BASIC RIDING II EVALUATION

As originated by the Kalamazoo County 4-H Horse Leaders

Objective: This class is a test of the rider’s horsemanship skill in obtaining a prompt and correct performance from the horse.

Goals: Introducing the fundamentals of more advanced work such as the use of lateral aids and to improve the quality of the performance of our 4-H riders and horses.

THE RIDER - to be relaxed, understanding, skillful with the aids (applying them quietly and effectively) and riding in balance.

THE HORSE - to be willing and obedient, doing what’s asked for promptly and smoothly.

Scoring: Performance - 80 points (4 points each mark for rider and horse) to be based on correctness and quality of maneuvers. Transitions to be made as rider’s shoulder passes the marker.

Impressions - 20 points
- Rider - 10 points based upon tactful use of aids (hands, seat, back, and legs), riding in balance and coordination, and attitude.
- Horse - 10 points based upon attitude, obedience, free moving gaits, moving straight, and smooth transition from one gait to another.
