Please respond to all of the following questions. Additional pages may be added, but you must pay strict attention to maximum word counts. [Application deadline: March 30, 2017.](#)

1. Please list any natural resource, conservation or community service organizations you belong to and any elected or appointed local government positions you hold or have held (100 words max.).

2. How would you define the term "leadership"? (100 words max.)

Lake and Stream Leaders Institute

Class of 2017

3. Why are you interested in participating in the Lake and Stream Leaders Institute? (200 words max.)

4. Describe your involvement in any lake, stream, or watershed projects or programs (200 words max.)

5. How did you hear about the Lake and Stream Leaders Institute?

Lake and Stream Leaders Institute

Class of 2017

6. Describe your involvement in a project or program that you helped initiate, implement, and complete. It does not need to be a water-related program. (200 words max.)

7. How would you use the Lake and Stream Leaders Institute experience to promote water resource stewardship? (100 words max.)

If selected to participate in the Lake and Stream Leaders Institute, I commit to pay the registration fee, attend all seminar sessions, complete an Applied Project and prepare a display for the Applied Project poster session at the Institute graduation session.

Signature (typed name acceptable on electronic applications)

Date

Return completed and signed application to Dr. Jo Latimore, MSU Department of Fisheries and Wildlife. Electronic submissions preferred. Email: latimor1@msu.edu. Mail: 480 Wilson Rd. Room 13, East Lansing, MI 48824. Questions? Contact Dr. Latimore at the email address above, or call (517) 432-1491.

Do not send the registration fee at this time.
