

SUCCESS

JUNE 21-23, 2017

MICHIGAN STATE UNIVERSITY

SPECIAL ATTRACTIONS

4-H Exploration Days will take place June 21 to 23, 2017. It is designed for young people ages 11 to 19 and involves about 2,500 participants from all parts of Michigan in a multitude of hands-on learning sessions, field trips and recreation opportunities. A few of the special attractions are highlighted here. Details will be in the 4-H Exploration Days Activity Guide that you'll receive when you arrive on the Michigan State University (MSU) campus.

Sessions

Choose from more than 200 action-packed learning sessions in your favorite interest areas! See pages 6 to 16 for session descriptions.

Cool Things to See & Do at MSU

On Wednesday and Thursday afternoons and evenings there'll be plenty of recreation options for you to choose from on the MSU campus. See page 19 for details.

MSU Pre-College Scholarship Opportunity

Students who will enter eighth, ninth, or tenth grades in the school year following their involvement in an MSU pre-college program such as 4-H Exploration Days are eligible for nomination to apply

for a \$2,000 MSU Pre-College Scholarship. 4-H Exploration Days participants will be invited to apply by their local Extension 4-H staff based on criteria such as attitude, behavior and active participation. Each county Extension 4-H program may submit one applicant (or a maximum of 5 percent of their total number of participants who will be entering eighth, ninth and tenth grades).

This is a competitive scholarship program. Contact your local Extension 4-H staff for information about this and other 4-H scholarship opportunities or visit http://bit.ly/2d7i92N.

Digital Badges

For the first time in 2017, 4-H Exploration Days attendees can earn the following digital badges during the event for:

- Attending and participating in the overall event.
- Attending the dance.
- Participating in meals and dining with others.
- Attending sessions.
- Being recognized at the State 4-H Awards Program.
- Attending the Wednesday night entertainment at Wharton Center. Check the 4-H Exploration Days Activity Guide for details.

The dazzling performers of the Detroit Circus specialize in high-flying aerial antics on fabric, trapeze, and lyra (aerial hoop), stilt walking and stilt acrobatics, contortion, juggling, feats of mind-bending strength, and acrobalance. They're joined by a variety of circus sideshow acts, too.

Come to 4-H Exploration Days to see the amazing Detroit Circus!

Online at: detroitcircus.info

You won't want to miss this show at the Wharton Center for Performing Arts on Wednesday, June 21, at 8:00 p.m. You must be registered for 4-H Exploration Days to attend the show.

Plan now to be there!

4-H EXPLORATION DAYS PARTICIPANTS SAY . . .

Extremely fun! I enjoyed all my sessions.

-Benzie County

It has helped me become more comfortable meeting new people and presenting my ideas.

-Lapeer County

IMPORTANT INFORMATION

Costs

\$165 Participant Fee - The fee for 4-H members and adults to participate in 4-H Exploration Days covers meals from Wednesday lunch to Friday lunch, two nights of lodging, all event activities, and a T-shirt.

\$10 4-H Participation Fee - An additional fee for youth who are not 4-H members.

\$120 State 4-H Awards Program Delegate Fee - The fee for 4-H Awards Assembly delegates after a \$45 awards scholarship is automatically applied.

\$25 Tuesday Early Arrival Fee – This additional fee covers Tuesday lodging and Wednesday breakfast for Upper Peninsula delegations and other county-arranged groups who need to arrive early.

Possible Additional Fees

- Some counties may add a fee to cover the cost of transportation and other expenses.
- **»** Some sessions have a fee to cover material or admission costs. Counties will collect session fees with registration fees.

Contact your local MSU Extension office to see if scholarship support is available.

Fee Deadlines, Cancellations & Refunds

Pre-Payment Due When You Register - \$80 for 4-H members and adults (\$90 for youth who are not 4-H members).

- » Fully refundable through May 3, 2017.
- **»** Nonrefundable for cancellations made between May 4 and June 2, 2017.

Fee Balance Due by June 2 - This is the \$85 remaining balance plus any additional fees (such as session fees or early arrival fees) or minus any applicable scholarship credits.

Cancellations - Those who cancel on June 3 or later will lose \$100 of their paid fees. Refunds for the amount paid beyond \$100 will be processed in July. To cancel, notify your local Extension 4-H staff as soon as possible. Be sure to provide the full name of the person cancelling and the date of cancellation. Scholarship credits cannot be applied to cancellation and no-show fees. Early arrival and session fees are nonrefundable. There will be no refunds for no-shows.

Scholarships for Session Instructors, Helpers, and CCAs – Volunteer instructors, helpers, and county conference assistants (CCAs) attend at no cost to themselves. County-based MSU Extension staff who serve as session instructors or CCAs will receive full scholarships; county staff who serve as session helpers will receive \$80 scholarships. Instructors and helpers are identified and recruited through Extension 4-H staff and committees with statewide responsibilities. All instructors and helpers must be skilled in the sessions they are helping teach.

Key & Access Card Replacement Fees

\$75 Fee - This charge will be billed after the conference for keys not returned at check-out. (MSU must rekey rooms with missing keys immediately after 4-H Exploration Days in preparation for the next conference.)

\$10 Fee - This fee will be billed for any residence hall conference card not returned at check-out.

State 4-H Awards Program

All State 4-H Award delegates will enroll in the 4-H Awards Assembly in their respective award area for the first half of 4-H Exploration Days. Delegates will attend the 4-H Awards Assembly on Wednesday and the State 4-H Awards Recognition Program on Thursday from 8:30-11:00 a.m. at MSU's Kellogg Center Hotel and Conference Center. For more information on the State 4-H Awards Program see page 17.

Housing & Check-In

You will be assigned housing in either Akers, Holmes, Hubbard, or McDonel Halls. Check-in will take place between 8:00 and 11:00 a.m. on Wednesday, June 21. The first meal served will be Wednesday lunch.

What to Bring

Bring personal care products and clothing that is casual but neat and respectable. (See specific dress code information on pg. 20.)

Be sure to wear comfortable walking shoes, because there's plenty of walking involved! (Although flip-flops are comfortable, they are NOT good walking shoes.) Some sessions (particularly in the animal science, crafts, and recreational sports areas) may have other clothing requirements. If you plan to use the pool, bring your swimsuit and an appropriate cover-up to wear when going to and from the pool.

Towels, sheets, pillows, and blankets are furnished. Wash cloths are not provided.

You'll need a small amount of spending money for some recreation activities. You may also want spending money for the snack shops and vending machines in the residence halls.

T-Shirts

T-shirts will be given to all event participants at check-in. (The cost of sizes S–XXL is built into the registration fee; an additional \$5 will be charged for size XXXL.) Extra shirts will be on sale for \$10 each at General Headquarters in the West Akers Lounge after 4:00 p.m. on Wednesday, while supplies last. The extra shirts will be sold on a first-come, first-served basis with no limit per person.

PARTICIPANTS SAY...

Exploration Days has helped me feel confident about college.

-Macomb County

It has opened my horizons to new ideas and career paths in my future.

-Lenawee County

Participant Safety

The physical and emotional safety and well-being of the youth participants at 4-H Exploration Days are high priorities for Michigan 4-H Youth Development and Michigan State University. Please see the Michigan 4-H Youth Code of Conduct and 4-H Exploration Days Rules section (pgs. 20 to 21) for information on measures designed to keep youth participants safe while they're at the event.

The conduct and safety policies and procedures meet or exceed the MSU requirements regarding all programs involving minors. More information about the conduct and safety policies is available on the 4-H Exploration Days website at http://bit.ly/2k76oYO (Responsibilities and Procedures page) and http://bit.ly/2jcw6ah (FAQ page) and from your local Extension 4-H staff. More information about the MSU requirements for programs involving minors is available at http://bit.ly/2jCj2yb.

Participants attend 4-H Exploration Days as part of a county delegation. MSU Extension staff and 4-H volunteers carry out the following processes to ensure the safety and well-being of participants:

- Pre-Event County Orientation Meeting Each participant, along with a parent or guardian, must attend a pre-event county orientation meeting. At this meeting, you'll get a preview of the event, request roommate pairings, meet your chaperones, and find out what will be expected of you while you're on campus. Your local Extension 4-H staff can provide you with the date, time, and location of this important meeting.
- **» Youth and Chaperone Assignments -** All youth participants will be assigned to a specific adult chaperone. There must be at least one chaperone for every ten youth of the same gender.
- **» Whereabouts Schedules -** You and your assigned adult chaperone need to keep each other informed of where you'll be, when, and with whom. All chaperones will post two schedules on their residence hall room doors. One will show the chaperone's schedule. The other will be for you to sign in and out of the recreational activities you attend without a chaperone.
- **» Youth and Chaperone Huddles -** In addition to the county meeting you'll have shortly after arriving at 4-H Exploration Days, you'll have five youth and chaperone huddles throughout the event. These mandatory meetings will give you a chance to touch base with your chaperone after sessions, before and after evening activities, before bedtime, and just before check-out and departure.

» Hosts - Session and activity hosts will provide extra support and assistance throughout the event as needed. You can identify them by their green 4-H vests.

Contact Information & Emergency Procedures

Participant Cell Phones

If you bring a cell phone to 4-H Exploration Days, turn it off during session times so that you can participate fully in the session and don't disrupt the other participants. Please tell your family and friends to limit their calls and texts to you during the event so that you can make the most of your experience.

If There's an Emergency at Home

If an emergency arises at home while you're attending 4-H Exploration Days, a message will be relayed to you and you can use a phone in General Headquarters to return the call. Emergency contact information follows.

- **» From 7:00 a.m. to midnight** call event General Headquarters in West Akers Hall, phone 517-353-2922.
- **>> From midnight to 7:00 a.m.** call the West Akers Hall Service Desk at 517-353-3358. Callers should ask for the 4-H Exploration Days conference director.

If There's a Medical Emergency During the Conference

If you get sick or hurt during 4-H Exploration Days, you or someone with you should contact General Headquarters at 517-353-2922. Your parent or guardian will be contacted immediately using the contact information on the Medical Treatment Authorization form you completed when you enrolled in 4-H (or when you registered for 4-H Exploration Days, if you're not a 4-H member). Messages will be left seeking a return call if there is no answer and the next number will be called.

Depending on the medical concern, your parent or guardian will be asked to determine whether and what level of treatment will be sought during the program or if they wish to delay medical treatment or advice until you return home.

An onsite Nurse's Station will be staffed from 10:30 a.m. on Wednesday to 1:00 p.m. on Friday of the event. This service is available to participants at no charge. If you need health care beyond what the nurse can provide, you will be taken to a Lansing-area health care facility. The cost of treatment will be billed to you or your parent or guardian.

If you have to leave 4-H Exploration Days early for health or family emergency reasons, your parent or guardian is expected to arrange for timely pick up and to incur any related expenses. During the time between when your parent or guardian is notified and arrives with proper identification, you will be separated from program activities and remain under staff supervision.

HOW TO USE THIS BOOK

How to Select Your Sessions

The sky's the limit when you're considering which sessions to take! You don't need to be enrolled in the project or projects of your session choices. Remember that because the content of some sessions could reasonably fall into more than one category, sessions may be listed under slightly different categories than you expect to find them in. So be sure to look through all of the categories! Be sure to watch for age restrictions on some sessions, too. (Remember, your 4-H age is calculated as of January 1, 2017.)

You can attend either one first-half and one second-half session that meet for 5 hours each or one full session that meets for a total of 9 hours. Sessions meet as follows:

WEDNESDAY	THURSDAY	FRIDAY
	● 1st-half	● Full
	8:30-11:00 a.m.	8:15–10:45 a.m.
	● Full	
	8:45–11:15 a.m.	8:30-11:00 a.m.
Noon		
• 1st-half	● Full	
1:30-4:00 p.m.	1:15-3:15 p.m.	
• Full	3 2nd-half	
1:45–3:45 p.m.	1:30-4:00 p.m.	

The session numbering system will help you easily identify the type of session (first-half, second-half, or full) you're looking at.

((,,,)			
Session Numbers	Session Type		
100 to 157	First-half sessions		
200 to 266	Second-half sessions		
300 to 311	Full sessions		
500 to 528 half sessions	First-half sessions repeated as second-		
600 to 628 sessions of same name	Second-half sessions same as first-half		

900 to 918 4-H Awards Assembly Categories

You can easily identify duplicate first-half and second-half sessions this way: Numbers in the 500s are assigned to first-half sessions that are repeated as second-half sessions. Numbers in the 600s are assigned to second-half sessions that are repeats of first-half sessions. For example, first-half session 519, Beginning Model Rocketry, is the same as second-half session 619, Beginning Model Rocketry.

It's okay to list the same first-half/second-half session as part of the same choice (first choice, second choice, and so forth). For example, you may list both 501 and 601 as your first choice for both first and second-half sessions. However, you will be assigned to either 501 or 601, not both.

To make your session choices, read through the session descriptions and use the small boxes in front of the descriptions to check off the ones that interest you the most. (Remember, you don't have to be

enrolled in the 4-H project area of the sessions in which you enroll for 4-H Exploration Days.) Be sure to check for session fees, age restrictions, and equipment and dress requirements.

You may even want to create your own worksheet to keep track of your choices. Make three columns on a sheet of paper and label the columns as shown:

1st-half	2nd-half	Full
Number/Title/Page	Number/Title/Page	Number/Title/Page
135/Chamber Music/12	258/Drone Discovery/16	309/Sailing/14

After you've listed all of the sessions that appeal to you, review them again to narrow your choices.

How to Register

Turn to the Registration Form on page 22. Indicate your first through eighth session choices on the form. (You can also download and print pdf copies of the forms from the 4-H Exploration Days website at http://bit.ly/2k7lM7H.) The following directions will help you fill out your Registration Form. You must also submit a signed Authorization Form (on pg. 23). (Sections 1 through 4 are required for youth participants; sections 1 and 4 for adults).

- 1. Print neatly, completing the entire form.
- 2. You can mix full and half sessions in your list of choices, but be careful! Be sure to list a first-half and a second-half session when selecting half sessions. Don't list a full session in the same choice with a half session.

EXAMPLE

Choice	1st-Half AND 2nd-Half		OR Full
lst			310
2nd	105	618	
3rd	514	223	

3. Be sure to make eight choices. We encourage you to register early, because sessions are filled on a first-come, first-served basis, and some fill very quickly! Electronic registration from local MSU Extension offices begins March 14, 2017. The deadline for returning your Registration and Authorization Forms to your local MSU Extension office varies (it's typically the end of April). Contact the 4-H staff in your local MSU Extension office for more information on 4-H Exploration Days and for your county's registration deadline.

Your local Extension 4-H staff will confirm with you the session or sessions in which you are officially enrolled. If none of your session choices is available, they will work with you to make alternate choices. Remember that you must attend all of the meetings of the sessions in which you are enrolled.

SESSION DESCRIPTIONS

ANIMAL & VETERINARY SCIENCE

Most sessions in this section involve working around animals or in animal health care or feed processing facilities, where good management, safety, and biosecurity practices require appropriate footwear. That means no open-toed shoes will be allowed.

O 1ST-HALF

■ 100. Blueprint for a Successful Swine Project

Pick up tips and tricks for a successful show season. You'll learn about swine management, care, nutrition, and fitting and showing. No open-toed shoes will be allowed. Age II and up.

■ 101. Bouncing Into Bunny Basics

This interactive session is for those just starting a 4-H rabbit project. You'll learn basic information about rabbit care and how to choose a breed. No open-toed shoes will be allowed. Age 11 and up.

■ 102. Dairy Reproduction & Artificial Insemination

Learn about reproduction in dairy cattle, including their anatomy and physiology, the reproductive cycle, and hormones. You'll also learn the basics of artificial insemination, from heat detection to semen handling. No open-toed shoes will be allowed. Age 14 and up.

☐ 103. Embryology: 21 Amazing Days in the Life of a Chicken

Have you ever wondered what happens in the 2l days a chick spends growing and developing inside the egg? In this hands-on, interactive session you'll learn the parts of an egg, how to candle an egg to observe the embryo's daily changes, proper incubation techniques, and much more! Age ll and up.

■ 104. Fundamentals of Livestock Nutrition & Management

This is a basic introduction to beef, sheep, and swine nutrition and management. Learn about nutrition and discuss goals and objectives for raising high-performing cattle, sheep, and swine through handson and interactive methods. No open-toed shoes will be allowed. Age ll and up.

■ 500. Introduction to Competitive Horse Judging

This interactive session will be led by members of MSU's champion-ship horse judging team. You'll learn basic judging guidelines, how to judge halter and performance classes, and how to prepare and deliver oral reasons. No open-toed shoes will be allowed. Age II and up.

■ 105. Make More Money at the 4-H Livestock Auction

Raising a 4-H project animal is exciting! But what will it cost? Learn a clever way to calculate what you'll likely spend to buy, raise, and care for a project animal. In this hands-on session, you'll learn about opportunity costs and ways to increase the price your project animal brings at a 4-H livestock auction. Age 11 and up.

106. Meat Goats: From Selection to Show Ring

Meat goats are becoming increasingly popular as a 4-H project. Learn tips and techniques for choosing, managing, fitting, and showing meat goats in this hands-on session. No open-toed shoes will be allowed. Age II and up.

■ 107. Veterinary Diagnosis: Case by Case

Focus on actual veterinary cases in this session. You'll diagnose animal health problems and develop action and treatment plans for them.

You'll also tour the MSU Diagnostic Center for Population and Animal Health. Age 14 and up.

☐ 108. What's Hiding in Your Pasture? Investigating Plants Toxic to Horses

This fun, interactive session will focus on some of the dangers lurking in your horse's pastures. Learn about equine pasture management and how to prevent toxic plants in your pastures. No open-toed shoes will be allowed. Age ll and up.

■ 501. Working With K-9 Search & Rescue Dogs

Explore the world of K-9 search and rescue (SAR) dogs, including the air, scent, wilderness, human-remains detection, disaster, and trailing specialties, with certified and in-training SAR dogs. Learn how to choose, train, and test SAR dogs, and discuss scent theory, field support, and other topics. Age ll and up.

O 2ND-HALF

■ 200. Be a Disease Detective

Learn how real disease detectives figure out what might be making a group of people or animals sick. In this hands-on session, you'll learn who disease detectives are, how they work, and what they do to keep us and our animals safe and healthy. No open-toed shoes will be allowed. Age 11 and up.

201. Biosecurity On & Off the Horse Farm

In this hands-on session you'll pick up tips and discover tools to help you keep your horses happy and healthy on the farm, at horse shows, and on the trails! Be prepared to work around horses – no open-toed shoes will be allowed). Age 11 and up.

■ 202. Blueprint for a Successful Beef Project

Pick up tips and tricks for a successful show season. You'll learn about market and breeding cattle management, care, nutrition, and fitting and showing. Be prepared to work around cattle – no open-toed shoes will be allowed). Age 11 and up.

■ 203. Blueprint for a Successful Sheep Project

Pick up tips and tricks for a successful show season. You'll learn about market lamb and breeding stock management, care, nutrition, and more. Be prepared to work around sheep – no open-toed shoes will be allowed). Age 11 and up.

■ 204. Dairy Field Rep in Training

Dive into a hands-on session about proper milking technique, milk-quality guidelines, equipment cleaning, and the "Grade A Everyday" method of dairy farm inspections. Age 14 and up.

205. Dairy Goat Judging

If you've ever wondered what the judge is looking for when you're showing your dairy goat, then this session is for you! Learn the basic principles of evaluating a dairy goat, and preparing and delivering a set of oral reasons in a judging contest. Age 11 and up.

■ 206. Decoding Dairy Cow Behavior

Why do dairy cows do the things they do? Learn about the evolution of domesticated cows, find out how a cow experiences the world, and observe the behavior of live cows. Be prepared to work around cattle – no open-toed shoes will be allowed). Age 11 and up.

In this exciting, hands-on session, you'll learn how to increase happiness in heeling, tricks for warming up, and techniques for training your dog to perform at higher levels of obedience. Examples include "drop on recall," taking and retrieving dumbbells, broad-jump recall, and the start of "go-outs." Age II and up. 208. Equine Behavior & Welfare Learn the basics of equipe behavior and how horse-farm management.

Learn the basics of equine behavior and how horse-farm management affects overall welfare. Discover exciting, hands-on activities with horses on the field trip! Age 11 and up.

209. Everything Cavy

Learn more about cavy fitting and showing, nutrition, and general management in this fun, hands-on session. Expert cavy breeders will teach you the ins and outs of owning and caring for your cavy, and how to spark interest in your county 4-H cavy program. No opentoed shoes will be allowed. Fee of \$5 is payable through your local MSU Extension office. Age 11 and up.

■ 210. Goats Galore: Fitting & Showmanship

Getting your goat in proper show condition, fitting it properly, and putting your best foot forward in showmanship are only the tip of the iceberg! In this hands-on session, you'll experience fitting various breeds of goats and dialing up your showmanship skills Age 11 and up.

211. Hopping Into Advanced Rabbit Raising

Learn about rabbit care, delve into the history of several rabbit breeds, and find out how to recognize the symptoms of various rabbit diseases. This interactive session is for rabbit project members who already have some basic rabbit knowledge. No open-toed shoes will be allowed. Not for beginners. Age 11 and up.

☐ 600. Introduction to Competitive Horse Judging

Same description as first-half session 500.

■ 212. Introduction to Livestock Judging

Focus on the basics of judging beef, sheep, and swine in this hands-on session. No experience necessary! Learn about taking useful notes and delivering oral reason so you can compete effectively in market and breeding animal judging contests. Consider attending a fun, optional practice on Thursday evening to train for the Friday morning contest. No open-toed shoes will be allowed. Age 11 and up.

213. Poultry Management

Don't miss this exciting introduction to the 4-H poultry project! You'll learn about the various breeds of birds, common poultry terms, how to pick a show bird, and much more. No open-toed shoes will be allowed. Age II and up.

■ 214. Poultry Showmanship

In this exciting, hands-on session, you'll learn and practice proper poultry fitting and showing techniques. No open-toed shoes will be allowed. Age II and up.

■ 215. Rabbit Judging Basics

From beginner to advanced, you'll learn more about judging rabbits in this hands-on session. American Rabbit Breeders Association (ARBA) judges and registrars will present judging techniques for each rabbit body type. You'll use the *ARBA Standard of Perfection* as a guide in judging a variety of rabbit classes. No open-toed shoes will be allowed. Age II and up.

■ 216. Rabbit Showing: Can You Handle It?

Learn through demonstrations and hands-on experience how to train rabbits for fitting and showing. Pick up tips that can make or break your performance, learn how and what to study, and about breed identification. Ask the experts whether you can win if your rabbit is misbehaving on show day and all of your other questions. No opentoed shoes will be allowed. Age 11 and up.

217. Therapy Dogs & More

Community service is an important component of 4-H. In this session you'll use your "hands for larger service" as you learn the ins and outs of training and owning a therapy dog that can assist people in many different settings. Age 11 and up.

■ 218. Working Sled Dogs

In this introduction to sled dogs, you'll learn about sled dog types and their care and history. You'll explore sled dog race types and regulations, and learn about a variety of other dog-powered sports. Watch an equipment demonstration and a brief display of a sled dog's power. No open-toed shoes will be allowed. Age 11 and up.

☐ 601. Working With K-9 Search & Rescue Dogs

Same description as first-half session 501.

• FULL

300. Lions & Tigers & Bears, Oh My!

Do large and exotic species amaze you? Learn how modern zoos are working to protect endangered species. Visit Lansing's Potter Park Zoo, learn from the zoo staff, and see some of the most interesting animals. Fee of \$17 is payable through your local MSU Extension office and covers zoo admission and refreshments. Age 11 and up.

BUSINESS & ENTREPRENEURSHIP

O 1ST-HALF

■ 109. Five Principles of Marketing Your 4-H Livestock

Explore how the five Ps of marketing (product, price, place, promotion, and people) affect selling your project livestock. Learn the basics of these principles through an exciting game that demonstrates how various marketing factors can produce a higher or lower break-even price for the sale of your animal. Age II and up.

■ 110. Lemonade Stands as Serious Business

Want a quick and easy way to make some cash? Explore starting, owning, and operating your own lemonade stand. Learn how to name, market, and price products, and leave with a plan to fund your summer fun. Age 14 and up.

■ 111. Life on a Dairy Farm

Discover the many aspects of living and working on a dairy farm in this session. You'll hear about the dairy industry, changes on dairy farms, and careers in dairy-related fields. Then you'll play "Life on a Dairy Farm" to learn more about being a dairy farmer. You'll also learn about MSU's dairy-related academic programs. Age 11 and up.

2ND-HALF

219. Beat the Competition: 4-H Livestock Marketing

Grow the potential profit of your 4-H livestock projects! In this session you'll learn about a variety of marketing and communication strategies that will give you a leg up on your competition. During a field trip to the MSU Beef Teaching and Research Center you'll examine two different livestock systems. Age II and up.

220. Reality Farm

Get ready to roll the dice on the reality farm game to see if your simulated 4-H project animal makes as much money as your real-life livestock project. Is farming in your future? Discover how record books can help you develop a business plan and a career path. Age 13 and up.

• FULL

■ 301. Turning Ideas Into Products

During this action-packed session, you'll create a new product using techniques that encourage innovative thinking. Then you'll develop a product prototype, create a marketing campaign, and promote your business idea in a product-pitch competition. You'll also tour a local business incubator site to further explore how to create products from your ideas and launch a business. Age 12 and up.

CAREERS

O 1ST-HALF

☐ 112. Future Docs

Investigate the career opportunities in the exciting field of osteopathic medicine in this interactive, hands-on session. Learn about osteopathic manipulative medicine, suturing techniques, and how to use various medical instruments. You'll interact with osteopathic physicians and medical students. Age 14 and up.

■ 113. Michigan State University: A Great College Choice

Maximize your opportunities for admission to the college of your dreams. Hear practical advice from an MSU admissions officer, including tips for taking the ACT and SAT, and information about college-preparation strategies. You'll also take a walking tour of campus. Age 14 and up.

① 2ND-HALF

■ 221. Emergency Services Careers: Is One for You?

Join firefighters, paramedics, emergency-room nurses, and canine officers to learn about the dynamic field of public safety, including basic fire science, how to fight forest fires, and how to conduct rescue procedures. Learn to operate rescue equipment such as the "Jaws of Life," spray a fire hose, and climb an aerial ladder. You must wear long pants and closed-toe shoes on Friday's field trip. Age 13 and up.

222. The Global Workforce Career Challenge

Discover or improve your skills and go global! Challenge yourself to prepare for college and your career by taking advantage of opportunities around the world. Learn the different ways to participate in international activities to help build your network and skills for the future. Ages 14 and up.

223. Marketing Mayhem

How do businesses get you to buy their products and services? How do major companies make millions through marketing? If you're interested in the business of marketing, advertising, and promotion (including marketing yourself for a job) this session is for you. Learn the tricks of the marketing trade from experts – how artwork,

PARTICIPANTS SAY...

placement, packaging, and promotion spin a sale. Prepare to take on the challenge of marketing your hometown, 4-H, or yourself. Age ll and up.

• FULL

☐ 302. Résumés & Portfolios That Work: Are You Ready to Interview?

Discover what employers are looking for in résumés and portfolios. Create a résumé and Shortfolio (short portfolio) while you learn to communicate about all of the life skills you've gained through your 4-H, work, school, and volunteer experiences. Participate in mock interviews with professionals, get feedback about answering difficult questions, and learn how to make a positive first impression. Age 14 and up.

CARING FOR KIDS

O 1ST-HALF

☐ 114. Babysitting & Caring for Kids

Whether you babysit for others, are thinking about a career working with young children, or take care of your siblings, come learn the basics of caring for kids, keeping them safe, and using positive discipline techniques. Have a great time and leave with lots of information and ideas. Age 11 and up.

☐ 115. Keeping Kids Engaged & Having Fun

Learn to use fun, games, art, music, crafts, and snacks to keep children in your care busy and entertained. In the first half of this session, you'll work as a team to plan age-appropriate activities for young children. In the second half, you'll take a field trip to a childcare center to try out your ideas with young children. Age 11 and up.

O 2ND-HALF

■ 224. A Career Caring for Kids

If you're thinking about pursuing a career caring for young children, this session will be perfect for you. You'll visit local childcare centers to learn about how they operate and about career opportunities in childcare and child development. Work directly with young children and find out what it takes to pursue a career in this field. Age II and up.

■ 225. Making Stories Come Alive for Kids

Reading with and to kids is fun and important for the listener and reader. Learn about the importance of reading and prepare some great early reading activities for children. You'll read stories, make puppets, do crafts, and try new games. You'll also make snacks and discover how to link the kids' snacks with the activities you've led them in. You'll get a book to take home, too. Age ll and up.

CITIZENSHIP, LEADERSHIP & SERVICE

1ST-HALF

■ 116. Leadership in a Zombie Apocalypse & Beyond

Learn how different personality types affect leadership styles and group contributions. You'll work as a team through an amazingly fun, hands-on simulated zombie apocalypse to help maximize your leadership potential. You'll also met with members of the Michigan 4-H Sate Youth Leadership Council to learn about leadership opportunities in Michigan 4-H. Age ll and up.

117. Michigan Government & History Tour Michigan's Capitol (including the House and Senate galleries) and learn more about state government. Guides will provide informa-

and learn more about state government. Guides will provide information about the building and the legislative process. You'll also tour the Michigan Historical Museum and explore how Michigan has changed over the past 200 years. Age 11 and up.

☐ 118. Political Leadership in Your Club, County, State, Country & World

Learn about the dynamic state and local government systems in Michigan and find out how to make your community a better place. Tour government facilities and learn more about how you can make a difference today and in the future. Age Il and up.

■ 119. Teen Court & the Juvenile Justice System

Participate in an interactive presentation with law professionals about the juvenile justice system and learn about law-related careers. You'll receive training for Teen Court peer jury duty and participate in a mock Teen Court accountability hearing in the MSU School of Law Moot Courtroom. Age 14 and up.

■ 120. Teen Social Justice League

Learn about the principles of social justice in this session, and how to build and exercise your super powers of critical thinking, skillful communication, and compassionate action. You'll also discover how you can help create solutions to the cultural, social, economic, and environmental issues in your community. Age 13 and up.

O 2ND-HALF

■ 226. Backpack to Adventure as a Youth Global Leader

Positive leaders motivate, inspire, and create an atmosphere in which it's possible for all members of a group to contribute ideas and work together to achieve their shared goals. You'll work in a group to design a duct tape sculpture and learn about four common leadership styles. Find out what it takes to be a youth leader in our closely connected world through fun group activities about character, citizenship, communication, creativity, and culture. Age II and up.

■ 227. The Hungry Games

You've probably heard the famous saying from *The Hunger Games*: "May the odds be ever in your favor." Katniss Everdeen's world faced great oppression and severe food shortages that were played up in the annual hunger games that pitted teens against each other for the prize of a year's worth of food for everyone in their district. Join us in this session as we explore issues within the U.S. food system using discussions, role-plays, obstacle courses, and more. Age 14 and up.

■ 228. Hungry Planet: Feeding 9 Billion People

Every night, almost 1 billion people go to bed hungry. How will we feed everyone in the year 2050, when the world population is expected to top 9 billion people? Explore different perspectives on the global food security problem in this session. You'll also visit the Greater Lansing Food Bank and learn about opportunities in science and agricultural careers. Age 11 and up.

■ 229. Power of Youth Decision-Making

According to a 2011 Search Institute study, only 25 percent of young people in the U.S. feel valued by adults. Youth-adult partnerships balance the enthusiasm and fresh ideas of young people with the experience and wisdom of adults. This session provides practical strategies for increasing youth engagement in decision-making in 4-H clubs, committees, and beyond. Youth participants will build their confidence and adult participants will build their understanding of youth leadership. Age 11 and up.

• FULL

303. The Good, the Bad & the Legal System

Citizens of the United States have many freedoms and rights, but also many responsibilities. In this exciting, hands-on session, you'll tour the State Capitol and the Michigan State Police Training Academy. You can also test your multitasking skills in the Michigan State Police driving simulator. (Texting while driving, anyone?) Age II and up.

CLOTHING & TEXTILES

1ST-HALF

■ 121. 4-H Project Runway

You'll start this session with a team project to see what you can create with limited materials in just one hour, then show off your creations on the runway. The second day, you'll use your tees and the recycled fabric and trim that is provided or that you brought to design and create an individual project. Bring your imagination and three T-shirts (new or old), a pair of sharp scissors, a roll of duct tape, and (optional) recycled fabric and trim. Age II and up.

■ 502. Creative Clothing & More

Bring two white or light-colored, washed T-shirts to create your own design with spray tie-dyeing. Have an old T-shirt that you just can't say goodbye to? Bring that along and recycle it into a fashionable scarf. You'll also enjoy making a bracelet. Fee of \$15 is payable through your local MSU Extension office. Age 11 and up.

■ 122. Locker Hooking

Discover how to use locker hooking to transform your leftover fabric scraps into beautiful bags, rugs, cushions, and more. Learn the technique by making a hot plate pad. Locker hook, canvas, and fabric scraps will be provided. You may also bring your own fabric. Age II and up.

■ 503. Sew Your Own MSU Spartan Pillowcase

Make your own standard-sized MSU Spartan pillowcase for your bed! It's great fun to make and you'll learn basic sewing skills while you work. No sewing experience is required and supplies will be provided. Fee of \$5 is payable to your local MSU Extension office. Age 11 and up.

O 2ND-HALF

☐ 602. Creative Clothing & More

Same description as first-half session 502.

■ 230. Dyeing With Plants

Find a rainbow of color in natural dyes made from plants. Learn which plants produce dyes, the properties of a good dye, and how to dye fiber. Discover how to get color out of your backyard plants or even from plants you find in the grocery store. You'll dye silk scarves and learn various *shibori* (tie dye) techniques. Fee of \$5 is payable through your local MSU Extension office. Age 11 and up.

■ 231. Fashion Illustration

Learn how to draw your clothing ideas like a fashion designer and explore how to dress a fashion figure with your own designs. Adding color will be the final step in creating your own fashion illustration. Please bring clothing ideas and any colored pencils, markers, and watercolor media you have at home. Age 11 and up.

☐ 603. Sew Your Own MSU Spartan Pillowcase

Same description as first-half session 503.

• FULL

☐ 304. Learn to Sew

If you're interested in learning to sew, this is the session for you. You'll learn about sewing tools, choosing fabrics and patterns, and sewing techniques while you make several fun projects. Sewing machines will be provided but if you bring your own you'll learn more about it. Fee of \$5 is payable through your local MSU Extension office. Age II and up.

COMMUNICATIONS

O 1ST-HALF

■ 504. American Sign Language 1

Experiment with another language and learn the basics of communicating with individuals who have hearing impairments. Learn finger spelling, basic motions, songs, and games in American Sign Language (ASL). Participants who want more experience may also enroll in American Sign Language 2 (session 231). Fee of \$5 is payable through your local MSU Extension office. Age 11 and up.

O 2ND-HALF

☐ 604. American Sign Language 1

Same description as first-half session 504.

232. American Sign Language 2

If you have some knowledge of ASL and want to improve your skills, sign right up! Finger spelling skills and some vocabulary (words and phrases) in ASL are required. "Graduates" of American Sign Language 1 (session 504) are welcome. Fee of \$5 is payable through your local MSU Extension office. Age 12 and up.

233. Poetry Slam

Poetry is an expression of the soul. Learn the basic poetry genres and explore poetry throughout history from William Shakespeare and Edgar Allan Poe to Maya Angelou and Shel Silverstein. You'll also write and share your own poems. Prepare yourself to be the next poet laureate. Age 11 and up.

234. Produce Your Own TV Show

Television and video production are exciting, fast-paced, and growing career options that offer many opportunities for learning, creativity, and fun! Learn how to use basic production equipment and produce your own show. Age 12 and up.

■ 235. Public Speaking for Future Rock Stars

Want to make a great first impression and keep the good karma flowing? Overcome any fears of public speaking you may have and learn to present yourself as a future rock star. Learn to assess, prepare, and apply communication models to different public-speaking situations, personal relationships, job interviews, business, and life! Age 14 and up.

ENVIRONMENTAL EDUCATION

O 1ST-HALF

■ 505. Birds of a Feather

Experience the thrill of bird life and learn how these feathery creatures live and adapt to human changes and environmental challenges. Find out what ornithologists do, check out various bird habitats, and discover ways to support bird life at home. You may even help capture and band birds. Fee of \$5 is payable through your local MSU Extension office. Age 11 and up.

☐ 506. A Bug's World

Discover the tremendous diversity of the insect world! In this session you'll collect and preserve insects as you explore how they live and why they're important to our world. You'll spend time outside in bug habitat learning to identify insects and finding out about their anatomy and habits. Age 11 and up.

☐ 507. Fishing Basics: Tips & Tricks for Beginners

Interested in learning more about fishing? Join us for a fun-filled session full of fishing wisdom. You'll learn about everything from rods and reels to line, hooks, and bait, and pick up more fishing tips and tricks than you can imagine. You'll spend time outside practicing casting using the new fishing rod that you'll take home (along with a small tackle box and tackle). Fee of \$15 is payable through your local MSU Extension office. Age 11 and up.

O 2ND-HALF

☐ 605. Birds of a Feather

Same description as first-half session 505.

☐ 606. A Bug's World

Same description as first-half session 506.

☐ 607. Fishing Basics: Tips & Tricks for Beginners

Same description as first-half session 507.

FULL

☐ 305. From the Lake to the Pan & Everything in Between

In this session you'll learn everything you need to catch, clean, and cook the big ones. Volunteers and their friends from the Mid-Michigan Steelhead and Salmon Fishermen's Association will help you learn how to make lures, discover tips and techniques for catching fish, and take you fishing. After that, you'll learn how to clean, cook, and even eat the fish you catch. Bring your own fishing rod, and if you're age 17 and up, bring your Michigan fishing license. Age 12 and up.

FOLKPATTERNS

O 1ST-HALF

■ 508. Goat's Milk Soap Making & More

Make three batches of goat's milk soap, each with a different scent, and a few other yummy scented items such as lip balm and lotion. Then package these products and take them home to share with your family. Fee of \$6 is payable through your local MSU Extension office. Age II and up.

☐ 123. Knitting Traditions

Explore the different knitting styles and patterns of various ethnic and cultural groups, with an emphasis on Norwegian and French-American styles. You'll learn to knit, and if you already know how, you'll learn new stitches and patterns. Start a small project to take home. Fee of \$5 is payable through your local MSU Extension office. Age II and up.

O 2ND-HALF

■ 236. The Art of Cheesemaking

Making cheese is an ancient tradition, and cheeses vary enormously from country to country and even region to region, depending on culture, technique, and available ingredients. Explore the history of cheese, sample a few varieties from different cultures, and try making simple cheeses you can easily prepare at home without a lot of special equipment. Fee of \$5 is payable through your local MSU Extension office. Age II and up.

■ 237. Finding Fun in Your Family Tree fun in the kitchen with your friends, make your own tasty snacks and Learn about your family tree and how to research your own history. drinks, and show off your chef skills at home! Age 11 and up. You'll go home with the beginnings of a family tree and skills for 240. Day at the Spa continuing your research. Bring a thumb drive for storing your family tree discoveries. Age 11 and up. ☐ 608. Goat's Milk Soap Making & More Same description as first-half session 508. office. Age ll and up. ■ 238. Historic Barn Architecture

Unbelievable as it may seem, during this session you'll raise an authentic one-quarter-sized, scale-model, timber-frame barn. Historic barns appear in the rural landscape, but how long will they be there? You'll learn to identify different types of barn architecture so you can be an advocate for historic barn preservation in your community. Age II and up.

FOOD, NUTRITION & FITNESS

O 1ST-HALF

■ 124. Cooking With Class

Work with a classical chef at Cowles House, the official home of the president of MSU! Learn cooking secrets while preparing and sampling a variety of exciting foods. Age 11 and up.

■ 125. Healthy Snacking

Find out what makes a drink or snack a healthy choice. You'll also participate in fun, physical activities and learn to prepare quick, healthy drinks and snacks. Age 11 and up.

■ 509. MSU Bakery Days

Are you an aspiring baker ready to expand your skills? Spend time in the MSU Bakery where you'll learn the secrets of beginning bread making. And while the dough is rising, you'll learn how to decorate cakes and cookies so beautifully that you almost won't want to eat them! Age 11 and up.

☐ 126. Put It Up

In this hands-on session you'll learn different ways to preserve food and practice preserving food to enjoy later. You'll also explore ways to showcase your great food preservation projects at your county fair. Age II and up.

■ 510. Relax & Stretch With Yoga

Yoga is a joyful blend of stretches, dynamic movement, breathing, relaxation, meditation, and games. It increases strength and flexibility, stimulates creativity, and teaches a healthy lifestyle. Wear comfortable clothing and bring a yoga mat if you have one. Also bring a towel and your own filled water bottle and enjoy a unique and uplifting experience. Age 11 and up.

■ 127. Safety & Self-Defense

Learn streetwise techniques to boost your self-defense confidence. Bring your questions about safety and self-defense, and learn from self-defense experts. Age 11 and up.

☐ 511. Vegetarian Cooking

Learn about vegetarian cooking and nutrition. You'll have lots of fun making and tasting vegetarian dishes for breakfast, lunch, dinner, and snacks. Age 11 and up.

2ND-HALF

■ 239. Cooking Matters

Learn about healthy eating, how to shop for foods at the grocery store, and how to prepare simple, nutritious recipes. You'll learn to have Learn to make luxurious spa treatments such as scrubs, foot polish, luscious lip balms, and lotions using common household ingredients. Bring something to tie your hair back and prepare yourself for pampering. Fee of \$5 is payable through your local MSU Extension

☐ 609. MSU Bakery Days

Same description as first-half session 509.

Find Macedonia and experience its cultures, foods, customs, and language in this hands-on session. Learn cultural celebrations, history, music, crafts, and more! Age 11 and up.

① 2ND-HALF

241. Drum Beats of Africa: Languages & Cultures of **Africa**

Get introduced to the cultures, languages, and traditions of Africa in this hands-on session. Hear stories about Ghana and learn crafts, music, dance, foods, history, and much more! Age 11 and up.

242. Exploring Asia in a Nutshell

Experience Asian cultures, foods, customs, and languages in this hands-on session. Learn music, cooking, history, crafts, cultural celebrations, and more! Age 11 and up.

243. Guten Tag! German Language & Cultures

Experience German cultures, foods, customs, and language in this hands-on session. Meet 4-H'ers who speak the language and hear their stories. Learn cultural celebrations, history, music, crafts, and more! Age II and up.

■ 244. A Taste of Indian Cultures: Follow the Spice Trail

Learn about the cultures of India and use your senses to explore the spices, fruits, and vegetables of Indian cuisine. You'll follow simple recipes to create a few healthy and delicious dishes that introduce you to the flavorful world of India! Take a tour of a store that sells Indian food and visit a Hindu temple. Age 11 and up.

MONEY MANAGEMENT

O 1ST-HALF

■ 132. Coin Collecting for Fun & Profit

Do you realize that many people walk around with an art gallery in their pockets? That's right: Coins represent art – and history, too! Since ancient times, money has been the one thing that has motivated royalty, presidents, governments, and you and me. Join us to learn about coin collecting for fun and profit! Age 11 and up.

■ 133. Keys to My First Car

Hoping to buy a car or truck someday? Discover what you can do now to prepare yourself and your wallet. Learn how to make a smart car choice, save money for a down payment, get a car loan, and get the best deal on auto insurance. Start planning now to make your dream of vehicle ownership a reality! Age 12 and up.

■ 134. Money Smart Investing for Teens

Want to be a millionaire? You can do it! Learn the steps to financial freedom in this investing seminar designed especially for teens. Fun, hands-on activities will help you understand what investing is all about. Age 13 and up.

O 2ND-HALF

245. Cash Scene Investigation (CSI)

Do you have what it takes to survive in the world of money? Complete the game stations to see whether you'll be a victor against credit reports and scores, checking accounts, ID theft, fraud, and credit and debit cards. Age Il and up.

246. Real-World Spending Without Real-World Risk

Want to try your hand at making real-world money decisions without the risk of using real-world money? Play an interactive, fun simulation that explores the ins and outs of making money, using debit cards, and writing checks. YOU get to make the choices about where to spend your money and how you want to live! Age II and up.

OUTDOOR ADVENTURE

The sessions in this section involve physical activity and are held outdoors. We strongly recommend that you bring a filled water bottle and sunscreen, and wear suitable clothing and footwear, including socks, to each meeting of the sessions in this section. If you've enrolled in one of these sessions, you'll receive a reminder letter before 4-H Exploration Days if you need to bring specific items.

O 2ND-HALF

■ 247. Staying Unlost With Map, Compass & GPS

Knowing where you are is the best way to stay unlost. Hands-on activities will help you learn basic compass and map-reading skills. You'll use GPS (Global Positioning System) receivers for a geocaching treasure hunt. Age 11 and up.

• FULL

■ 306. Canoeing Up the River With a Paddle

Canoeing can be peaceful and a whole lot of fun. Learn how to paddle from the front and back seats of the canoe. Practice your skills in a small area and learn to maneuver a canoe; later head out for a daylong trip on a Michigan river. Not for those who've taken this session before. Fee of \$15 is payable through your local MSU Extension office. Age 13 and up.

☐ 307. Kayaking

Kayaking is a great way to get outdoors and exercise your upper body. Learn kayak paddling and safety techniques. Practice your new skills in a small area and then head out for a daylong trip on a Michigan river. Not for those who've taken this session before. Fee of \$15 is payable through your local MSU Extension office. Age 14 and up.

■ 308. Rock Climbing & Other Adventures

Learn to rock climb and about the equipment, basic techniques, safety precautions, and interpersonal skills you'll need for the challenges ahead in this climbing activity. You'll climb at one of the top indoor climbing facilities in the country. Then, follow that with climbing-related activities and exciting adventure games. Not for those who have taken this session before. Fee of \$20 is payable through your local MSU Extension office. Age 14 and up.

PERFORMING ARTS

O 1ST-HALF

☐ 135. Chamber Music

Have the chance to play in and learn about small groups known as chamber ensembles. Learn to build teamwork and strengthen your musicianship! Bring an instrument of your choosing. Recommended for those who have either taken lessons or played their instruments in school ensembles for at least two years. Age 14 and up.

☐ 136. Songwriting

Even Mozart and the Beatles had critics. But most of us would agree that they wrote some pretty spectacular music. So what is it that sets their work apart from the crowd? In this session, you'll analyze the works of famous musicians throughout history to try to identify just that; then apply what you've discovered to your own songwriting. Age 14 and up.

2ND-HALF

248. Drama: Build Youth Leadership Skills Through the Arts

Learn fun and exciting ways to express your leadership skills through the arts. You'll develop a service learning project, express yourself through interactive theater, complete fun and character-building activities, and put together a small theater production you can duplicate in your county. Age 11 and up.

■ 249. Music as a Business

Making great music alone isn't enough to keep most musicians afloat anymore. You must also understand the basics of business, accounting, entrepreneurship, copyright law, recording and post-production work, marketing, and advertising. In this session you'll find out how and where you can learn to juggle all of these tasks and still have time to make the music you love. Age 14 and up.

PERSONAL LIFE SKILLS DEVELOPMENT

O 1ST-HALF

☐ 137. Community Service & You

Putting your life skills to work can be lots of fun! You'll develop and use decision-making, problem-solving, creativity, communication, and teamwork skills in this hands-on session. Age 11 and up.

☐ 138. Make Your Character Count

How would your best friend, teacher, or parents describe you? Participate in lots of hands-on activities to learn how trustworthy, responsible, fair, caring, and respectful you can be. As a person, a student, a professional, a citizen, or whatever role you play now and may in the future, character is important. Make yours count! Age ll and up.

■ 139. Michigan 4-H State Awards: How to Get Started

This session is your road map to the 4-H State Awards Program. A 4-H State Award is the highest honor a Michigan 4-H'er can receive. The awards application and interview process will strengthen your writing and speaking skills and capture a record of the other life skills you've learned in 4-H. You'll wind up well prepared to dazzle future employers and college admissions folks with your résumés, applications, and interviews. Age ll and up.

O 2ND-HALF

■ 250. Duct Tape Your Way to Life Skills

This session will be hands-on fun from the minute you walk through the door. You'll use duct tape to create a variety of things, all while honing your creativity, teamwork, communication, decision-making, and problem-solving skills. Fee of \$5 is payable through your local MSU Extension office. Age 11 and up.

251. Making Decisions That Matter

Who shall I ask to the dance? What do I get Mom for her birthday? Which car should I buy? Shall I get a new phone now or later? We make decisions every day, some simple, some not. You can learn to make good choices by practicing decisions such as what flavor of ice cream to order, what phone to buy, and where to go on vacation. Age 13 and up.

PLANT SCIENCE

1ST-HALF

■ 140. Fun With Floral Design

Have fun learning about flowers and use your creativity to design fresh flower arrangements like the pros. Learn a few tips and tricks to make your flowers extraordinary. Take two arrangements home. Fee of \$10 is payable through your local MSU Extension office. Age 11 and up.

■ 141. International Garden Chefs

Using the garden as your pantry, you'll create cuisine from around the globe. Explore the 4-H Children's Garden and enjoy tasty garden treasures. Your taste buds will be tingling with delight. Fee of \$5 is payable through your local MSU Extension office. Age 11 and up.

O 2ND-HALF

252. Fairy Gardens

Build your own fairy garden to take home. Plant a fairy garden and decorate it with fences, paths, benches, a gazing ball, and other fun

fairy furnishings. Discover how to make these tiny treasures from things found in nature. Learn how to care for and build furnishings to change your garden with the seasons so you can enjoy it all year. Fee of \$10 is payable through your local MSU Extension office. Age 11 and up.

253. Getting to the STEM & Root of Root Beer

In this delicious session, you'll explore the microbiology and chemistry of brewing root beer. Make root beer, learn about fermentation, learn about states of matter, and enjoy root beer floats. Learn about the science behind aerobic and anaerobic fermentation and cellular respiration, which are used to make our root beer! Age 11 and up.

RECREATIONAL SPORTS

Many of the sessions in this section involve physical activity and are held outdoors or in a hot gymnasium. We strongly recommend that you bring a filled water bottle to each meeting of the sessions in this section. Also, if the sessions are held outdoors, remember to bring sunscreen and wear suitable clothing including footwear and socks, as appropriate.

1ST-HALF

■ 512. Basketball Skills for Fun & Recreation

Dribble, shoot, pass, and run, run, run! Whether it's 3-on-3, 4-on-4, or on a full 5-person team, you'll play ball. This session will focus on recreational, not competitive, play. Bring a filled water bottle and wear court shoes. Age 11 and up.

☐ 513. Checkmate

Capture the king! Don't be a pawn in the time-honored game of chess – pastime of kings, queens, and commoners across the globe. Learn the basic rules and game strategies, and play lots of chess. Age II and up.

☐ 142. Disc Golf

Head out to the MSU disc golf course for a flying-disc game. No, this isn't playing catch with a Frisbee – it's a sport of precision and accuracy that's played in about 40 countries around the world. Bring a filled water bottle and wear closed-toe athletic shoes. Age 11 and up.

☐ 514. Ice Skating

Learn more about recreational ice skating in this skates-on session. Tour an area sports complex and learn about sports management careers. For people of all ice skating skill levels. Remember to bring socks to wear with your skates (required) and lightweight gloves (optional). Fee of \$15 includes skate rental and is payable through your local MSU Extension office. Age 11 and up.

■ 515. In-Line Skating

Go fast and far! See MSU on wheels through the fast-paced sport of in-line skating (Rollerblading). No beginners, and you must be able to skate three to five miles each day for this session. Bring your own equipment (skates, socks, helmet, knee and elbow pads, wrist supports, and a refillable water bottle) or you can use equipment provided by the session instructor. Fee of \$10 is payable through your local MSU Extension office. Age 11 and up.

PARTICIPANTS SAY...

Extremely fun! I enjoyed all my sessions.

-Benzie County

☐ 143. Junior Quidditch "You're a wizard, Sparty!" The worlds of Harry Potter and 4-H will collide when you join MSU Quidditch Club members on the pitch and play a full-sided game of quidditch, complete with a snitch! Muggle quidditch is already a club sport at more than 200 U.S. colleges and universities, and the game even has its own Collegiate World Cup. Ages 11 to 13 only. ■ 144. Line Dancing Learn the latest in line dancing! This beginner's class is a fun way to learn skills you can teach to others. Sign up for a great time dancin' to a variety of upbeat and fun tunes! Bring a filled water bottle and wear tennis or comfortable shoes. Age 11 and up. ☐ 516. Pickle-ball Learn to play Pickle-ball, a fun game with a silly name that has nothing to do with pickles. Pickle-ball players hit a lightweight, perforated plastic ball across the lower-than-usual net of a badminton court with wood or composite paddles. Beginners can have fun learning the game, while experienced players can enjoy a fast-paced, competitive version. Tennis or court shoes required. Age ll and up. ■ 517. Run for Your Life Why should you run? For health, for fun, for you! Learn about the basics and benefits of running. Diet, proper breathing, running form, and more will be covered. Instructors will develop an individualized training and workout schedule to help you achieve your running goals. Wear comfortable running clothes and shoes, and bring a filled water bottle and a towel. Age II and up. 145. Senior Slow-Pitch Softball Swing through 4-H Exploration Days - enjoy the All-American sport of softball. Learn softball rules and strategies, and experience the thrill of swinging the bat and running the bases. Tour a local baseball park. More experienced participants will be encouraged to help beginners learn the sport they've come to love. Remember to bring your softball glove, sunscreen, and a filled water bottle! Age 14 and up. ■ 518. Volleyball for Fun & Recreation Learn basic volleyball techniques, improve your skills and strategies, and focus on teamwork in this noncompetitive, fun session. Dress comfortably. Court or tennis shoes and a filled water bottle are required. Age 11 and up. ☐ 146. Zombie or Zippy Meetings & Activities - You Decide! Ready to breathe some life into your next 4-H meeting or event? Learn communication techniques that will help get everyone in your group interacting. Come prepared to zip around, get to know one another, and take ideas and activities back to your 4-H club or group. Age 11 and up. **O 2ND-HALF** ☐ 612. Basketball Skills for Fun & Recreation Same description as first-half session 512. ☐ 613. Checkmate

VISUAL ARTS & CRAFTS

1ST-HALF

■ 525. 4-H Life Skills & Painting

Enjoy and learn about the science of painting, painting techniques, and how to apply life skills to painting projects. This colorful life-skill learning and painting project can easily be adapted to use with 4-H club or group activities. Age 11 and up.

■ 153. Advanced Basketry: A Large Useful Basket

Apply your basketry skills in a whole new way! When complete, your basket will have a variety of embellishments. You must have taken a basketry session previously or have the equivalent experience. Fee of \$7 is payable through your local MSU Extension office. Age II and up.

☐ 526. Beginning Drawing

Experiment with graphite and colored pencils to create realistic drawings. Discover how the principles of drawing (including design, composition, shading, perspective, and color) come together to create memorable art. Explore nature, portrait, and still life drawing. This session is for beginning drawers only. Age 11 and up.

■ 527. Beginning Leathercraft

Use your creativity, leather-tooling stamps, and a swivel knife to decorate two 5-inch by 7-inch pieces of tooling leather. Learn to prepare leather for tooling, use leather dyes, and finish your work. Using simple stitching, you can turn your leather into many useful items, from notebooks to ornaments. No previous experience needed. Fee of \$10 is payable through your local MSU Extension office. Age 11 and up.

☐ 154. Holiday Ornaments From Around the World

Make a variety of ornaments, such as a Polish star, a German star, and one or two others, using fabric, paper, and sequins. Bring fabric scissors or pinking shears. Age ll and up.

■ 155. Iris Paper Folding

Iris paper folding is a fun way to make beautiful greeting cards or wall hangings that has nothing to do with origami or iris flowers. The craft, involving layering strips of paper to create amazing designs, has endless possibilities. This is a fun craft for you to take back to your 4-H club or group. Bring scissors. Age 13 and up.

■ 156. Not Your Grandmother's Tie Dye

Explore tie dye in a whole new way. You'll use newly developed methods and products to make old and faded T-shirts, hoodies, sweatshirts, pillowcases, canvas bags, or socks new and colorful. Bring at least three prewashed, new or used cotton articles to transform. Fee of \$5 is payable through your local MSU Extension office. Age II and up.

■ 528. Tin Punching

Tin punching is a type of metal work that has been used around the world for centuries to decorate masks, picture and mirror frames, candle holders, and for other forms of relief crafts. (A *relief* is a design that is raised from the background.) You'll learn tin punching techniques and how to decorate your craft piece with paint and objects such as buttons, shells, and glitter. Age 11 and up.

☐ 157. Wood Yard Decorations & Birdhouses

Create your own yard decoration and birdhouse. You'll use basic woodworking skills and tools to make and assemble two items: one

to add interest to your yard or garden and one to provide a nesting box for songbirds. Fee of \$5 is payable through your local MSU Extension office. Age 11 and up.

O 2ND-HALF

☐ 625. 4-H Life Skills & Painting

Same description as first-half session 525.

■ 262. Beginning Basketry: A Small Useful Basket

Learn the very basics of basket weaving, including recognizing the right and wrong side of the reed and twining, and make your own round-bottomed muffin basket to take home. These baskets are a simple design without handles or complicated patterns, which means they're perfect for the new basket weaver! Once you learn the basics, you can make many different baskets following simple instructions. Fee of \$5 is payable through your local MSU Extension office. Age 11 and up.

☐ 626. Beginning Drawing

Same description as first-half session 526.

■ 627. Beginning Leathercraft

Same description as first-half session 527.

■ 263. Cards for All Celebrations

You'll learn a variety of techniques to create greeting cards for all of the celebrations in your life. You'll make shaker cards, 3-D cards, and traditional stamped cards. Just bring your creativity. Age ll and up.

■ 264. Fun With Food Art

Use your creative culinary skills to turn food into beautifully presented art. Try fruit and vegetable carvings, chocolate-dipped items, fun afterschool snacks, and fancy ways to spruce up a simple food for play. This is a great session for all ages and includes take-home samples! Fee of \$7 is payable through your local MSU Extension office. Age II and up.

265. Glass Etching

Learn how to etch glass with your own sports, flower, animal, or abstract designs – whatever you can imagine. You'll transfer the design to a glass surface, then apply a chemical that etches only the glass surface to create your masterpiece – a magnificent glass mirror to take home. Bring a design no larger than 8-inches by 10-inches. Fee of \$5 is payable through your local MSU Extension office. Age 11 and up.

■ 266. Junk & Fine Art Journaling

Create a journal of creative and artistic ideas using a recycled, hard-covered book of any size, recycled-found objects, and different art techniques. You can use just about any art style and media in your journal. Fee of \$9 is payable through your local MSU Extension office. Age ll and up.

628. Tin Punching

Same description as first-half session 528.

FULL

■ 311. The Ancient Art of Quilling

Quilling, also known as paper filigree, is the art of rolling narrow strips of paper and then shaping them into exquisite creations. Projects can range from simple gift tags and cards to pictures, jewelry, 3-D models, and box decorations. Age 13 and up.

STATE 4-H AWARDS PROGRAM

(If you are not a State 4-H Awards delegate, you can skip the rest of this page!)

All 4-H State Awards applicants will be notified by March 10 if you have been selected as a delegate for the State 4-H Awards Program. All delegates will register for 4-H Exploration Days; write in your award area for your first-half session and your choice of potential second-half sessions on the Registration Form on page 22. Award delegates may not sign up for or help with 4-H Exploration Days full or first-half sessions.

You must fully participate in both days of the State 4-H Awards Program. Absence from any part of the two days makes you ineligible to be a state winner.

All State 4-H Award delegates will attend the 4-H Awards Assembly on June 21. Following the Awards Assembly, senior division and group award delegates will participate in interviews. Junior division delegates will participate in the junior leadership program.

State 4-H Award winners will be announced at the State 4-H Awards Recognition Program from 8:30 to 11:00 a.m. on Thursday, June 22, at MSU's Kellogg Center Hotel and Conference Center. The program is open to State 4-H Award delegates and ticket holders only. Each State 4-H Award delegate will be allowed to purchase tickets for \$5 for up to two invited guests. Directions for ordering tickets will be sent to delegates in May.

For more information about the State 4-H Awards Program, including how to participate in the program, visit: http://bit.ly/2gPaLoU.

You must register for the State 4-H Awards Program (and the second half of 4-H Exploration Days) by completing the Registration Form on page 22. You must also complete the Authorization Form on page 23. Be sure to sign up for the three-digit award recognition area for which you've been selected as your first-half session. Remember to sign up for a second-half 4-H Exploration Days session for Thursday afternoon and Friday morning, too. The list of individual and team award categories follows.

Award Recognition Areas

\Box	900. Beef Science
	901. Biological Science
_	

lue 902. Birds and Poultry Science

☐ 903. Civic Engagement

904. Communications and Expressive Arts

905. Companion Animal Science

☐ 906. Consumer and Family Science

\Box	907	Dairy	Science

- ☐ 908. Environmental and Earth Science
- ☐ 909. Equine Science
- 910. Goat Science
- ☐ 911. Healthy Lifestyles
- ☐ 912. Leadership and Personal Development
- ☐ 913. Plant Science
- ☐ 914. Rabbit and Cavy Science
- ☐ 915. Sheep Science
- ☐ 916. Swine Science
- ☐ 917. Technology and Engineering

During the State 4-H Awards Program, you will:

- **»** Have opportunities for personal and leadership growth.
- » Develop communication, networking, and interviewing skills.
- Interact with other award delegates, sponsors, and industry leaders
- **»** Be recognized for your growth and accomplishments.
- **»** Participate in live interviews (senior division delegates and group award delegates).
- **»** Participate in an elite leadership development program (junior division delegates).

Schedule

The State 4-H Awards Program schedule is slightly different from the Wednesday and Thursday schedule for 4-H Exploration Days participants. You'll receive a copy of the State 4-H Awards Program Schedule during the State 4-H Awards Assembly.

PARTICIPANTS SAY...

It has helped me become more comfortable meeting new people and presenting my ideas.

-Lapeer County

This trip teaches me everyday skills. [I also] like working with groups and managing social anxiety.

-Menominee County

JOURNEY TO

ADULT OPPORTUNITIES & ROLES AT 4-H EXPLORATION DAYS

4-H Exploration Days is a youth development conference. Adults should attend the event to provide for the physical and emotional safety and well-being of the youth participants and to help create a rich learning experience for them. Adults should not attend solely for their own personal growth and development. Each adult is needed to serve as a session host, activity host, instructor, session helper, or county conference assistant (CCA), in addition to the role he or she plays as a staff member or volunteer chaperone for a county delegation. The only exceptions to this are bus drivers and adults with disabilities that prevent them from taking on one of these support roles. These adults should be the only ones registered as "Other Adults" on the Registration Form. Adults are expected to abide by the 4-H Volunteer Code of Conduct, the event rules, and all other university regulations in order to attend 4-H Exploration Days. You must read and complete Sections 1 and 4 of the Authorization Form and submit it with your Registration Form to participate in the event.

CCA Role & Training Information

Each county must have one male and one female CCA to oversee the county delegation. Multicounty supervision is encouraged for counties bringing fewer than 10 delegates of either sex. CCAs receive free meals and lodging during the conference. They are not required to arrive early, but may choose to do so.

CCAs serve as a communication link between 4-H Exploration Days General Headquarters staff and all members of the county delegation. They work closely with the assigned residence hall's Head Conference Assistants (HCAs). CCAs also serve as go-to people for all chaperones, share information, provide assistance as needed, and coordinate the activities of the county delegation.

Online training will occur before 4-H Exploration Days to prepare CCAs to fill their roles effectively. The training will include brief online movies, interactive quizzes, and a recorded online webinar. E-mail and a hard-copy mailing will be sent to CCAs in late May with information about their responsibilities and links and directions to

online training sites. CCAs will also touch bases with the HCAs in their assigned residence halls when they arrive at the event to receive additional information.

For more information please visit the CCA Responsibilities Section of the 4-H Exploration Days website at http://bit.ly/2k76oYO.

Host Roles (Session & Activity Hosts)

Chaperones and field staff who do not serve as CCAs, instructors, or helpers should mark the session host or activity host roles they prefer on the adult-use-only section of the Registration Form. Session and activity hosts provide extra support by taking attendance, answering questions, and helping as needed. If each of the nearly 400 adults who attend this event each year takes on just one of these support roles, there will be more than enough people to fill every assignment. Your support and cooperation are deeply appreciated!

Activity Hosts - Some of the activities for which hosts are needed (such as overseeing shuttle bus traffic) happen each day and in each time frame. Others (such as overseeing ice skating attendance and verifying the count) happen on a single day and in a single time frame. On the adult host section at the end of the Registration Form, you can rank your preferred times and activities.

Session Hosts - Each session will have an adult session host. Whenever possible the host will be an adult participant already registered for that session. Sessions without adult participants will be given an at-large session host (that is, an adult who is not already an assigned session participant, but who is willing to be a session host).

Host assignments will be made at the end of the registration process based on the activities for which adults have volunteered. Adults who did not submit host choices and are not serving as CCAs, instructors, or helpers will be assigned to roles not requested by others. Host assignments will then be confirmed in late May directly with those assigned. Each local MSU Extension office will also receive a summary of the host assignments for all of its adults.

DID YOU KNOW...

In 2016, 4-H Exploration Days participants reported that they had developed the following life skills as a result of attending the event:

- > 93% Managing their time
- » 93% Following through and completing tasks
- » 93% Adapting to new living arrangements
- » 94% Accepting people who are different from them
- » 93% Making decisions and choices
- » 92% Being independent
- » 91% Socializing and making new friends

4-H Exploration Days evaluation data, August 2016

Other Opportunities at MSU

4-H Exploration Days is just one of many pre-college programs Michigan State University offers.

For information about many other pre-college programs at MSU, visit MSU Spartan Youth Programs online at *spartanyouth.msu.edu*.

DID YOU KNOW...

4-H alumni are more likely to go to college than their same-age peers in 90 percent of Michigan counties.

National Student Clearinghouse StudentTracker Michigan 4-H data, 2012–2014; U.S. Census Bureau, American Fact Finder, Table B14004, 2009-2013 ACS 5-Year Estimates.

Recreational Opportunities

Choose from a variety of attractions to visit on the beautiful MSU campus during late afternoon and evening on Wednesday and Thursday. Details will be listed in the 4-H Exploration Days Activity Guide provided at the event. The possibilities include:

» Abrams Planetarium

Take in a narrated sky show to learn about the stars and planets.

» Eli and Edythe Broad Art Museum

This world-class museum provides innovative educational and creative art, including interactive exhibits to help visitors learn about the modern art on exhibit.

» 4-H Children's Garden

Experience the many themed gardens within the world-famous 4-H Children's Garden.

» MSU Animal Teaching and Research Centers Tour

Travel by bus to visit the MSU dairy, horse, or beef facilities.

» MSU Bikes

Rent a bike while on campus to see more and get around faster! Have problems with your own bike while here? Fast repair services available.

» MSU Dairy Store

See where MSU makes its very own ice cream and cheese, and consider buying a yummy snack while you're there.

» MSU Museum

Explore the animals, cultures, crafts, and much more on display at MSU's very own museum.

» National Superconducting Cyclotron Laboratory

Tour one of the world's top nuclear research facilities, where particles are smashed at up to half the speed of light, to learn how stars made the nuclei in your body.

» Swimming

Swim with others from your county delegation in MSU's Olympic-sized outdoor pool.

During your leisure time at 4-H Exploration Days you can also bowl, shoot pool, dance, ice skate, swim, and more!

For more information visit the 4-H Exploration Days website at

http://bit.ly/1PaxPEl

or contact your local 4-H staff. You can also download pdf copies of the Registration and Authorization Forms from the 4-H Exploration Days website.

MICHIGAN 4-H YOUTH CODE OF CONDUCT & 4-H EXPLORATION DAYS RULES

This section outlines the Michigan 4-H Youth Code of Conduct and the 4-H Exploration Days Rules. (There is a slightly different version of the Code of Conduct for 4-H volunteers.) All participants, volunteers, and staff members are expected to abide by the code of conduct, the event rules, and all other university regulations in order to attend 4-H Exploration Days. You must read, sign, and submit the Authorization Form with your Registration Form before you will be allowed to participate in the event.

If signed copies of your Michigan 4-H Code of Conduct, Media Release, and Medical Authorization Forms already exist within 4HOnline, or if paper copies are on file at your local MSU Extension office for this program year, you don't need to complete another set. Check the appropriate box in section 4 of the Authorization Form to indicate the forms are on file. Those signed forms will then be made available to the appropriate staff.

Michigan 4-H Youth Code of Conduct

Participation in Michigan 4-H programs is subject to the observance of the program rules. Any participant who knowingly violates this code of conduct is subject to discipline, up to and including removal from the activity he or she is participating in (at his or her own expense) or from the entire county 4-H program. Determination of disciplinary action shall be done with input from the volunteers and staff overseeing the program or activity. Final decisions about discipline will be made by the MSU Extension staff. Michigan 4-H members will:

- **»** Show respect for, and cooperate with, other members, volunteers, and staff.
- ➤ Follow 4-H policies and procedures when participating in any 4-H-sponsored event.
- **>>** Under no circumstances, commit or threaten violence toward any individual, group, or the program.
- **»** Under no circumstances, possess, sell, or consume alcohol, to-bacco, or any controlled substances at an MSU Extension 4-H youth activity or event.
- **>>** Under no circumstances, attend or participate in an MSU Extension 4-H youth activity or event under the influence of alcohol and/or controlled substances (including tobacco and electronic cigarettes).
- **»** Under no circumstances, bring dangerous or unauthorized materials (such as fireworks, explosives, weapons, or similar items) to an MSU Extension 4-H youth activity or event.
- > Abstain from hazing, harassing, or bullying another participant, volunteer, or staff member (either in face-to-face interactions, through social media, or using other communication avenues), particularly when the behavior is based on a person's appearance, race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status, veteran status, or other protected category under the University's Anti-Discrimination Policy.
- Not cheat or falsely represent efforts related to 4-H project activities.

4-H Exploration Days Event Rules

Participants at 4-H Exploration Days are expected to abide by the event-specific rules that follow.

General Rules

- Wear your name badge visibly at all times (except when swimming or sleeping).
- ➤ Actively participate in program sessions and a variety of afternoon and evening activities.
- **»** Treat all areas of the facility and grounds with respect and pick up after yourself. Repair costs for damage incurred to property will be billed to those responsible. Theft and vandalism are strictly prohibited.
- >>> Remember that you are responsible for your own belongings. Leave your valuables (such as expensive clothing, jewelry, and electronic devices) at home. We recommend labeling your belongings with your name. If you lose anything, check with the Lost and Found station at each residence hall 4-H Information Center. 4-H Youth Development is not responsible for any lost or missing items. You will be charged a fee if you lose your room key or access card.
- Abstain from inappropriate sexual behavior including sexual harassment, sexual assault, sexual abuse, or intimate physical or sexual contact.
- **»** Do not use cameras and other digital recording devices in locker rooms, restrooms, showers, and other areas where privacy is expected.
- **»** Do not leave the program grounds except for field trips arranged as part of the program under the supervision of event staff.
- » Do not gamble for money or for any other items or behaviors.
- **»** Refrain from yelling out of windows, removing window screens and leaning out of windows, or sitting on window ledges. Close your blinds when dressing and after dark.
- **»** Refrain from running in residence halls and classroom hallways.
- **>>** Use of roller skates, in-line skates (such as Rollerblades), and scooters is restricted to sidewalks. Users of these devices may not use bike paths, parking ramps, buildings, gardens, or any other posted area, or go on any roadway except while crossing a street within a crosswalk.
- **»** Dress appropriately for the program schedule. Unacceptable attire includes clothing that:
 - Exposes undergarments or excessively exposes the body (such as cropped, low-cut, or extremely tight shirts, tube tops, short-shorts, or excessively baggy or extreme low-rise pants).
 - Conveys a violent, offensive, or obscene message or image.
 - Promotes use of an illegal substance.
- **>>** Wear shirts and shoes in eating areas. Wear swimsuits only for swimming and not as regular clothing. If wearing your swimsuit to and from the pool, cover it with an over-garment or cover-up.

Housing Policies & Regulations

The policies and regulations listed in this section cover curfews, visitors, and housing assignments. The housing assignment policy conforms with the Michigan 4-H Youth Development Youth-Adult Overnight Housing Policy, which is online at http://bit.ly/2iNXdaL.

Curfew

You must be in your residence hall by 11:00 p.m. and in your assigned room by 11:15 p.m. Quiet time starts at midnight. CCAs will do room checks each night at 11:15 p.m. to ensure that you're in your room. If you want to go to sleep before 11:00 p.m., let your chaperone know so that you can be checked in before the official room check time.

You must keep your assigned room once assignments have been made and keys and conference cards issued. Unapproved changes make it difficult to contact you in emergencies and at bed check time.

Visitors

Event Participants of the Opposite Gender – Housing areas are designated either "females only" or "males only." Participants are not allowed in the opposite housing areas. The only exception is if your county's meeting that is scheduled for shortly after check-in on Wednesday has to be held in a study lounge on a housing floor. If this applies to your county, a chaperone will gather participants of the opposite gender in the residence hall lobby and escort them to and from the housing floor study lounge.

Guests Who Aren't Event Participants – You may not have visitors during 4-H Exploration Days who are not associated with the event.

Housing Assignments

Roommate assignments are made at the county level in early June, usually at the pre-event county orientation meeting. Let your county staff know if there's a specific person from your county you'd like to room with. (Note: Requests to room with someone from another county cannot be honored. All participants – youth and adult – must be housed with the county delegation that submitted their registration and payment.)

Males and females are housed separately, and in general, youth participants will be housed with other youth participants and adult participants with other adult participants.

Any youth aged 18, 19, or 20 at the time of the event must not be housed with or share bathrooms with younger, unrelated youth unless he or she has completed a background check, which includes a reference check and a criminal history check. Local MSU Extension staff are responsible for ensuring that this background check is completed before the event.

An adult chaperone may share a room with unrelated youth participants only if at least two minors are assigned to the room. No child who is unrelated to an adult chaperone will share a room alone with an adult. Each chaperone will have been through the MSU Extension Volunteer Selection Process and completed a background check before the event.

A parent or guardian should review and sign the Overnight Housing Permission Form (see section 3 of the Authorization Form). If the form is not signed, the youth participant will be assigned to a room only with other youth under age 18.

Consequences for Misbehavior

Youth Participants

If you misbehave seriously enough during 4-H Exploration Days that your parents or guardians need to be involved, they will be contacted either by you – while under the supervision of the event program staff – or directly by the program staff. Your parents or guardian will be informed of what has happened and what the follow-up action will be. The possible consequences include that you are:

- **>>** Given a second chance, with a clear understanding of the behavior expected from you.
- **»** Dismissed immediately from the event at your parent or guardian's expense.
- » Prohibited from participating in other MSU programs.
- **»** Turned over to the appropriate law enforcement authority.

If you are dismissed early from 4-H Exploration Days, your parent or guardian is expected to arrange for timely pick up and to incur any related expenses. During the time between when your parent or guardian is notified and he or she arrives on campus with proper identification, you will be separated from the program activities and remain under staff supervision. In extreme circumstances, you may be turned over to local authorities during the wait time before pick up occurs.

Adult Participants

Disciplinary action can range from a discussion and verbal warning to immediate dismissal from the event. If inappropriate behavior continues after behavior expectations have been reviewed with the adult participant and a warning has been issued, the adult will be asked to leave the event immediately at his or her own expense and arrangement. The offending adult may also be prohibited from being involved with other MSU programs. If a law violation is involved, the adult will be turned over to the appropriate law enforcement authority.

The program coordinator will work with other staff as needed to find a replacement for the offending adult in his or her role at the event (such as an instructor or chaperone)

DID YOU KNOW

4-H Explorations Days participant survey results for 2016 showed that the program increased their interested in and readiness for college in the following ways:

- » 94% plan to attend college.
- » 88% said the program better prepared them for college.
- » 87% said the program made them excited to go to college.
- » 87% gained awareness of career and job possibilities related to their skills and interests.

4-H Exploration Days evaluation data, August 2016

4-H EXPLORATION DAYS REGISTRATION FORM

Parental approval is required for youth under age 18 to participate in 4-H Exploration Days activities.

This form, along with the Authorization Form and deposit, must be completed and returned to your **local MSU Extension office** before anyone – youth or adult – can participate in the event. (See Cost section on page 3.)The registration deadline may vary from county to county (it's typically the end of April), but don't wait – **some sessions fill quickly** on a first-come, first-served basis. Please type or print clearly.

(ALL youth and adults attending the event must sign.)

I expect my child to abide by the Michigan 4-H Code of Conduct and 4-H Exploration Days Rules. I understand that if my child does not do so, I may be asked to pick up my child early.

(Parent or legal guardian's signature)

Date			
Date			

SECTION 2 - PARENT/GUARDIAN CONSENT (required for all youth participants)

I hereby grant permission for (print participant's name)

to participate in all educational and social activities of 4-H Exploration Days 2017 sponsored by Michigan State University Extension's 4-H Youth Development.

I understand that some sessions take field trips and that some sessions, campus facility tours, and other recreation activities have special risks. I have read the session descriptions and approve of my child's session selections. I accept any risks associated with their assigned session(s) and selected recreational activities.

I will make a note of any special needs or health concerns on the Personal Data Sheet that is collected at the county pre-event orientation meeting or at another time designated by the county.

Name of Parent/Guardian **or** of participant aged 18 and up (please print):

Signature:	Date:	

SECTION 3 – 4-H OVERNIGHT HOUSING PERMISSION FORM

I understand that my child may be sharing lodging with an unrelated adult (21 or older) who has been through the MSU Extension Volunteer Selection Process, and with at least one other young person. By signing this form I give my permission for my child to attend this event under these lodging conditions.

Date			

SECTION 4 - 4-H MEDIA AND MEDICAL RELEASE FORMS

ALL youth and adult participants attending the event must check the appropriate box below to indicate whether they have completed the 4HOnline enrollment process:

- \square Yes, I have completed the 2016–17 4HOnline enrollment process.
- ☐ No, I have NOT completed the 2016–17 4HOnline enrollment process. (If you answer "no," you must contact your local Extension 4-H staff to complete the 4HOnline enrollment process.)

ADULTS:
Please
remember to
sign up for host
roles on page
24.

4-H EXPLORATION DAYS HOST REGISTRATION CHOICES

Adults who attend 4-H Exploration Days must serve as either a session host or an activity host if they are not serving as CCAs, session instructors, or session helpers. (Many CCAs, instructors, and helpers also double as session or activity hosts!) If each of the nearly 400 adults who attend this event each year takes on just one of these support roles, there will be more than enough people to fill every assignment. For more information on adult roles at this event, please see the "Adult Opportunities and Roles at 4-H Exploration Days" section on page 18.

Please rank at least four choices if you sign up to be an activity host. Some of the activities (such as overseeing shuttle bus traffic) happen each day and in each time frame. Others (such as overseeing attendance and verifying the participant count at Abrams Planetarium) happen on a single day and in a single time frame. When making

activity host selections, think first about which day and time period you would prefer to host, then select your preferred activities. (You may wish to coordinate this with other adults from your county so that you don't all choose the same days and times.)

Detailed information about your assigned host role will be mailed to you in early June. There will also be a host orientation at the beginning of 4-H Exploration Days.

PARTICIPANTS SAY ...

It makes me excited to go to college. I liked staying in the dorms and eating in the cafeterias.
