Jennifer Russeau is the newest member of our staff here at the MSU Extension office. She has worked, as a secretary, for various lawyers over the past 30 years. She was born and raised in Monroe (where her parents still live) and is the oldest of four. Jennifer has 2 children of her own, both of whom are in High School. When she’s not busy catching up on their daily lives, she works 2 days a week at the Monroe County Courthouse as the file clerk in the County Clerk’s Office. Although her children are not in 4-H, Jennifer has fond memories of being a 4-H club member. She recalls making a ceramic “teddy bear” piggy bank, macramé owls and octopuses, and lots and lots of other fun crafts.

Jennifer loves animals; especially rabbits. She has a four year old Netherland Dwarf rabbit named Smokie. Her family also has three 13 year old cats they rescued at just a few weeks old. Their newest addition is a puppy! She’s 6 months old and is a laborador/bordie collie mix. While on a family vacation, visiting her sister in Kentucky a few months ago, Jennifer’s daughter came across the frail, sick puppy and nursed it back to health and it rode back with us to its new home in Monroe, Michigan. She is all black and her name is Bear.

When she’s not playing with all the animals, Jennifer enjoys yard work, going to flea markets, vintage car shows, antique shops and walking her puppy.

Mitten Tree

The Holiday Season is quickly approaching, and that means we are again preparing to decorate the Mitten Tree. Pat Webb, Project Chairman will set the tree up on November 14th, in the lobby of the MSU Extension Office. We encourage all clubs, families and interested community Members to donate hats, scarves and mittens to decorate the tree.

Items must be dropped off to the MSU Extension Office no later than December 12th, as that is the day the tree comes down. The gifts will then be wrapped, and distributed to youth across the country.

This is a great community service project, one that is certainly needed. So please do your part, and help keep our kids warm this season.

We had an awesome turnout of 4-H Clubs, 4-H Members, Adult Leaders and volunteers. There were 19 vehicles that participated in the decorating contest and did an outstanding job!

We welcomed over 325 trunk or treaters that afternoon. It was a great opportunity for the Teen Ambassadors to give back to Monroe County as our monthly community service project. A good time was had by all!

Tara Fraley, 20, of Petersburg, Michigan won a Scholarship at the State Fair that was held over Labor Day weekend. Tara was a member of Krafty Kids 4-H Club and 2015 was the last year that she could enter 4-H projects at the Monroe County Fair. For her final year, one of the categories she chose was “recyclable art”. She made a lap steel slide guitar out of an antique ironing board she purchased from a store in Erie, Michigan and it took the “Best in Show”. She received the Rural Youth Scholarship in Home Arts for $1,500.00! Tara, along with other scholarship recipients, were invited to the State Capitol Building where they were given a tour and received special recognition on September 23rd.

Tara Fraley is a junior this year at UT. She is the daughter of LuAnn and Layne Fraley. Tara said, “I want to thank my family and anyone in 4-H that makes this possible. It makes good memories for anyone that gets to experience it.”

Have You Heard of the Michigan 4-H China Project?

In the 27 years since the Michigan 4-H China Project (http://bit.ly/2d0qaRM) began, it has impacted 350,000 plus young people. One of the secrets of its amazing success is that this Michigan 4-H (http://bit.ly/12NqJL1) global education program, conducted in cooperation with the People’s Republic of China (http://bit.ly/1LdhT7g), uses the arts to achieve cross-cultural exchanges.

Through this project, participants:

- Realize the many similarities between their lives and youth their age halfway around the world;
- Develop awareness, understanding and appreciation of other cultures;
- Gain a sense of being part of one world, whether they live in Michigan or in Shandong Province (http://www.travelshandong.com);
- Have a significant learning experience that includes language, social studies, natural science and the arts;
- Receive in-depth information about a country that (1) has the world's oldest (3,500 plus years) culture, one rich in the arts, science and philosophy, (2) is home to the world's fastest-growing economy, (3) has a fifth of the world's population and (4) is the world's third largest country.

The Michigan 4-H China Project is comprised of the following:

Discover the Children of China Audiovisual Program (Ages: Kindergarten through 4th Grade)

This six-minute long audiovisual program, which contains a discussion guide, encourages children to think about the daily lives of children their own age who live in China. Visits to elementary classrooms, playgrounds and after-school art activities are included.

The Michigan 4-H Children’s Art Exchange (Ages: Kindergarten through 6th Grade)

In this popular program, Michigan youth create “visual letters” representing their story, life and reality to be sent to Chinese youth of the same age. The “letters” use young people’s creative skills and abilities while, simultaneously, reducing and often eliminating language barriers between the children. Usually in early May, a selection of Michigan artwork is sent to as a gift to the children of China.

Teaching Kits

Unique kits are available to facilitate teaching about China and making art. Each kit consists of nine or 10 original pictures by Chinese children, a study guide (http://bit.ly/2db131C) and a description of the pictures in the kit. The description of the pictures in Kit A can be found here (http://bit.ly/2cpr0b8). Kits are available for year-round use.

Visual Letters – The Art of Michigan Children (Traveling Art Exhibit)

To view a selection of Michigan artwork from past 4-H Children’s Art Exchange traveling exhibits, click on the year found on the web (http://bit.ly/2d0qaRM). (Note: In Internet Explorer, Adobe PDF files will open in full-screen mode. To advance or go back, press the right and left arrow keys. Press escape to leave full-screen mode.)

Chinese Children’s Ribbon Dance Kit

This kit consists of 12 ribbon wands, dance instructions and an audiotape of music and dance. The dances are easy to learn and the ribbon sticks are also fun for children to use in creating their own dances.

Discover Chinese Dance Activity Kit (Ages: Kindergarten through 6th Grade)

The kit, filled with silk dance costumes, papier-mâché masks, rice straw hats, ribbon sticks and music for the Chinese Children’s Ribbon Dance, helps youth learn about Chinese classical and folk dance.

For more information about participating in the Michigan 4-H China Project, contact your local MSU Extension 4-H staff (http://bit.ly/lu0f9E3).

Coming Soon: Michigan 4-H Scholarship Deadline!
