Showmanship
List 5 qualities of a good showperson:
1) _________________________________
2) _________________________________
3) _________________________________
4) _________________________________
5) _________________________________

List 3 ways you can improve in showmanship:
1) _________________________________
2) _________________________________
3) _________________________________

List 5 ways that you helped or taught others this year:
1) _________________________________
2) _________________________________
3) _________________________________
4) _________________________________
5) _________________________________
# Meetings / Participation

Keep track of meetings/events that you have participated in. Put a check in the appropriate month.

1. Why did you select this project? __________________________________________________________
_______________________________________________________________________________________
_______________________________________________________________________________________

2. What breed or type of project animal did you select and why? _____________________________
_______________________________________________________________________________________
_______________________________________________________________________________________

3. When did you purchase your animal and why did you choose that date/age?____________________
_______________________________________________________________________________________
_______________________________________________________________________________________

4. What factors did you consider when selecting your project (breed, age, price, disposition)? ______________
_______________________________________________________________________________________
_______________________________________________________________________________________

5. How many and what kinds of animals did you care for? (Examples: 2 crossbred hogs, 1 angus steer)
_______________________________________________________________________________________

6. What is a major factor influencing your project area industry at this time? _______________________
_______________________________________________________________________________________
_______________________________________________________________________________________

7. What is a good back fat for your project? _________________________________________________
_______________________________________________________________________________________

8. What do the Average Daily Gain results (page 9) tell you and what is a good rate of gain for your project animal? ________________________________________________________________________________
_______________________________________________________________________________________
_______________________________________________________________________________________

9. List three things you have learned in your project this year.
   a. _________________________________________________________________________________
   b. _________________________________________________________________________________
   c. _________________________________________________________________________________
10. Who has influenced you the most this year in this project and why? ________________________________
________________________________________________________________________________________
________________________________________________________________________________________

11. List 3 things you would like to change about your project animal this year OR list 3 things you wish you would have done differently with your animal this year?
• ______________________________________________________________________________________
• ______________________________________________________________________________________
• ______________________________________________________________________________________

12. List the names of 3 potential buyers that you contacted about the Livestock Sale for this project:
1. _____________________________________________________________________________________
2. _____________________________________________________________________________________
3. _____________________________________________________________________________________

Body Parts: Write in the name of each body part on the line. Please write legible and use correct names of parts.
### Diseases: List 5 diseases and how to treat each of them

<table>
<thead>
<tr>
<th>Name of Disease</th>
<th>Treatment</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.</td>
<td></td>

<td>3.</td>
<td></td>
</tr>
<tr>
<td>4.</td>
<td></td>
</tr>
<tr>
<td>5.</td>
<td></td>
</tr>
</tbody>
</table>
Knowing how much your animal weighs and how much it is gaining each day is a critical part of raising a healthy animal. Weight can be measured by using scales, weight tapes, or estimated. Keep track of the weights in the table below and draw the results.

<table>
<thead>
<tr>
<th>Date Weighed</th>
<th># of Days</th>
<th>Weight</th>
<th>Lbs. Gained</th>
<th>A.D.G. (Lbs. Gained / # of Days)</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
Goat Feed / Expense Record

Name 3 of the ingredients in your feed and tell why your animal needs that ingredient:

________________________________________________________________________________________
________________________________________________________________________________________
________________________________________________________________________________________

Did the feed or mixture change during the project? Why and how did it change?

________________________________________________________________________________________
________________________________________________________________________________________

Why do you feed the type of feed you do and how does it benefit the animal?

________________________________________________________________________________________
________________________________________________________________________________________
