- Raising Turkeys (4H166)
- Glossary of Poultry Terms (EM4746)

**Note:** Members exhibiting both Market and Breeding Stock Poultry must complete only one evaluation. Members exhibiting more than one type of breeding stock poultry (chickens, ducks, or geese) need to complete only one breeding stock poultry evaluation for one type of bird, if he (she) chooses to do the breeding stock evaluation. Pigeon exhibitors must do another breeding evaluation of their choice, if they are only showing pigeons.
