Seventh Year

INSTRUCTIONS FOR RABBIT BOOK PROJECT

The following pages contain questions pertaining to the rabbit project area.

Answers to these questions can be found in *Rabbits, rabbits, Rabbits* (4-H publication), *The Standard of Perfection, A Guide to Raising Better Rabbits* (publications of The American Rabbit Breeders Association), *Rabbit Production* (published by Interstate Press), or *Your Rabbits* (Storybook Publication). These books and other helpful rabbit materials are available at the MSU Extension office for your use or can be purchased at rabbit shows. See your leader for this information or check the blue notebook given out at Rabbit Clinics.

The purpose of this book is to familiarize the exhibitor with the materials available and how to use those materials.

Each exhibitor is required to answer questions based on their year in the project area.

Each year exhibitors will be required to answer different questions from this book. Therefore, this project **MUST** be kept on file by the exhibitor. It is suggested that this book, all pages of answers and extra pages used be kept in a 3-ring binder.
