OLD BUSINESS
• Sale committee report. Mike is contacting truckers and auctioneers. Families need to bring a case of water or 6 waters per member for the livestock auction. Mike will contact the slaughter houses to find out how they plan to except all the animals from all the fairs. Then the committee will meet on the 21st to discuss the plan of action for when to transport the livestock. The buyers banners need to be ordered again with the year on them this time. We need approximately 200 of them. Fred will give us the numbers of projects when all the final entries are in.

• Fun and Recreation committee has not had another meeting. Roger will need to contact the committee to get together.

• The fair has REQUIRED TAGS for the swine. There has been 157 pigs registered so far. The fair DEADLINE to register these with the state is June 15, 2016. There are 43 tags unaccounted for. Swine that do not have registered yellow tags will not be allowed at the fair.

Fred commented about members signing up to work concessions at the rodeo then they just sat and watched the rodeo instead of working. We would like leaders to address this with their members.
