START YOUR OWN 4-H CLUB – All you need is 5-10 kids and an adult volunteer to organize the club. Choose your areas of interest and meeting times. The MSUE 4-H staff will help you get started.

JOIN AN EXISTING 4-H CLUB – The following is a list of existing 4-H clubs along with the program areas in which that club participates in. Some clubs listed will have an asterisk (*) in front of their name and this indicates that they ARE NOT accepting new members.

CLUB LOCATER – Clubs are listed by numbers and correspond to a county map which is broken down into townships for easy location.

Looking to join a 4-H club in your neighborhood?

This 4-H Club Informational Booklet lists all of the 4-H clubs in Livingston County, a few of each club's main project areas and the Club Leader's contact information. Next to each club name, there's also a number that corresponds to a township map in the front of the book. (That way you can hopefully find one that's close to home).

We recommend that you visit a few different clubs before deciding which one is the best fit for you and your family. Clubs vary quite a bit in terms of which projects they do, the current age of their members, etc. If your child is 7 years old, you may not want to enroll in a club where the majority of its members are in high school, etc.

Once you've selected a club, just let your Club Leader know and they'll give you instructions on how to enroll in 4-H Online. The 4-H participation fee ($10 per member/annually) is paid to MSU at the Extension office.

Please note that Clubs with an * next to their name are not accepting new members at this time. Also, members may enroll at any time, but they must be enrolled by May 1st to participate in this year's fair.

If you have any questions, after looking over the club information packet, please do not hesitate to give us a call at 517-546-3950.
