month/day/year                                                  month/day/year

Michigan State University Extension programs and materials are open to all without regard to
race, color, national origin, gender, gender identity, religion, age, height, weight, disability,
political beliefs, sexual orientation, marital status, family status or veteran status.

Revised 2/2014
Objectives of the 4-H Cloverbud/Climber Cavy Project

1. To gain experience caring for cavies.

2. To explore cavy breeds and feeds.

3. To participate in group activities within your 4-H club.

NOTE:

😊 Cloverbud/Climber projects are for the child to explore and discover project areas.

😊 Cloverbud/Climber projects are not to be judged or placed in any 4-H activity.

😊 Cloverbuds/Climbers will participate in Cavy Showmanship in the Cloverbud/Climbers class.

😊 The responsibility of animal ownership should not lie solely with the child, but also with the parents.

😊 Safety of the child should be the primary concern of the Cloverbud/Climber project.

Cavy Project Photos

Be Creative. The more photographs, the better! You are encouraged to be in the photo with your Cavy project animal(s). You should also include captions on your pictures that at least include the date of the photograph. You may use additional pages.
