendees would either need to leave the event or stop the unacceptable behavior.

Michigan State University liability coverage will not be in place for groups who do not comply with this policy.
My Last Boot Print- 2016 Project

The NEW capstone project for those members who have reached the end of their Mecosta County 4-H career as a youth member.

GOAL:
To allow members who have reached 19 years old as of 4-H age to showcase THEIR journey through 4-H and allow others to “walk a mile in their boots”.

WHO DOES THIS APPLY TO?
The easiest way would be through pictures; but they are not limited to only using those. They can also utilize trophies/ribbons/4-H gear won/belt buckles/narratives/etc. to help tell their story. They can also create a display of their chose; examples include:
- Poster Board
- Presentation Board
- Professional Portfolio
- Website/Facebook Page
- PowerPoint/Story Board
- Another type of table display

WHAT SORT OF THINGS SHOULD THEY SHOWCASE?
- Club/Committee Involvement
- Trips/Event Opportunities and Participation
- Achievements/Awards/Recognitions
- Lessons learned the hard way/SUCCESS stories
- Any and all 4-H experiences
- Anything else 4-H related

MANDATORY?
Yes, for all members who are 19 years as of 4-H age. Participation in 4-H is a privilege and those choosing not to participate in this project will choose not to participate in the 2015 fair.

PRESENTATION:
Members will sign up to present their 4-H Display at the Mecosta County Services Building (conference room) during the June 2nd 4-H Council Meeting starting at 6:30 pm. Each member will pick a 15 minute time slot that works best for their schedule to present to 4-H Council members as well as the 4-H Program Coordinator.

LOCATION:
Displays will be set up in the Exhibit Building during fair week in their designated section. For those members who choose to create a PowerPoint or any other sort of digital presentation, their presentation will be shown on a continuous loop via a computer in the Exhibit Building unless they choose to also make a display to put in its place.

THINGS TO KEEP IN MIND:
Each member who participates will get a gift for completing the project. A winner will be picked from all participants and that person will receive an award during fair week.
