Projects listed with “BULLETS” are Lapeer County Project Medals from which you may choose to nominate a youth. For informational purposes, when youth choose to apply for State Awards, projects in BOLD AND UNDERLINED are also offered as Michigan State 4-H Awards. For example, “Beef” is the Lapeer County Project Medal and “[Beef Science]” would be the corresponding State 4-H Award category. This will make it easier for youth to complete a State Award Application, when they choose to do so. A complete listing of 4-H State Award categories can be found at: http://4h.msue.msu.edu/awards_scholarships/4-h_recognition_program under the Overview and Instructions for the Mark of Excellence and State 4-H Awards Program.
