**DOG PROJECT NOTEBOOK REQUIREMENTS**

Give to your leader (not the extension office) by June 30

**1st YEAR (in age group)**

Place all of the following items in order into a three ring binder. Place a check mark in the box when completed. All forms and worksheets can be obtained from your leader, the website, or the Extension Office.

- [ ] Table of Contents, number all pages and list 5 pts
- [ ] Dog Project Record, This Year’s 25 pts
- [ ] Personal Story About Me & My Dog (below) 10 pts
- [ ] Educational Item #1 Anatomy (below) 10 pts
- [ ] Educational Item #2 Health (below) 10 pts
- [ ] Educational Item #3 Training (see below) 10 pts
- [ ] Neatness, Orderliness, & Gen Appearance 10 pts
- [ ] Extra Educational Items, limit 2, up to bonus 10 pts each

**Educational:**

Educational Items do NOT have to be written reports. They can be special projects that will be shown separately at the fair. If special projects are used, a summary of that project must be included in the notebook, include photos or digital copies. Be prepared to answer questions regarding the project. Some ideas for special projects include (but not limited to) posters, computer programs, computer games, videos, comic books, public speaking, board games. All special projects (other than reports) must be approved by your leader.

The “Personal Story About Me and My Dog” will be updated from year to year and brought forward. It should include photos, personal day to day type information, current training, accomplishments, and areas that need improvement.

Below are the Items required for the first year. They are divided into two age groups. **Juniors (ages 9-11) will be doing worksheets for their Educational Items, which may be obtained from your leader, the extension office, or the extension website.**

Written reports must be a minimum of about one page in length. Always include your resources and label all illustrations, drawings, and pictures. Do your own work using your own words. All of your materials must be neat and legible; you may type or neatly print. Have someone proofread your notebook and check your notebook against the judging sheet. If you include notebooks from previous years, keep this year in front of previous years. Then put your previous years in order (Junior, Year 1; Junior, Year 2; etc.) Use tab dividers to separate years.

**INTERMEDIATE (ages 12-14)**

**Anatomy (Pick One)**
- *Label 15 parts on a dog
- *Describe 3 different coat and color types of a dog
- *Label the skeletal parts on a dog
- *Describe the proper conformation of your dog

**Health (Pick One)**
