Stall Information

- Horses/ponies may be stalled at the clinic grounds or trailered in daily (Horses cannot be tied to trailers and left unattended – must use stalls).

- Emergency Contact Stall Card must be stapled to the stall door. Owner and horse’s information MUST be clearly printed and include horse’s name, rider’s name, owner’s name and phone number, emergency contact name and phone number, vet’s name and phone number, 4H leader’s name and phone number, and an campsite number if camping. Stall cards are found in the registration book under the "Things to Bring Checklist".

- Horse and Tack stalls will be assigned by the barn managers and grouped according to 4H clubs. Tack stalls will be shared.

Immunizations Information

For the protection of your horse/pony, all animals must receive Flu, Tetanus, WEE and EEE shots. Also a current negative Coggins test is REQUIRED and the original copy must be available in case of inspection. West Nile Virus, VEE, Strangles, Rhino and PHF vaccines are strongly recommended, but not required. All immunizations should be given 3-4 weeks before the clinic in order to be effective.

Proof of Immunizations & Coggins must be presented at the time of check-in.
