SPECIAL ATTRACTIONS

ENTERTAINMENT

The Detroit Circus  
Wednesday, 8–9:15 p.m.  
Wharton Center for Performing Arts

The dazzling performers of the Detroit Circus specialize in high-flying aerial antics on fabric, trapeze, and lyra (aerial hoop), stilt walking and stilt acrobatics, contortion, juggling, feats of mind-bending strength, and acrobalance. They’re joined by a variety of circus sideshow acts, too.

This show is a must for all ages! Don’t miss it!

Name badge required for admission.

4-H EXPLORATION DAYS T-SHIRTS

All participants will receive an event T-shirt at check-in as part of the registration package. Extra shirts available at General Headquarters in the West Akers Hall Lounge while supplies last.

2017 extras – $10 each
Past years’ extras – $3 each
MORE COOL THINGS TO SEE & DO AT MSU DURING FREE TIME

Tour MSU facilities, dance, swim, and more! There are many opportunities to explore the MSU campus during the late afternoon and evening on Wednesday and Thursday. A few examples follow; see the Recreation Activities section (on pages 21 to 24) for details.

- Footballs
- Frisbee flying discs
- Soccer balls
- Volleyballs (nets are set up outside halls)

4-H AWARDS ASSEMBLY PARTICIPANTS MEETING

Wednesday, 12:30–1:15 p.m.
See the schedule and the 4-H Awards Program Activity Guide for more information.

C-140 Akers

GENERAL INFORMATION

PLEASE READ CAREFULLY

1. Staying in a Residence Hall – As you check in, you’ll receive a room key and a conference card, which serves as your meal card and lets you enter your housing floor stairwell and elevators. Linens will be in your room. Blankets are available in your closet or on request. Lock your room each time you leave and keep your key and conference card with you at all times. Return your key and card to your CCA (county conference assistant) when you check out. If these items are not turned in you’ll be billed $75 for the key and $10 for the card.

2. Youth/Chaperone Assignments & Whereabouts Schedules – All youth participants must be assigned to a specific adult chaperone. You must attend all sessions for which you are registered, and your attendance will be monitored. During free time, you need to keep your adult chaperone informed of where you’ll be, when, and with whom. All chaperones will post two “whereabouts schedules” on their residence hall room doors. One will show the chaperone’s schedule. You’ll use the other one to sign in and out of the recreational activities you attend without a chaperone.

You must have a chaperone with you to swim at the outdoor pool at IM Sports West and during the Wednesday evening Wharton Center entertainment.
(If you choose not to attend the entertainment at Wharton Center, an adult chaperone must accompany you at your alternative activity.)

3. Youth/Chaperone “Huddles” – In addition to the county meeting you’ll have shortly after arriving at 4-H Exploration Days, you’ll have five youth/chaperone huddles throughout the event. These mandatory meetings will give you a chance to touch bases with your chaperone after sessions, before and after evening activities, before bedtime, and just before check-out and departure. While counties may adjust the times of the huddles slightly, the official huddle times are:

- Wednesday and Thursday: 4:45 to 5 p.m.
- Wednesday and Thursday: 11 to 11:15 p.m.
- Friday: 11:15 to 11:30 a.m.

4. Hosts – Session and activity hosts will provide extra support and assistance as needed. You can identify the hosts by their green 4-H vests.

Note to Hosts: Pick up your information packet at one of the two 15-minute host orientation sessions at 10:45 or 11:45 a.m. on Wednesday in C-140 Akers Hall.

If you absolutely can’t attend one of these sessions, stop by General Headquarters in the West Akers Hall Lounge any time before 10:30 a.m. or after 12:30 p.m. on Wednesday – before you’re scheduled to serve as a host!

5. Name Badges – You must wear your lanyard and name badge at all times during the conference. (Except when you’re sleeping, showering, and swimming, of course!) Your name badge will admit you to campus activities and identify you as a participant in 4-H Exploration Days.

6. Bed Check – CCAs will do a bed check each night. You must be in your assigned room no later than 11:15 p.m. and must sleep in your assigned room. Under no circumstances may you move without first obtaining permission from your CCA or county staff member. Blinds should be closed when lights are on in the rooms during the evening.

7. 4-H Information Centers – Each residence hall has a 4-H Information Center that is open from 7 a.m. to midnight. Each 4-H Information Center has a lost-and-found station.

- E-192A Holmes Hall, phone 517-432-7700
- N-184 Hubbard Hall, phone 517-884-0635
- W-145 Akers Hall, phone 517-353-2230
- E-180 McDonel Hall, phone 517-353-1018

8. General Headquarters – General Headquarters is located in the West Akers Hall Lounge (phone 517-353-2922). Headquarters is staffed from 7 a.m. to midnight on Wednesday and Thursday and from 7 a.m. to 2:30 p.m. on Friday. If you need help during the night, contact
the West Akers desk receptionist at 517-353-3358, who will connect you with the 4-H Exploration Days program director.

9. Nurse’s Station – A Nurse’s Station is located in apartment 132 Akers Hall (phone 517-353-2228). The Nurse’s Station is staffed at all times from 10:30 a.m. on Wednesday until 1:30 p.m. on Friday. If you get sick or are hurt, tell your CCA and county staff, then report to the nurse. If you need more care you will be taken to:
  • **MSU Olin Health Center** – for those aged 14 and up only (8 a.m. to 5 p.m.).
  • **Area medical facility** – The nurse, 4-H Information Centers, and 4-H Headquarters have contact information and maps.

Victims of life-threatening situations will be taken directly to Sparrow Hospital in Lansing. Phone 911 for an ambulance, then notify your county 4-H staff, CCA or chaperone, and General Headquarters in West Akers Hall at 517-353-2922. Emergency transportation is available from General Headquarters at all times.

You or your parents or guardian will be billed for the cost of hospital treatment.

10. Dining halls – If you’re staying in Holmes or McDonel Hall, you’ll eat in the Holmes dining hall (second floor, enter on west side). If you’re staying in Akers or Hubbard Hall, you’ll eat in the Akers dining hall (second floor, enter either side). Both dining halls are accessible to people with disabilities.

11. Sparty Convenience Stores – The convenience stores in each residence hall will be open from 11 a.m. to 10:45 p.m. on Wednesday and Thursday and from 9 a.m. to 1 p.m. on Friday. The convenience stores sell magazines, toothbrushes, and more.

12. Phone Calls – There are no land lines in the housing rooms and no pay phones in the residence halls. A long-distance-capable phone is available at General Headquarters for emergency use only.

13. Pizza for Evening Snacks – Cottage Inn Pizza will be stationed outside each residence hall between 9 and 10:30 p.m. on Wednesday and Thursday to sell:
  • Medium pepperoni-and-cheese and cheese-only pizzas (6 slices) for $5 each
  • Garlic cheese bread (12 pieces) for $5 each

Orders for additional choices can also be placed with Cottage Inn Pizza at 517-324-4300. You may also call Domino’s Pizza at 517-351-7100 or a different pizza vendor that offers on-campus delivery. If you don’t have access to a phone, you may call in an order from the residence hall front desk phone. The standard tip for pizza delivery is $1 a pizza. All orders must be placed by 10 p.m.

14. Check-Out Procedures and Times – Check-out is from 6:30 to 8:15 a.m. or from 11 a.m. to 1:30 p.m. on Friday. All rooms are to be vacated by 1:30 p.m.
  • Sort and place your linen in the labeled bins in the elevator lobby of your assigned floor.
  • Lock your door when leaving the room.
  • Turn in your key and conference card to your CCA. Missing items will be billed at $75 for each key and $10 for each card. CCAs will turn in all keys and cards at once at the front desk in the main lobby of your assigned hall.
  • Give your evaluation to your CCA.
  • If you need to wait for a ride, check out and wait in the lobby area of your residence hall. Residence halls will be closed and locked at 2 p.m.
15. Conduct Policy Reminder – You agreed to abide by a code of conduct when you enrolled in 4-H, and to abide by the 4-H Exploration Days rules when you registered for the event. Both the code and the event rules are available in General Headquarters. Several key points are printed here as a reminder: Theft, vandalism, the use of alcohol and illegal drugs, and leaving the premises (except for session field trips) are not permitted. Violators will immediately be sent home at their own expense and may not be allowed to attend future 4-H Exploration Days. Those engaged in illegal activities will be turned over to the proper authorities. Repair costs for property damage will be billed to the group or individual responsible for it.

**Use the 4-H Exploration Days App**

If you have an Internet-connected mobile device, you can replace your printed 2017 4-H Exploration Days Activity Guide with the event app. The app works on Android and iOS devices.

1. Visit [https://my.yapp.us/MI4HEXPO](https://my.yapp.us/MI4HEXPO) on your device and follow the instructions on the page.
2. You’ll be asked to install Yapp from the app store (if you don’t have it already).
3. Open Yapp and tap “Download an existing Yapp” and the “MI 4-H Expo Days 2017” Yapp will appear.

You can also view most of the app’s content from a web browser by clicking on the event graphic in the app’s web page.

Finding Your Session Location

Using the map and index – The centerfold map and the index of campus buildings and features (page 12) will help you get around. The map edges have lines of letters (left and right) and numbers (top and bottom) that create the index coordinates. For example, the index shows that Spartan Stadium is near D-6 on the map. Find the letter D’s on the map’s sides, then the number 6’s on its top and bottom. Draw an imaginary line between the two letters and another one between the two numbers. You’ll find Spartan Stadium near where those imaginary lines cross on the map.

Use the interactive MSU map at http://maps.msu.edu/interactive to navigate with a smartphone. For example, type “Berkey Hall” into the search box and that building will be highlighted on the map and its address given. You could then use the map’s wayfinding feature to guide you.

Field Trip Buses – If your session is going on a field trip, look for the field trip bus loading site on your map. It’s near F-11 and marked with an F in a box. All field trips will leave from this location at the scheduled session starting time (unless a different departure time or location is listed).

Arrive at the field trip bus loading area 15 to 20 minutes before your session’s scheduled departure time, because once your bus leaves, there’s no other way for you to get to your session.

Shuttle Buses – Please plan to walk to activities as much as possible. Limited shuttle bus service is provided by MSU buses labeled with bright green “4-H” signs. The centerfold map shows the shuttle route. Shuttle buses stop at the places marked on the map with circled numbers. These are the only places where you can get on and off shuttle buses.

Remember: Look for bus designations and window signs that refer to 4-H, and only board 4-H buses.

Planetarium Show
Abrams Planetarium
Wednesday, 4:45–5:45 p.m. (Arrive from 4:30–4:40 p.m. to be seated)
In “Phantom of the Universe,” you’ll explore dark matter from the Big Bang to its anticipated discovery using the Large Hadron Collider (LHC) at CERN in Geneva, Switzerland. See the first hints of its existence through the eyes of Fritz Zwicky, the scientist who coined the term dark matter. From there explore the astral choreography witnessed by Vera Rubin in the Andromeda Galaxy and then plummet deep underground to see the most sensitive dark matter detector on Earth, which is housed in a former gold mine. Finally, journey across space and time to the LHC to learn how scientists around the world are collaborating to track down the elusive dark matter.
Free

Thursday, 7:30–8:30 p.m. (Arrive from 7:15–7:25 p.m. to be seated)
In “From Earth to the Universe” you’ll leave our home planet and journey to the colorful birthplaces and burial grounds of stars. Then you’ll travel beyond the Milky Way, into the unimaginable immensity of myriad galaxies. You’ll also learn about the history of astronomy and the telescope, and find out how giant telescopes allow us to probe ever deeper into the universe.
Free
Science Experiments
Thursday, 7:30–9:30 p.m.
Near the dance tent behind Hubbard Hall
You don’t need to know all the answers to teach science, you just need an inquiring mind that’s eager to investigate the mysteries of the universe. Come participate in some fun, easy science activities from the Teaching Science When You Don’t Know Diddly-Squat series.
