Learn Share Empower Grow

MICHIGAN STATE UNIVERSITY Extension
The **MSU Extension CEC program** is all about:

1. Helping communities recognize the importance and impact entrepreneurs do (and can) make in your community.

2. Providing training for various tools and resources your community can provide to assist entrepreneurs grow in your community.

3. Connect you with other communities to share success stories, best practices and resources to help entrepreneurs grow.
CEC “Connecting Entrepreneurial Communities” state-wide conference

- Great Keynote speakers
- Small “by design” breakout sessions
- Conference “embedded” in the local community
- Networking and idea sharing
- Quirky (a.k.a. unique) venues
- Fun!

Three Easy Steps to Get Your CommunityActivated...

1. **Form a team**
   (3 or more people from various organizations)

2. **Attend the CEC Conference**
   (Oct. 8-9, East Tawas, Michigan)

3. **Begin implementing a couple of ideas, then grow from there**
   (With over 20 sessions + many other successful CEC programs in attendance... you’ll have plenty to choose from!)
For more information...

• Visit the official Connecting Entrepreneurial Communities web-site.

• Always growing with content before, during and after the October conference.
