MICHIGAN 4-H MISSION STATEMENT
Michigan 4-H Youth Development is a youth program that involves volunteers in providing positive, experiential, educational opportunities for and with youth. Our mission is to create environments, through collaboration, that build strong, healthy youth who are proactive in a complex and changing world.
General Information

- 4-H programs are open to all young people, 5 to 19 years old, no matter where they live. If you are interested in a particular club, contact the 4-H Administrative Leader listed with the 4-H club. They will have enrollment forms for you to register for their club.
- There is an annual 4-H Participation Fee of $10 per member (maximum $30 per family).
- 4-H members and leaders also pay an annual accident insurance fee of $1 ($2 for horse project members and leaders).
