Dear 4-H members, leaders, parents and supporters,

I would like to start off by congratulating all the award winners who were recognized at the 68th annual 4-H Awards Banquet! The quality of our members, volunteers and supporters is awesome; and I am thankful to be a part of the Osceola County program! I appreciate all that you do to keep the 4-H program strong.

As a reminder all 4-H members must enroll or re-enroll online by **Decem-ber 1, 2016**. Some clubs still have not turned in their financial paper work for last year; if this is you please get it turned in as soon as possible.

**4-H Enrollment** is done online this year using 4-H Online, the new 4-H enrollment data management system for MSU Extension. **If a family was in 4-H last year accounts have already been established in the 4-H Online System; please do not create a duplicate account.** Duplicate accounts will be deleted and the enrollment process will have to be restarted. Login using your email that was provided last year to the 4-H office and request a new password be sent to you by clicking the button “I forgot my password”. Once into your family account click on the edit button to update all information and re-enroll. If you do not know what your email is or do not have an email please call the 4-H office for help. New families will need to create a family account and add members. In the event that a family can not enroll online at home, the 4-H Office will have computers available and will assist families with enrollment. The 4-H Online website is: https://mi.4honline.com/Login.aspx?403D4057396649715A4238754E6B3D

Club meetings have begun along with other organizations planning meeting dates and topics for workshops that are offered to leaders and members. Make plans to be a part of planning these meetings or taking in a workshop. The Kettunen Center workshops are right here in Osceola County, and the 4-H Council will fund two workshops per year for each member or leader. When attending these workshops every participant must fill out a scholarship request form.

During this time of year many of the associations will be holding their annual meetings. These annual meetings include the Small Animal Association, 4-H Council, Osceola Livestock Committee (OLC), and the Horse Developmental Committee.

A couple important dates to add to your calendar are January 9, 2017, which is the turkey order at the Evart Middle School Cafeteria at 6 pm, and on January 9, 2017 at 7:00 p.m. is the annual PQA class which is at the Evart Middle School Auditorium. January 10, 2017 the shooting sports program starts back up at the Reed City Middle School Cafeteria at 6:00 p.m. Remember if the school district where a 4-H meeting is scheduled is **closed** than the meeting will be **cancelled**.

I hope you and your family have a wonderful holiday experience with one another. Happy Holidays!

Jacob Stieg
Osceola County 4-H Coordinator

In the spirit of “thinking globally and acting locally” participants in this exciting, energetic, hands-on workshop will participate in small and large group sessions to share and develop valuable knowledge and skills related to youth leadership, civic engagement, global citizenship, and international cultures. This workshop is open to current and aspiring leaders and volunteers, ages 12 to 112 (by Jan. 1, 2017), who seek to develop skills to serve (or assist youth serving) in leadership roles in clubs, schools, communities, the state and the world.

4-H Winterfest, February 4–5, 2017. 4-H Winterfest is a hands-on educational program that is open to youth ages 8 to 12 years old as of Jan. 1, 2017. Youth spend two days learning about many different project areas while meeting youth from around the state. Winterfest offers participants an opportunity to experience Kettunen Center in an overnight camp setting. Youth participate in hands-on sessions that range from crafts to shooting sports. Winterfest is also an opportunity to spend time outdoors enjoying all that Michigan winters have to offer! Participants enjoy outdoor time sledding/tubing, snow shoeing, and cross-country skiing and also learn from experts from around the state about many different topics.

4-H Veterinary Science Teen and Adult Leaders Workshop, February 17—18, 2017. Explore animal systems and learn about animal health for a broad array of animals species. Come prepared to learn from others, share information and experiences, ask questions and quiz veterinarians about their careers. You will also participate in hands-on demonstrations that will teach attendees how to help members recognize healthy, sick, and/or injured animals. Meet other youth and leaders who have developed outstanding veterinary science projects and gain ideas to help others start their own vet science projects. New resources will be provided to all attendees. Open to adult and teen volunteers ages 13 (as of Jan. 1, 2017) and older.

4-H Beef, Sheep and Swine Teen and Adult Leaders Workshop, February 18—19, 2017. This workshop is designed for both teen and adult leaders who are involved with beef cattle, sheep and swine projects. Topics include animal health, management, care and nutrition. In addition, breakout sessions will include livestock and meat evaluation, animal management and more. Interaction with leaders from different counties is encouraged for exchanging of ideas and programs and connecting with other volunteers in the same project areas. The workshop will also offer ways to enhance communication and teaching skills as well as learn about the many opportunities available for those interested in the beef, sheep and swine industries. Resources will be available for all attendees. Open to adult and teen volunteers ages 13 (as of Jan. 1, 2017) and older.
HORSE

The next 4-H Horse Developmental Committee meeting will be November 17, at the Evart Depot at 7:30 p.m. All 4-H leaders, members and parents are welcome to attend. This group plans horse events for the upcoming year, and sets policy for horse members.

LIVESTOCK

The next OLC meeting will be held November 14, at the Evart Middle School Auditorium, at 7:00 p.m. One order of business at this meeting will be to elect officers. Remember, you must attend at least 3 meetings to show & sell at the Evart Fair. These meetings count as educational meetings for the Marion Fair.

If you plan to purchase a steer this fall, be sure to ask the seller to put in the electronic ear tag before you bring it home. These tags are required by law for any movement of cattle, and should originate from the original herd. The beginning weigh-in for beef will be December 3, 2016, at the Marion Stockyards from 9:00 a.m. until noon. All beef will be weighed and tagged! Again this year, steers for Cadillac will also have to be weighed and tagged at this weigh-in. Steers must be castrated and dehorned prior to weigh-in.

The Winter Beef Classic will be held at MSU December 9-11. If you participated last year, forms will be sent directly to you. Entries must be postmarked by November 16. Forms are also available at the 4-H office or at: http://www.mijrlivestocksociety.com/WinterClassic/2016/entrypacketfinal_101316.pdf

PQA (Pork Quality Assurance) class will be held on January 9 at the Evart Middle School Auditorium at 7:00 p.m. All 4-H members who wish to sell market swine are required to be certified in PQA.

The Beef Weigh-In for market beef projects for the Marion, Osceola County, & Northern District Fairs will be held on Saturday, December 3, 2016, at the Marion Stockyards from 9:00 a.m. until noon. All beef must be weighed in on this day to be eligible for the market sales at Marion, Evart, or Cadillac Fairs. If you are purchasing your calf, be sure to ask that the seller tag your calf with the RFID ear tag, so that you won’t have to order tags from MDA yourself. If your calf is homegrown, state law requires that you have the RFID tag in place as well. All calves will be tagged with the 4-H tag. All calves must be dehorned with no horns present at the time of beginning weigh-in & castrated.
