Name: _______________________________________________________

4-H Club: ____________________________________________________

Age (as of January 1st before the Fair): ______________

Number of Years in Goat Project: ______________
Information About My Goat

My goat is a...

________ Doe  __________ Wether

________ Buck  __________ Kid

My goat’s name is: ______________________________________________________.

My goat was born on ____________________________________________________.

The breed of my goat is ________________________________________________.

My goat’s identification is _______________________ number _________________.

Draw a picture or put a photograph of your goat or you and your goat here:
Project Summary

The most important thing I learned this year was:

_______________________________________________________________________
_______________________________________________________________________
_______________________________________________________________________
_______________________________________________________________________
_______________________________________________________________________
_______________________________________________________________________

I had the most fun with my goat when....

_______________________________________________________________________
_______________________________________________________________________
_______________________________________________________________________
_______________________________________________________________________
_______________________________________________________________________
_______________________________________________________________________

The things I want to learn more about are:

_______________________________________________________________________
_______________________________________________________________________
_______________________________________________________________________
_______________________________________________________________________
_______________________________________________________________________
_______________________________________________________________________
