County-wide Cornish Hen Project

The length of the project is 4 weeks. Chicks will arrive by July 26. Exhibitor will be responsible for picking chicks up the day after arrival. You must exhibit a pen of three at the fair, so a purchase of at least 4 would be wise.

By purchasing the chicks as a group it enables exhibitors to purchase a small quantity. Chicks will cost $1.50 each. All exhibitors will begin the project on the same day with chicks from the same batch.

Exhibitors may raise their birds in their choice of poultry facility, but it should be set up at least 24 hours before the chicks arrive with heat, food, water and bedding. Chicks will be a Cornish Cross and can be entered in class 1311 Cornish Game Bird (3-4 weeks); 2 lbs and under.

If you have any questions, please contact Cathy Myers at 810-686-7699

Orders will be due on or before June 15th by 4pm
MSU-Extension
