Allegan County 4-H Horse Leaders
Service Incentives Program

PROCEDURE:

1. For every 6 hours of service you will receive $25.00 off the fee of the program you select. You may select more than one program. Example: You help a total of 12 hours. You earn $50 in incentives. You choose to deduct $25.00 off your cost to attend 4-H Exploration Days and $25 off the cost of attending Five Day Horse Clinic. NOTE: The Committee Chair establishes the Incentive amounts from their budgets i.e. they feel you only did $10 worth of work that is what you are awarded.

2. You, your parent, relative, 4-H Leader must perform the service.

3. The service must be performed before the 4-H activity/event.

4. Service opportunities are limited to the following. Each of these represents a $25.00 incentive. You can choose to do more than one or several of one. Examples: You volunteer as Ringmaster at a Horsemaster Pleasure Horse Show and you do the same at the Horsemaster Gymkhana Horse Show. You get $50.00 off of your chosen 4-H activities.
   
   A. Beth Wykstra Horsemaster Clinic/Horse Show (usually held in July - help at least 6 hours)
   B. Beth Wykstra Horsemaster Clinic/Gymkhana Horse Show (Usually held in July - help at least 6 hours)
   C. Round Up Volunteer (Committee Chair has a set budget & decides Incentives)
   D. Five Day Horse Clinic (Clinic Director has a set budget & decides Incentives)
   E. Clover Bud & Beginner Clinic (Committee Chair has a set budget & decides Incentives)
   F. Other approved by the Horse Leaders (Horse Leaders Budget determination i.e. Committee Chairs)

5. Sign in on the registration lists for above service opportunities to receive Incentive. Complete a 4-H Service Incentive Credit Form and submit it to the MSU Extension Office, ALONG WITH REGISTRATION FOR THE 4-H ACTIVITY.

6. Incentives must be used within 2 years. Exception: Incentives towards National and International 4-H Activities. A member must indicate to the 4-H Staff that he/she wants to participate in a National/International activity and designates the year. Incentives can then be put into an account for that member. Example: A member wants to go on the LABO trip to Japan in 3 years. Any incentives the member earns will be held in an account for that purpose.
