I got my Goats: ____________________________

My favorite thing that I did with my Goats this year:

________________________________________________________________________________________________

________________________________________________________________________________________________

________________________________________________________________________________________________

I feed my Goats:

________________________________________________________________________________________________

________________________________________________________________________________________________
My Goats live:

________________________________________________________

________________________________________________________

What I learned this year about my goat project:

________________________________________________________

________________________________________________________

What I plan to do differently next year is:

________________________________________________________

________________________________________________________

________________________________________________________
