My Animal Project

1. Why did you select this project? __________________________________________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________

2. What factors did you consider when selecting your project (breed, price, disposition, conformation, etc.)?
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________

3. What type of housing did you provide your animals? __________________________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________

4. How did you provide fresh water to your animals? ____________________________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________

5. What do the Average Daily Gain results (page 9) tell you? __________________________________
   __________________________________________________________
   __________________________________________________________

6. List three things you have learned in your project this year.
   a. __________________________________________________________________________________
   b. __________________________________________________________________________________
   c. __________________________________________________________________________________

7. Who has influenced you the most this year in this project and why? ____________________________
   __________________________________________________________
   __________________________________________________________
   __________________________________________________________

8. List the names of six potential buyers that you contacted about the Livestock Sale for this project:
   1. __________________________________________ 2. __________________________________________ 3. __________________________________________
   4. __________________________________________ 5. __________________________________________ 6. __________________________________________
Goat Body Parts

Body Parts:
Write in the number of the body part that matches the correct part on the animal.

Knowing how much your animal weighs and how much it is gaining each day is a critical part of raising a healthy animal. Weights can be measured by using scales, weight tapes, or estimated. Keep track of the weights in the table below and draw the results.

<table>
<thead>
<tr>
<th>Date Weighed</th>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td># of Days</td>

<td></td>
<td></td>
</tr>
</tbody>
</table>
Goat Feed / Expense Record
Write the information from the feed tag or the “recipe” mixture that you use:

___________________________________________________

___________________________________________________

___________________________________________________

Did the feed or mixture change during the project? Why and how did it change?

___________________________________________________

How did you determine how much to feed your animal?

<table>

## Project Performance Summary

\[
\begin{align*}
\text{Ending Weight} & \quad \text{minus} \quad \text{Beginning Weight} \quad \text{equals} \quad \text{Pounds Gained} \quad \text{divided by} \quad \text{Days on Feed} \quad \text{equals} \quad \text{Average Daily Gain} \\
\text{Feed Cost} & \quad \text{divided by} \quad \text{Total Lbs. of Gain} \quad \text{equals} \quad \text{Feed Cost per Pound of Gain} \\
\text{Lbs. Of Feed Fed} & \quad \text{divided by} \quad \text{Total Lbs. of Gain} \quad \text{equals} \quad \text{Lbs. Of Feed Fed per Lb. Of Gain}
\end{align*}
\]

## Financial Summary

### INCOME

\[
\text{Ending Weight} \times \text{Market Price} = \text{Income from Animal}
\]

Other Income: (List items:)

TOTAL INCOME

### EXPENSES

- Purchase price of animal (if homegrown = market value @ weigh in)
- Cost of Feed (page 8)
- Cost of other Expense items (page 8)

TOTAL EXPENSES

### PROFIT / (LOSS): Income minus Expense (negative number equals a loss)
