WHY SHOULD YOU KEEP RECORDS?
Keeping accurate project records can be interesting and fun. Good records will…
 □ Help you learn more about your dog, the time care and cost involved in owning your animal.
 □ Improve your training skills
 □ Give you a record of your project activities.
 □ Teach the value of accurate record keeping.

Keep this record as part of your Member’s personal 4H Record (available at the 4H extension office or from your leader), this provides space for a complete record of all you 4H projects and activities. This information is helpful if you ever apply for a 4H Award or Scholarship
