11) **DISCUSSION/ITEMS TO APPROVE:**
   a. **2015 State Qualifier-St. Joseph County Delegates/Alternates:** Karin Fleetwood reported that 26 kids get to go state, with 4 alternates, plus the Miniature Horse Delegates. There were a totally of 42 kids that tried out for state between the 2 shows. The list of delegates were give out to the club leaders informing them that July 10th the State Show packets had to be into the MSU state. But had to be in by July 7th by 5pm. Good luck to all!!!!!!!!!
   
   b. **Volunteers for State 4-H horse Show at MSU:** We need at least 5 volunteers to work at the 4-H show at MSU over the 3 day show on August 7, 8, and 9th. Also for the mini state horse show on August 22nd. The 2 clubs that are to work up there this year are Buckaroos and Stirrup-fun. Each of these clubs only have 5 members each. It is very important that we send at least 5 volunteers if we want to keep the amount of spots for kids to show at the MSU state show. So if you would like to volunteer please contact the 4-H extension office and fill out the volunteer sheet.
   
   c. **Points Committee Discussion:** Diane Zinsmaster - Brought up the discussion that the age groups for the State Qualifier and the fair should be the same to keep it easy to count the points for the fair awards. She also commented that if you enter a class it should not matter how many are in the class you should still get the points and we should do what is fair and in the best interest of all our 4-H members (example 6 points for 1st, 5 for 2nd etc.) That it is not the child’s fault if not many enter the classes they go in. (example pony class age splits). This was just a discussion and shall be looked into more after fair this year.
   
   d. **Show Committee Reports:** Eva Beeker - Said she wants all the different points counting areas to go through the points committee, to keep things organized and keeping things fair.
   
   e. **Club Sportsman update:** Norma Switalski, presented her purposed sportmanship award. Which will contain specialty area sportmanship awards for 4-H horse participates. The HC looked over her proposal for the new regulations for this award. There were some needed changes to the proposal. Large clubs and specialties (15 or more members that showed at previous fair year) will be able to nominate two club sportmans and smaller clubs and specialties (less than 15 members that showed at previous fair year) will be able to nominate one club sportman. 1) Adding reining to the proposal, also adding (no discrimination by the judge) at the end of the proposal. A motion was made by Pam Cook and seconded by Bobbi Newland. Motion was approved. The Club Sportsman information will be distributed to leaders and put on the 4-H wordpress website for people to view.
   
   f. **Inventory update:** There are ribbons etc. left, Andrea Littlefield will get extra medals needed, Teresa Hufstedler will count and collect the ribbons that are left and find out how many we need for the gymkhana, Pleasure, and Driving fundraiser shows coming up.
   
   g. **Wagon/Trailer update:** Everything is good was the report.
   
   h. **Show Bills for Fair:** Karin Fleetwood reported she has the computer with that on it. The HC Board will need to access the showbills so that work to update and fair class planning can proceed.

But this did not include any of the children from our county. Eva Beeker reported how proud she was on how the children from St. Joseph County behaved.
