

Dairy Feed Record Isabella County

<u>Member information:</u>	
Name _____	
Address _____	
Club _____	4-H Age _____
Leader _____	Year in project _____

Animal(s) I owned or managed this year:

Name or Identification	Date of Birth	Registered Y or N

How many different feed rations were fed to your animal(s)? How were they different and why were they different?

What vaccines were administered to your animal(s) and at what ages were they given?

Why are vaccines important to the health of your animal and herd?

Describe any special learning experiences related to your project.

Tell about the time you spent caring for and working with your animal(s). *For example: how many hours per week did you work with your animal, what were your responsibilities, did you share the work with anyone, etc.*

What will you do differently in this project next year?

What successes did you experience this year?

This record should be kept in a three ring binder with dairy records from previous years. You may include labeled photos that tell about your project, production records, breeding records, copies of registration papers, etc.

Older members (ages 14-19) must complete and attach **Feed Record Card # 1277**
