Raisinville Wranglers 4-H Club has 60 members currently enrolled for the 2016-2017 4-H year. The club leaders are Bill and Carrie Beaudrie, who were both active 4-H members as youth in the Monroe County 4-H Program. We are a community club involved in crafts, shooting sports, large and small animals and community service. Our meetings are bi-monthly at the 4-H Activity Center.

Our club’s community service includes helping many different organizations including the local elementary schools, Humane Society, Fairview, Medilodge, Children’s Hospital, Salvation Army, Veterans and Soldiers in Iraq, Operation Good Cheer and display a Christmas tree at the Monroe Museum.

We have kids in our club that participate in many of the teen clubs and county and state activities. Over the past few years, we have many new members attending Exploration Days and are Mark of Excellence winners and State Awards Delegates. We have also had royalty selected from our club in the past. This year, we have a member on the State 4-H Youth Leadership Council and just returned from Washington DC representing the State of Michigan at a leadership and civic engagement event. We also have members involved in New Horizons & Terra Quest travel clubs. Our older members are encouraged to get involved at the county and state level and bring back what they learn to the younger members.

Our club has also participated in Share-the-Fun. This year all of the members participating in the skit have wrote and choreographed the skit. We also have made a club float for the past several years which the kids design, paint and ride during the parade to promote 4-H. What a great experience 4-H has given them.
Thank you to everybody who came out and celebrated all of the Leaders with us! We thank each and every one of you for all your hard work and dedication to the clubs and children!

Michigan 4-H Capitol Experience
March 19–22, 2017

4-H Capitol Experience is a four-day conference held in Lansing that focuses on civic engagement and public policy. The program is open to ALL high school students in Michigan. Each year, 75 to 100 students take action on issues that matter to them and learn how they can have an influence on state government and laws.

After choosing a current issue area (options below), participants interact with legislators, tour Michigan’s Capitol, meet with state agency staff, lobbyists and other state-level experts, discover how policy is made, and explore various careers in public policy. Recreation is included in the schedule. At the end of the conference, the teens leave with an understanding of the impact that their voice can have on policy and their communities — now and in the future.

Choose Your Issue Area
Participants will choose an issue area to learn more about and will work with other teens to draft a bill related to their issue that will go through a legislative simulation. Issue group choices include:

- Human Services
- Jobs & the Economy
- Law Enforcement

A Valuable, Free Resource for 4-H’ers Thinking About Applying for a Michigan 4-H State Award

Have you – or someone you know – thought about applying for a Michigan 4-H State Award (http://bit.ly/2gPaLoU) but you have questions about the award and how to apply for it? If so, read on.

A 4-H State Award is the highest honor a 4-H member can receive in Michigan 4-H (http://msue.anr.msu.edu/topic/info/4_h). Each year, hundreds of youth from across the state come together to compete for recognition in a project area that has helped them develop skills, leadership and citizenship. The deadline for the 2017 State Award application is February 1.

Why Have a Training?

To help 4-H leaders and teens learn about the award process, Michigan 4-H has organized free trainings around the state. This training will give an overview of the 4-H State Award Program, as well as go over the application and deadlines. It will also be a way for participants to ask questions and to know what to expect throughout the process.

Who Should Attend?

This training is for Michigan 4-H’ers who are 13 to 19 years old, as of January 1, 2017, and who are interested in applying for the 4-H State Awards Program. 4-H volunteers and parents are also welcome to attend.
