Any 4-H Horse member may participate in a Community Service Project. A good project is worth 10 points towards State Show.

The project must meet the following criteria:

- The project must benefit people outside of family members.
- The Community Service may be done as a club or individual; be at least two hours long and be approved by your 4-H Leader, prior to beginning the project.
- The project must be completed during the 4-H Calendar year, this form must be turned into your 4-H Leader prior to the June 4-H Point Show.
- If you need ideas for projects contact your 4-H Leader or contact the Extension Office.

Name ____________________________
4-H Club ____________________________
Date of Project ___________ Number of Hours ___________
Type or Title of Project ____________________________
Location ____________________________
