**Shooting Sports Instructors Needed**

We are looking for volunteer leaders to become certified as 4-H Shooting Sports instructors in archery, rifle, and shotgun.

You will need to attend the April 27 - 29, 2018 workshop at Kettunen Center, in Tustin. At the workshop you will learn safe and proper use of guns and archery equipment that you can teach the youth.

Please call the Extension office if you are interested or for more details.

**CPR, AED, First Aid Training**

Saturday, March 3, 2018
9 AM – 3 PM
Listening Ear Building (211 South Main Street)

A light lunch would be provided. 4-H Council will pay the cost to attend.

Contact the Extension office to register, by February 16th.

**Dairy Feeder Weigh-In**

Saturday, March 10, 2018
8:30 a.m. - 11:30 a.m.
Isabella County Fairgrounds

Animals cannot weigh over 250 lbs. and must be:

- One of the following breeds: Ayrshire, Brown Swiss, Guernsey, Holstein, or Jersey
- Castrated & Dehorned

Each member can either:

- Weigh in a maximum of two feeders or,
- Within immediate families of more than one exhibitor: each member may weigh in one feeder, and one “family alternate” can be weighed in for the family. Only one feeder per exhibitor can be brought to fair when a family alternate has been weighed in.

It’s required that by Fair, every feeder must have a RFID tag (radio frequency identification) in their ear. If you have any questions, contact Mike Lattimer at (989) 513-7839.
CLUB CORNER

Aim High - At our January meeting, members made Valentine’s Cards for the Commission on Aging. We reminded members about upcoming events and deadlines, including deadlines for owning small animals. Next month we are planning a make-it and take-it craft as a part of our meeting, and we will continue to help our members get ready for fair.

Broomfield Valley - We discussed our last meeting and then went forward with further business. We discussed that there was not enough snow so we couldn't go sledding. Instead of sledding we made placemats and sewed them on the sewing machine.

Country Neighbors - At our February meeting we discussed different options we may want to try for community service and ideas for Spin Clubs.

Evergreen - In January we discussed and approved sponsoring two trophies at the fair. We discussed a field trip to the Agro-Liquid facility in St. Johns, in March or April. Shirt orders were distributed and money from the tickets sold for the upcoming spaghetti dinner in February was turned in. Each officer of the club did a “project highlight” on a project they are experienced in to provide the group with more information.

Pony Creek – At the December meeting, we had a potluck Christmas party with the famous oven-mitt/saran wrap game. As a community service/charity contribution this holiday season we collected items and donations for the Foster House of Isabella County. No meeting in January. For February, we will be having a surprise food making activity! Discussions have already started for club signs and buyer gifts for this year’s fair.

Fair Trophy Sponsors Needed
There is a need for fair trophy sponsors for several project areas. If you or someone you know is interested in sponsoring a trophy, please contact Eva Loudenslager at loudenslagereva@yahoo.com.

Broiler Chick Orders
Time to order your broiler chicks! Orders need to be placed at the Extension office by April 27. Approximate cost per bird including shipping is $1.86 each, if we are able to order 100 birds. Contact the Extension office to place your order.

Craft Day
Saturday, March 24, 2018

Need some "scheduled" time to work on a project for which you just can't seem to finish? We will provide your table, electricity, clean and comfortable space, and more food than you probably want for the ay. Past participants have done sewing, scrapbooking, photography, and even fair projects. Join us March 24 for a productive day and support the Fair Board's building fund as well. Included with your registration fee are a couple of make-it, take-it projects, instructional opportunities, and free gifts; a raffle table will also be available if you so choose. More details on page 14.

New Leader Orientation
Monday, March 5, 2018
6:30 p.m. - 8:00 p.m.
Isabella County Building, Room 320

Volunteers who have completed the Volunteer Selection Process, or who are in the process of completing are encouraged to attend the New Leader Orientation meeting. Light refreshments will be provided.

Register to the Extension office by February 28.

Calling All 4-H Members, Leaders, Volunteers & Families
The 4-H Ambassador team is participating in the Special Olympics polar plunge at Wayside Central next Saturday, February 17. It's very easy to participate/support the team: click on the link provided below to get to the page; join the team; add your information; that's all it takes. You can also share this link for others to support and/or donate. Share the link via email, facebook, twitter, etc. Incentives are available for raising donations, but the best part is to have a team of 4-H’ers showing community support for a very inspiring group of people -- let's see how big our team can be -- and make the best better!

For more information: contact Mallory O'Dell at malley.odell3@gmail.com or visit: http://www.firstgiving.com/team/366810
Small Animal News

- Reminder, if you live outside of Isabella County and plan to sell in the small animal auction, you will need approval from the Small Animal Association. Plan to attend their next meeting on Thursday, February 16 at 7:00 p.m. at the Isabella County Building. If you have already met with the Small Animal Association to sell in the auction and were approved, you do not have to do it again.
- It's not too early to make arrangements to secure whatever small animal you wish to exhibit at the 2018 fair. Reach out to someone you have worked with in the past or contact the appropriate small animal superintendent for assistance. It has become more difficult over the past few years for kids to purchase their fair animals as they are not quite as available as they used to be.

4-H Dog Project Leaders and Judges Workshop
Saturday, February 17, 2018
10 a.m. - 3:30 p.m. at MSU, Anthony Hall, East Lansing

This workshop is open to dog project volunteers, youth over 14, current dog project judges, and those who are interested in becoming judges. Participants will learn from seasoned judges how various classes are evaluated at a dog show and how to effectively work with youth in clubs to help them prepare for the various classes.

Register at: https://events.anr.msu.edu/mi4Hdogleaderjudgesworkshop/.

The cost of the workshop is $10 per participant. 4-H Council will cover the cost to attend.

4-H Goat Expo
Saturday, April 14, 2018
7:30 a.m.
Anthony Hall, East Lansing

For youth ages 9 - 19. Cost is $5 per participant, $3 per contest. Contests include Quiz Bowl, Breed Judging, Skill-a-thon, Creative Writing, Cookery & Foods, and much more!

To register or for more information, visit: https://events.anr.msu.edu/2018goatexpo/

Robotics Youth Challenge

Do you participate in robotics? Register now for the 4-H Robotics Challenge, March 10-11, 2018 at the Kettunen Center in Tustin! Participate in LEGO EV3, Junk Drawer Robotics, or VEX real-time challenges and a teambuilding challenge. Open to youth ages 12-16, youth can participate as a team or register as an individual and be assigned a team (youth should have prior knowledge in your challenge choice).

For more information and to register, visit https://events.anr.msu.edu/4HRobotics2018/

Teens As Teachers Workshop
March 3-4, 2018
Tamarack Camp, Ortonville

The Teens as Teachers Workshop is an opportunity for teens 13-19 years old to help deliver educational activities to youth audiences. Teens attending the training will gain leadership, communication, and facilitation skills that they can use while teaching one of the provided activities. Teens are able to connect with youth audiences as peers and engage them in learning from a different level than adult educators. This workshop allows teens the opportunity to be an expert on a topic and share their knowledge with their peers.

For more information, contact the Extension office or visit: https://events.anr.msu.edu/TeenTeachers18/.
4-H Great Lakes and Natural Resources Camp
August 5 - August 11, 2018
Camp Chickagami in Presque Isle.

This camp is for teens aged 13-15, or going into 8th-10th grades in the fall. The cost is $375.00 for 4-H member and $395.00 for non-4-H members. Scholarships available from 4-H Council.

Top 10 reasons to attend:
1. Have fun in the great outdoors doing camp activities such as fishing, boating, swimming, hiking and campfires!
2. Learn about and enjoy Great Lakes ecology and Michigan’s diverse natural resources.
3. Explore natural resources management issues.
4. Find out about careers related to the Great Lakes and natural resources.
5. Learn from Michigan State University faculty members, MSU Extension program staff members and other natural resources experts.
6. Discover environmental education projects that you can do at home.
7. Make new friends from across the state and learn about where they are from.
8. Enjoy a chance to be independent from your family in a safe, friendly environment.
9. Learn new ideas, skills and techniques that you can use for the rest of your life.
10. Develop your leadership abilities.

For more information, contact the Extension office or visit: 
https://events.anr.msu.edu/event.cfm?eventID=02B2D330861D46B4

If you are interested in applying to become a counselor, please visit the link above for applications. (Youth must be at least 16 years of age, and have some experience in camp counseling).

Scholarship Opportunity - GreenStone Farm Credit Services

GreenStone Farm Credit Services is now accepting applications through March 2 for its 2018 scholarship program, and will once again award up to $40,000 to incoming college freshmen pursuing a degree in an agriculture-related field. Students attending a four-year college program can earn a $2,000 scholarship, while $1,000 awards will go to selected students attending a two-year college program.

Qualifications include:
1. Must be a full-time high school senior graduating in year of application
2. Have at least a 3.0 grade point average
3. Plan to study an agriculture-related field

In addition, applicants should demonstrate participation and leadership in school, community and agricultural activities.

If you have any questions, please contact:
Mackenzie Jandernoa, Marketing Specialist

**True 4-H Science Teen Leaders: Isabella County**

*Isabella County has a true 4-H science pre-teen leader in Wyatt Hauri.*

*Posted on January 4, 2018 by Janis Brinn, Michigan State University Extension*

Isabella County 4-H has a true 4-H science pre-teen leader in 11-year-old Wyatt Hauri. Wyatt has been in 4-H for five years and just recently joined the Country Neighbors 4-H Club based in Shepherd, Michigan. During the holidays, the 4-H club members volunteer at Stone Lodge Memory Care facility in Shepherd where they make crafts, decorate cookies and visit with the residents. “I enjoy spending Christmas time with Stone Lodge residents and getting to know them,” said Wyatt.

Outside of giving time to serve others with his 4-H club, Wyatt enjoys exploring STEAM (science, technology, engineering, art and mathematics) 4-H projects that include animals, the environment, physical sciences and food. “I am involved in a wide variety of 4-H projects, including cats, shooting sports, exploring your heritage, mixed media, quilting, ceramics, leather-craft, food preservation, candy-making, talent and many more,” explained Wyatt. “4-H is a great way to learn important life skills. I like to incorporate my 4-H projects with homeschool because it makes homeschool learning more exciting and interesting.”

Wyatt is homeschooled and lives with his parents and three Sphynx cats. The Isabella County 4-H Talent Show is his favorite 4-H project. He enjoys combining his mixed martial arts with music and entertaining a crowd. “I love the talent show, and have been in the talent show every year since I started 4-H,” said Wyatt. “My mixed martial arts combined with the rush of performing is something I always look forward to at fair.” Wyatt’s cat is a very close runner-up as his favorite 4-H project. He loves showing his cat, Daryl Dixon, and educating people about Sphynx cats in general.

In 2017, Wyatt received many awards at the county fair in a variety of science project areas. Michigan State University Extension’s Kristi Schreiber, Isabella County 4-H program coordinator, commented on why she believes Wyatt is a true teen leader. “I have known Wyatt for two years in my position as Isabella County’s 4-H program coordinator. I have been so impressed with how he and his family have integrated so many 4-H projects into his homeschool education, specifically in the areas of food and nutrition science, animal science with his Sphynx cats, and the science of trajectory within his shooting sports disciplines. These are only a few of the incredible projects in which Wyatt has excelled. Wyatt is an avid learner and I look forward to having him as a teen leader in the future where he will utilize his considerable knowledge and passion as a mentor to other youth in our community.”

Another of Wyatt’s 4-H projects is exploring his heritage. He made a POW*MIA flag from dog tags and as part of his homeschool lessons, he researched prisoners of war and soldiers missing in action and wrote a report to add to his POW*MIA flag. He also rode with the Farwell American Legion Riders to Eagle Glen Golf Course in Farwell, Michigan. The motorcycle ride was in honor of veterans and Wyatt rode on the back of his friend Charlie’s motorcycle, holding the POW*MIA flag in the precession of flags. Wyatt’s 2016 exploring heritage project was an American flag made from shotgun hulls. “I made my POW*MIA dog tag flag in tribute of all POWs and MIAs,” said Wyatt. “My grandpa guided me through building the flag, and I am grateful to have had my hero by my side.”

- Continued on next page -
Outside 4-H, Wyatt is also a member of the Sons of the American Legion (SAL) Post 443 in Sanford, Michigan. Wyatt’s grandpa is a Vietnam War veteran and great-grandfather was a World War II veteran, so honoring veterans is extra special and important to him. Wyatt enjoys volunteering at the SAL brunch, serving food, talking to guests, and cleaning up. Wyatt was also the 2014 and 2015 Poppy King for the Sanford American Legion, and he was honored to be part of both year’s Memorial Day ceremonies. “I am proud to be a part of the American Legion,” said Wyatt. “It is a great organization that helps many people from all over the United States.”

What more can this young man do you ask? Wyatt is also a third poom black belt in taekwondo through Yats Tae Kwon Do in Midland. He has been training in taekwondo since the age of five. Wyatt has also trained in jujitsu for three years and is currently training at Spardella MMA in Farwell. He is self-taught via videos in many martial arts weapons, including bo staff, sai, tonfa, and kamas. Wyatt combines these martial arts to choreograph his own martial art routines to music for the Isabella County 4-H Talent Show.

Isabella County is certainly growing a true 4-H science pre-teen leader in Wyatt! Kristi offered advice for other youth interested in becoming a 4-H teen leader. “I feel the best teen leaders are those youth that have a passion, an incredible drive within a specific project area, and wish to instill their love of learning about that area with other 4-H youth. These youth leaders very often tie their passion to career goals in their future. Teens that are interested in becoming a teen leader need to immerse themselves in their project area, take advantage of all the workshops, classes and competitions offered within 4-H, and commit themselves to helping other youth in their community.”

Michigan 4-H is proud to be part of the National 4-H tradition of supporting and growing true leaders. The next generation of empowered 4-H true science leaders continues growing in Michigan! To learn more about Michigan 4-H true science leaders, view other articles in this series:

STATEWIDE CALENDAR OF EVENTS

4-H Workshops and Events

February 16-17: 4-H Veterinary Science Teen and Adult Leaders Workshop
Kettunen Center, Tustin
This workshop is designed for 4-H teens and adults who are fascinated by animal health and want to explore animal systems. Registration due Feb. 4.
http://msue.anr.msu.edu/events/4_h_veterinary_science_teen_and_adult_leaders_workshop2

February 17: 4-H Dog Project Leaders and Judges Workshop
Michigan State University, East Lansing
Learn how agility, obedience, rally and showmanship classes are evaluated. Registration due Feb. 9.
http://msue.anr.msu.edu/events/michigan_4_h_dog_project_leader_and_judges_workshop_1

February 17-18: 4-H Beef, Sheep and Swine Teen and Adult Leaders Workshop
Kettunen Center, Tustin
Take your beef, sheep or swine project to the next level by attending this workshop and learning about animal health, management, care and nutrition. Registration due Feb. 4.
http://msue.anr.msu.edu/events/4_h_beef_sheep_and_swine_teen_and_adult_leaders_workshop2

February 19: Youth Business Guide to Success: Make the Most of Your Market Livestock Project Workshop
Saginaw Valley Research and Extension Center, Frankenmuth
Spend some time learning about the business and entrepreneurial aspects of your livestock project. Register by Feb. 15.
http://msue.anr.msu.edu/events/youth_business_guide_to_success_make_the_most_of_your_market_livestock_proj

February 24: Michigan 4-H Embryology Staff, Teacher and Volunteer Training
Grand Traverse County MSU Extension, Traverse City
This training is designed for educators who would like to learn how to implement an embryology program through classroom activities or 4-H SPIN clubs.
http://msue.anr.msu.edu/events/michigan_4_h_embryology_staff_teacher_and_volunteer_training_grand_traverse

March 9-11: Michigan 4-H Dairy Conference
Kettunen Center, Tustin
Learn about Michigan agriculture, increase knowledge of the dairy industry, and develop life skills!
http://msue.anr.msu.edu/events/michigan_4_h_dairy_conference_2

March 17-18: Challenge U 4-H FunFest
Kettunen Center, Tustin
Youth ages 9-13 will learn about food science and healthy living while meeting youth from around the state.
http://msue.anr.msu.edu/events/challenge_u_4_h_funfest

For the most up-to-date events listing, go to http://4h.msue.msu.edu/events.
STATEWIDE NEWS AREA

Capitol Experience registration now available!

All high school students have the opportunity to register for Michigan 4-H Capitol Experience, an annual four-day conference held in Lansing that focuses on civic engagement and public policy. Attend to experience state government in action and learn how you can influence policy issues.

Each participant will select and research an issue area, with topics ranging from animal agriculture, civil rights, education, technology, and more.

Together, groups draft a bill related to the issue and move the bill through a legislative simulation. While spending time in Lansing, youth will interact with legislators, tour Michigan’s Capitol, discover how policy is made, explore potential politically-related careers and more!

Registration is available at https://events.anr.msu.edu/4HCapEx/ and is due by March 16.

World Food Prize Michigan Youth Institute now accepting applications!

On May 10, Michigan youth passionate about addressing global food security will gather for the World Food Prize Michigan Youth Institute (WFPMIYI).

This life-changing experience offers the next generation of globally-minded leaders an opportunity to address international challenges through the investigation of new technology, potential academic pursuits, and future careers that will impact food insecurity across the world.

This year, the WFPMIYI will be held in two locations: Michigan State University and the Upper Peninsula Research and Extension Center in Chatham. Applications for the institute are due April 1.

For more information, visit http://msue.anr.msu.edu/program/info/wfpmiyi.

Youth Pork Quality Assurance roll-over information

For many years, the Youth Pork Quality Assurance (YPQA) Plus Program has been the core quality assurance certification program for youth who sell and exhibit their swine, including many Michigan 4-H’ers. In 2015, it was decided that the YPQA Plus program would be completely redesigned into an overarching, all-species quality assurance program known as the Youth for the Quality Care of Animals (YQCA) Program.

The intended final roll-out date for the YQCA program was January 2018, however, delays in the platform development led to an extension of the existing YPQA Plus program until June 1, 2018. Youth with a current YPQA Plus certification will remain certified until the expiration date has passed; there will not be an extension for youth certifications. YPQA Plus certifications, as well as YQCA certifications, will be accepted by and could be required by processors and certain fairs and livestock exhibitions.

For more information about YPQA rollover, visit http://msue.anr.msu.edu/news/youth_pork_quality_assurance_program_rollover_information.

New social media resource!

In this new Michigan 4-H resource, club leaders can educate youth about the impact media can have on others and themselves. Anything digital can be stored, copied and shared, even if it is only intended to be shared privately.

Teach youth the consequences of their activity online with this new lesson plan that pairs well with other previously created responsible social media usage lessons.

Download your copy at http://msue.anr.msu.edu/resources/4_h_responsible_social_media_activity_online_consequences.
Introduction to Babysitting

Ages 11+ • Every Monday for 6 Weeks
February 12 - March 19
4:00 PM - 5:30 PM
Isabella County Building, Room 320
200 North Main Street
Mount Pleasant, MI 48858

Interested in becoming a babysitter? Want to learn more about caring for kids?

Come to Isabella County's 4-H Spin Club: Introduction To Babysitting and learn how to be a caring, trustworthy and responsible babysitter through activities and games. A snack will be provided with each class.

To register: Contact MSU Extension at (989) 317-4079

MSU is an affirmative-action, equal-opportunity employer. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status. Accommodations for persons with disabilities may be requested by contacting the MSU Extension office at (989) 317-4079 at least 5 days prior to the scheduled event to ensure sufficient time to make arrangements. Requests received after this time will be met when possible.
THE BUZZ ABOUT BEES: HONEY BEE BIOLOGY & BEHAVIOR

4-H SPIN CLUB

Want to find out what the buzz about bees is all about? This program is designed to teach about the ancient art of beekeeping. Begin learning about the importance of bees and travel through the world of bee development and behavior!

DATE

March 14- April 18, every Wednesday from 6:00 PM - 8:00 PM

LOCATION

Isabella County Building
(200 N. Main Street, Mount Pleasant MI, 48858)
3rd floor ○ Room 320

WHO

For youth ages 9 - 19

REGISTRATION

Please register at the MSU Extension office by contacting Kristi Schreiber at schrei61@anr.msu.edu or 989-317-4079

4-H Robotics Curriculum

**Junk Drawer Robotics**

### What

4-H Robotics is a series of activities designed to make science, engineering and technology engaging and meaningful in the lives of youth. It focuses on emphasizing different aspects of robotics while youth build their own robots and develop robotics knowledge and skills.

### Who

For youth (ages 9-19) and volunteer leaders

### When

February 22, 2018
6 PM - 8 PM

### Where

Isabella County Building
Room 320
200 North Main Street
Mt. Pleasant, MI 48858

To register: Contact MSU Extension at (989) 317-4079 by February 16
Interested in governance and how you can make an impact in Michigan?

Join Michigan teens speaking out on the hot topics that matter to them in education, agriculture, health, crime, jobs, equality and the environment at...

**MICHIGAN 4-H CAPITOL EXPERIENCE**

**Michigan 4-H Capitol Experience**  
**April 15–18, 2018**

4-H Capitol Experience is a four-day conference held in Lansing that focuses on civic engagement and public policy. The program is open to ALL high school students in Michigan. Each year, 75 to 100 students take action on issues that matter to them and learn how they can have an influence on state government and laws.

After choosing current issue areas (options below), participants interact with legislators, tour Michigan’s Capitol, meet with state agency staff, lobbyists and other state-level experts, discover how policy is made, and explore various careers in public policy. Recreation is included in the schedule. At the end of the conference, the teens leave with an understanding of the impact that their voice can have on policy and their communities — now and in the future.

**Choose Your Issue Area**

Participants will choose their top three issue areas and will learn about one. They will work with other teens to draft a bill related to their issue and will go through a legislative simulation. Issue group choices include:

- Animal Agriculture
- Civil Rights
- Education
- Health
- Human Services
- Jobs & the Economy
- Law Enforcement
- Natural Resources & Environment
- Technology

**Location, Registration & Cost**

The Okemos Conference Center provides lodging for the program and also serves as the program headquarters. Tours and agency visits take place at the State Capitol, Michigan Supreme Court, and surrounding areas.

- $350 4-H members
- $370 Non members

(Scholarships are available)

The registration fee includes most meals, lodging and material fees.

Registration deadline: March 16, 2018
Register at [https://events.anr.msu.edu/4HCapEx/](https://events.anr.msu.edu/4HCapEx/)

MSU is an affirmative-action, equal-opportunity employer. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status. Issued in furtherance of MSU Extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Jeffrey W. Dwyer, Director, MSU Extension, East Lansing, MI 48824. This information is for educational purposes only. Reference to commercial products or trade names does not imply endorsement by MSU Extension or bias against those not mentioned.

“Accommodations for persons with disabilities may be requested by contacting the MSU Extension office at (989) 317-4079 at least 5 days prior to the scheduled event to ensure sufficient time to make arrangements. Requests received after this time will be met when possible.”
