Explore the exciting field of natural resources with one of Michigan State University Extension’s premier pre-college programs! Discover more about coastal and fisheries management, limnology, wildlife, forestry, geography, geology, invasive species and wetlands with this seven-day exploration camp!

4-H Great Lakes & Natural Resources campers will stay on the shores of Lake Esau at Camp Chickagami in Presque Isle. While at camp, they’ll enjoy a mix of learning experiences and recreational opportunities that may include:

- Hunting for aquatic invasive species and using technology tools to map the threats.
- Hiking the beaches and dunes of Lake Huron while exploring coastal wetlands.
- Interacting with leading scientists and professionals from MSU Extension, Michigan Sea Grant, Michigan Department of Natural Resources, U.S. Fish and Wildlife Services and others.
- Studying water samples and freshwater marine biology.
- Fishing, kayaking, canoeing, swimming, and snorkeling.
- Learning about future careers in the natural resources field.
- Contributing to conservation stewardship in the Great Lakes.
- Lighthouse tours, fossil hunting, archery and sailing.
- Applying the scientific process.

August 2–8, 2015

Camp Chickagami
Presque Isle, Michigan
