Class of 2017

Please respond to all of the following questions. Additional pages may be added, but you must pay strict attention to maximum word counts.

1. Explain your need for scholarship support to participate in the Lake and Stream Leaders Institute. Due to limited scholarship funds, applicants are encouraged to seek support from their employers or organizations, such as lake associations or watershed councils, or consider paying out of pocket, before applying for scholarship support. (150 words max.)

2. Describe any unique or outstanding qualities, experience, or knowledge you will bring to the Lake and Stream Leaders Institute. How will your fellow participants benefit from your participation? (150 words max.)
