RE: 2017 4-H Carcass Beef Contest

Following is important information you need to know regarding participation in the 2017 4-H Carcass Beef Contest:

1. Due to the limited number of beef that can be handled for slaughter at Yoder Meats & Cheese Co. (the location where beef will be slaughtered and processed, and where the Carcass Beef Evaluation Workshop will be held), entries are limited to 12 participants. If more than 12 participants submit their entry forms selection of the 12 participants will be based on a combined factor of exhibitor’s age plus number of years in project.

2. Eligible animals include any of the 4-H project beef registered in a given member’s/sibling’s name. Note: Any and all potential carcass animals were required to be ear-tagged and registered in the St. Joseph County MSU Extension office by March 25, 2017.

3. All animals intended for entry in the Carcass Contest MUST be taken off feed and water following the evening feeding on Saturday, September 9, 2017.

4. The 4-H Carcass Beef Contest will take place according to the following schedule:
   - Live Beef Evaluation: Sunday, September 10, 2017 at 1:00 p.m. at the fairgrounds in Centreville. All animals entered in the Carcass Beef Contest MUST be delivered to the fairgrounds by 12:00 noon for weigh-in. (Please see item no. 5 below regarding minimum animal weight to compete in the contest.)
   - Carcass Steer Evaluation Workshop: Wednesday, September 13, 2017 at 6:00 p.m. at Yoder Meats & Cheese Co., Shipshewana, Indiana. Note: Please remember to bring a winter-weight coat and gloves along to wear in the meat cooler where the workshop will be held, as the cooler is maintained at 34°F!

   Special Note: All 4-H Beef Cattle/Dairy Beef Project members and leaders and all other interested persons are welcome and invited to attend both the Live Evaluation and Carcass Evaluation Workshop, since an important goal of this contest is to provide as many 4-H members as possible with an opportunity to learn about beef carcass evaluation.

5. Minimum Weight Rule: Carcass beef animals (steer or heifer) must weigh a minimum of 1,000 lbs. for market beef and 1,100 lbs. for dairy market beef at weigh-in at the fairgrounds on Sunday, September 10, 2017 to be eligible to compete.

6. Cleanliness of Beef: All beef must be CLEAN (meaning free of caked-on manure/dirt) in order to be entered in the contest. If your animal’s coat condition meets this criteria, then it does not need a bath unless you want to give it one. However, if your animal’s coat condition is such that it has caked-on manure/dirt, then it definitely needs to be bathed in order to be entered in the contest. If in doubt, bathe!!!

(continued on page 2)
7. **Securing Of Beef:** Animals entered in the contest **MUST** be capable of being tied with a halter/rope as part of the Live Evaluation process, as they will be tied side-by-side at a tie-rail for comparison purposes. Be sure and bring an appropriate halter and tie rope for your animal!

8. The animals will be slaughtered and the carcasses prepared (for judging) at Yoder Meats & Cheese Co.

9. 4-H members participating in this contest are **REQUIRED** to attend both the Live Beef Evaluation and the Carcass Beef Evaluation Workshop in order to receive a premium and any associated awards. Any member who fails to meet this requirement will have his/her animal **disqualified** from the contest.

10. Each member making an entry in this contest is responsible for arranging for "private treaty" sale of his/her steer **before** it is delivered to the fairgrounds on Sunday, September 10 for Live Evaluation. **Exception:** The **Champion and Reserve Champion** beef carcasses **MUST** be sold in the 4-H Large Animal Sale on Thursday, September 21, 2017. Therefore, when you make arrangements for "private treaty" sale of your carcass animal, it must be with the buyer’s understanding that the animal will be sold in the Large Animal Sale if it wins Champion or Reserve Champion honors.

11. It is also the member’s responsibility to inform the buyer of the carcass that he/she is responsible for the following costs (which will be directly payable by the buyer to Yoder Meat’s, Inc.):
   - **slaughter = $50.00 per steer**
   - **processing = $0.45/lb. hanging weight**

Two (2) copies of the "4-H Carcass Beef Processing Information Sheet" which can be found at [http://msue.anr.msu.edu/county/st._joseph/4_h_fair#carcass](http://msue.anr.msu.edu/county/st._joseph/4_h_fair#carcass) must be filled out completely, and signed by the buyer. Give the buyer one (1) copy to keep, and turn the other copy in on Sunday, September 10 **prior** to unloading your steer for Live Evaluation.

**“Thank You’s” For Contest Support:**
