County-wide Project Update:

Wow! The amazing things you can make out of normal household materials.

Participants made some awesome looking pumpkins out of a dryer vent tubing. They glued them to form, spray-painted them, used gathered sticks from outside for the stem, and then decorated with tree moss. In addition to adding a touch of silk flowers and raffia or sheer ribbon for the leaves. They all turned out amazing and can be used for fall decoration!

WHO SHOULD ATTEND?
- Young people who are serving as a 4-H treasurer
- Young people who want to be a 4-H treasurer in the future
- 4-H volunteers working with youth that are 4-H treasurers

DESCRIPTION:
This workshop will help participants understand the roles of 4-H officers and benefits of developing useful life skills for their future, including—decision-making, communication, responsibility, leadership, attention to detail and record-keeping.

The treasurer’s role will be emphasized along with the importance of working together as a team. Treasurer responsibilities have become increasingly important. Because 4-H is a public group, a 4-H treasurer’s tasks are quite different from those of a private company’s treasurer or an individual. A 4-H group treasurer is responsible to other officers, members, adult volunteers, Michigan State University and to the public.

By attending this workshop, participants will learn about:
- The roles of officers
- Running a meeting; complete with practice!
- Connecting the role of treasurer with other officers, adult 4-H leaders and MSU Extension staff members.
- Money handling expectations including the use of receipts, timely deposits and timely bill payments.
- The importance of budgeting.
- Appropriate use of funds and fund-raising do’s and don’ts.
- Check-writing and reconciling accounts.
- Tips for creating treasurer reports and annual financial statements.

Refreshments and light snacks will be provided.

2018 4-H State Award applications process now open!

Michigan 4-H true leaders ages 11 and older have an opportunity to be recognized for the great work they do in 4-H by completing a state award application. A Michigan 4-H State Award is the highest honor bestowed on a Michigan 4-H member and provides an opportunity to receive recognition for their engagement in rich learning experiences that result in outstanding knowledge and life-skill development. State award applications are divided into four categories:

- Mark of Excellence essay contest (11-12 years old)
- Junior state award (13-15 years old)
- Senior state award (16-19 years old)
- Group awards (13-19 years old)

The application process and selection is determined by the age of the 4-H member. Final candidates for the junior, senior and group level awards in each project area will be selected to participate in the State Awards program during 4-H Exploration Days in June where final selection and announcement of winners will take place.

The application can be found at http://bit.ly/2xWk3VO and is due Feb. 1, 2018. For more information, contact Betty Jo Krosnicki at nashbett@anr.msu.edu.
