February 21, 2017

TO: Poultry 4-H members, leaders, and families

FROM: Eva Beeker, 4-H Program Coordinator

RE: Poultry Assistant Superintendent

As many of you know we did not have a Breeding Stock Assistant Superintendent at last years fair. We have held interviews for the position and are pleased to announce that Karyn Scheffler will be the Assistant Poultry Breeding Stock Superintendent effective immediately.

Karyn will join the poultry team of Angie Landis, Superintendent, Karri Landis, Assistant Market Poultry Superintendent, and Michelle Kelley, Assistant Turkey Superintendent.

The addition of Karyn will help to bring additional ideas and help to make an already great program even better. Karyn has a lot to offer the poultry program and I am confident that she will bring positive things to the program.

Please join me in welcoming Karyn to this position.
