Place photo of your herb garden here.

Part 1: List the herbs that you grew, from seed or plant, and the number of each.

<u>Herb</u>	<u>From seed or plant</u>	<u>#of plants or feet of row</u>
-------------	---------------------------	----------------------------------

Part 2.

Draw and label a diagram of your herb garden.

What size was your garden?

Part 3.

What problems did you have in growing your herb garden?

How did you solve these problems or what will you do differently next year?

Part 4.

Make a "use" chart to show each herb you grew, what part of the plant is useful, and how you will use it.

<u>Herb</u>	<u>What part useful</u>	<u>How will it be used</u>	<u>Will you dry it?</u>
-------------	-------------------------	----------------------------	-------------------------

Part 5.

Historically, did the Native Americans or pioneers use any of your herbs? If so, for what purposes did they use them?
