Dear 4-H Members, Parents, and Leaders,

Momentum keeps increasing for all the great events and trainings being held in the 2012-2013 4-H Year! Read more about all of these upcoming events in this month’s newsletter!

Club re-enrollment paperwork was due January 15th and I must give a big shout-out to all who turned it in before or on that day! Superstock 4-H Club (first with all items complete! They even donated $10 to help support any 4-H youth who could not pay this year- thank you!) 4-H Critter Club Motor City 4-H Robotics HorsePlay 4-H Club Humms and Hugs 4-H Club Mt. Zion 4-H Club

I know many club leaders have communicated with me on the status of their packets and will be turning them in during the next few weeks. I appreciate everyone’s efforts to get this done in a timely fashion!

There is a lot of great information in this newsletter so I encourage you to read the whole newsletter and share with others who might have an interest. Just like most areas of life, 4-H is a program where the more you put into the program, the more you get out of it. 😊 Enjoy the experiences!

Happy February to you!

Sincerely,
Laurie Rivetto
Extension Educator, Wayne County 4-H

Wayne County 4-H 2011-2012 Recognition Event

It is the time of year to celebrate last year’s 4-H accomplishments. This year’s event is going to be held Friday, March 15th in the evening at the Wayne County MSU Extension office at 5454 Venoy Road in Wayne, MI. Right now, the plans are to have Chris Cakes with the flying pancakes. We had this great food and fun a few years ago at the event. If you did not get to experience then, this is your chance! Save the date! Invites will be going out in the near future. RSVPs are due March 8th to Laurie Rivetto via e-mail or phone—include the name of 4-H members or volunteers and the number of additional guests attending.

The event includes the food and a short program (about an hour) recognizing all registered 4-H members from the 2011-2012 year with a member pin, honoring our awesome 4-H volunteers, many giveaways and gift bags to take home, and the giving out of some special awards. Some of those special awards for 4-H Members require an application. To get an application, contact Laurie Rivetto at rivettoL@msu.edu. They include:

- Wayne County 4-H Project Awards for accomplishments in a project area during the 2011-2012 year
- Leadership and Personal Growth
- Community Service

Some of the award applications require the youth to complete parts, some are completed by a leader, and some are completed by both. All applications are due March 1.

Please also note that the event will include a 4-H Club Display Contest. This is a great time to share your club’s accomplishments and then learn about what other clubs are doing across the county. Each club that creates a display will get a token of appreciation for participating. Voting will take place at the event, prior to the program, and the winning club gets a special prize. This part of the event is generally well-liked and supports the camaraderie across Wayne County. The attached document explains more about the Club Display. Discuss at your next club meeting and show off the amazing things your club does!

The event will also feature a scrolling photo display before the program of pictures from the Sept 1, 2011- August 31, 2012 4-H Year. Get your club or 4-H family photos in the display! Send photos to Laurie Rivetto at rivettoL@msu.edu by March 1st for inclusion. The more photos, the more exciting and fun the display.
