Identify and mount ten (10) bird pictures on a poster board. Place ten (10) completed study sheets in a notebook to be exhibited with your project. Include a summary sheet of your work on this project at the front of the notebook. Each year, add another ten (10) study sheets and pictures to your ongoing project and update your summary sheet. Find bird identification help at http://www.birdwatchersdigest.com/site/backyard_birds/bird_id/species_index.aspx.

Common Name: ____________________________
Scientific Name: __________________________
Observation Date: _________________________ Time: ______________
Gender (male, female, unknown): ______________________________
