Old Business:

1. Donation letter- letter was given to Rachel, however tabled until next meeting due to not having info back as to how it was going. Howard Stack will be contacted by Andrea.

3. Awards- this is a project for our teen superintendents. The plan is for them to get together before our next meeting with ideas and suggestions. Abigael Fox will contact all teen superintendents to plan meeting.

New business:

1. New record book judge. Carol Straight has declined doing this job next year, we will need to find a new judge.
2. Monsanto Grant, this is being filed by Mary to receive funds for a trailer to hold Poultry and Rabbit items in during none fair times. Suggestion was made to contact Jodi Conley to speak about who she used to get her trailer for the dog area.
3. Pen sheets- Mary has put together a new pen sheet that includes an area for the leg bands for exhibition birds for check in next year. (see attached)
4. Suggestion was made to look into purchasing all meat birds per types at the same time thru the same vendor, so that all birds are the same age during fair. This would be to avoid having a 6-week old chicken vs a 10-week old chicken.
