This document was a response to a variety of legislation such as the Patriot Act and the 2006 Pension Protection Act. Measures such as these required that we modify the policies and procedures for starting and maintaining Michigan 4-H clubs and groups.

Julie Chapin, Michigan State 4-H Leader, and Priscilla Martin, Editor, MSU Extension 4-H Youth Development originally developed this information in 2007 and revised it in 2008 and 2012. Priscilla Martin designed it.

We extend our appreciation to all of the county staff who piloted this document and who have continued to ask insightful questions.

For policy issues, you may contact Julie Chapin by email at chapin@msu.edu or by telephone at 517-432-7608. Contact Priscilla Martin for procedural questions. Her email is pjmartin@msu.edu and her telephone number is 517-432-7635.

Becoming an Authorized 4-H Group

The Authorization Process

All 4-H entities (such as clubs, councils, boards and committees) must go through an authorization process in order to operate under the name of 4-H and receive tax-exempt, nonprofit status with the Internal Revenue Service (IRS). The authorization process consists of three parts:

1. Obtaining an Employer Identification Number (EIN)
2. Receiving a 4-H charter
3. Having Michigan State University certify to the IRS that it is a 4-H entity.

The procedure for becoming a certified 4-H group is illustrated in the following flow chart.

A volunteer who wishes to charter the group completes the “Request for Official Approval to Establish a Michigan 4-H Youth Group.” This form is found on the web in the SharePoint [https://share.anr.msu.edu/CookieAuth.dll?GetLogon?curl=Z2FMSUEZ2FchldnythZ2Fdefault.aspx&reason=0&formdir=6](https://share.anr.msu.edu/CookieAuth.dll?GetLogon?curl=Z2FMSUEZ2FchldnythZ2Fdefault.aspx&reason=0&formdir=6) in the “4-H Staff Only Resources” section in the 4-H Club Charters and Guidelines folder. The group’s official name must include “4-H” (e.g., “4-H Happy Clovers”) so that it is absolutely clear from the group’s name that this is a 4-H group.

The county 4-H staff can assist the individual in completing (or can complete) and filing an SS-4 to obtain an EIN for the proposed group.

Once the EIN is received, the county 4-H staff person:

- Makes a copy of the IRS’ letter for the file.
- Completes the “Charter Order Form,” found in SharePoint on the web at [https://share.anr.msu.edu/CookieAuth.dll?GetLogon?curl=Z2FMSUEZ2FchldnythZ2Fdefault.aspx&reason=0&formdir=6](https://share.anr.msu.edu/CookieAuth.dll?GetLogon?curl=Z2FMSUEZ2FchldnythZ2Fdefault.aspx&reason=0&formdir=6) in the “4-H Staff Only Resources” section in the 4-H Club Charters and Guidelines folder, and either faxes or emails it to the address given on the form.

The State 4-H Office will issue the group’s charter and send it to the county Extension office.

The county 4-H staff person will complete and file the Request form, sign the charter, copy it for the county files and send the original to the group’s contact person.

The State 4-H Office will submit the group to the IRS for certification as a tax-exempt 4-H group.

The State 4-H Office will advise the county 4-H Office staff person that the charter request is incomplete or incorrect and what needs to be done about it.

Becoming an Authorized 4-H Group and Maintaining That Status
Copyright 2012, Michigan State University
In summary, the complete procedure for becoming an authorized 4-H group involves:

- A volunteer’s application to the local county Extension office using the “Request for Official Approval to Establish a Michigan 4-H Youth Group”
- Obtaining an Employer Identification Number (EIN)
- A county 4-H staff person requesting a charter
- The State 4-H Office issuing a charter and submitting the group’s information to the IRS for certification as a tax-exempt 4-H entity

Being an authorized 4-H entity is beneficial because:

- Such duly authorized 4-H entities may use the 4-H name and emblem.
- Authorized 4-H entities are exempt from paying federal income tax on funds raised on behalf of 4-H to support educational programs.
- Donors who contribute to authorized 4-H entities may deduct donations such as gifts, bequests, legacies, devises or transfers under the IRS Code.

### Employer Identification Numbers (EINs)

Once the county Extension office makes the decision to accept a group’s application to become a 4-H entity, the first step in the authorization process is to obtain an EIN for the group.

**What Is an EIN?**

An EIN is the organizational equivalent of an individual’s social security number.

**Which Groups Need to Get an EIN?**

All 4-H groups that need a charter must first get an EIN.

**How Does a Group Acquire an EIN?**

1. The contact person for the group completes, dates and signs an application form (SS-4). This form may be found on the web at [http://www.irs.gov/pub/irs-pdf/fss4.pdf?portlet=3](http://www.irs.gov/pub/irs-pdf/fss4.pdf?portlet=3). Use the sample SS-4 on page 11 to complete the form. This sample explains which questions need to be answered and how to do so.

2. Fax the completed SS-4 form to (859) 669-5760 between 7:30 a.m. and 5:30 p.m. Eastern Time. An IRS representative will use the information on the SS-4 to assign the EIN number. You may also mail the completed SS-4 to EIN Operation, Cincinnati, OH 45999.

3. The IRS will send you a letter with the EIN. Send the original letter to the group and keep the copy for your records.
Charters

What Are 4-H Charters and Why Are They Important?

A 4-H charter, provided by the United States Department of Agriculture (USDA), and signed by the Secretary of Agriculture, the national 4-H leader, the State 4-H leader and the county 4-H program coordinator or supervisor, is the only document that officially recognizes a 4-H group and authorizes its use of the 4-H Name and Emblem for the conduct of 4-H Youth Development programs.

Which 4-H Groups Should Be Chartered?
The chart below contains general information about the kinds of groups that need charters and those that do not. It is important to consider the entire picture, when deciding whether a group needs a charter.

How Does a Group Obtain a Charter?

1. A volunteer who wishes to charter the group must obtain the “Request for Official Approval to establish a Michigan 4-H Youth Group” form from the 4-H program coordinator. The form can be found on the web in the SharePoint https://share.anr.msu.edu/CookieAuth.dll?GetLogon?curl=Z2FMSUEZ2FchldnythZ2Fdefault.aspx&reason=0&formdir=6 “4-H Staff Only Resources” section in the “4-H Club Charters and Guidelines” folder. The volunteer completes the form and returns it to the county Extension office for processing. Remember, the group’s official name must include “4-H” (e.g., “4-H Happy Clovers”) so that it is absolutely clear from the name that this is a 4-H group.

2. After the group obtains an EIN, the county 4-H staff person completes the “Charter Order Form” found in SharePoint on the web at https://share.anr.msu.edu/CookieAuth.dll?GetLogon?curl=Z2FMSUEZ2FchldnythZ2Fdefault.aspx&reason=0&formdir=6 in the “4-H Staff Only Resources” section in the “4-H Club Charters and Guidelines” folder, and either faxes or emails it to the address given on the form.

3. Once the State 4-H Office receives a completed form, it issues a blank charter to the county office along with a copy of the request form.

4. The county 4-H staff person fills in the charters, gives the original to the group leader and makes a copy for the county file.

More Information

For more information about using the 4-H Name and Emblem, visit the National 4-H Headquarters’ web site at http://www.national4-hheadquarters.gov/library/4-Hguidelines-v4-26-04.pdf

Certification of Tax-Exempt Status With the IRS

The third step in the process is the certification of the entity as a tax-exempt 4-H group by Michigan State University. When the chartering process is completed at the State 4-H Office, the group’s information will be forwarded to the IRS. A group is not recognized as an authorized, tax-exempt, 4-H entity until Michigan State University issues a formal certification letter. This means groups cannot raise funds in the name of 4-H prior to receiving their tax-exempt certification letter. If necessary, newly forming groups can begin fund-raising under the tax-exempt status of the county 4-H program until the certification letter is received. In this situation, all fund-raising materials would need to reflect the (your county name) County 4-H Program, not the XYZ 4-H Club, as the fund-raising entity.
Maintaining a 4-H Group’s Tax-Exempt Status With the IRS

There are really only two things necessary for a 4-H group to maintain its tax-exempt status with the IRS. Each year, it needs to report:

1. To the local 4-H Office any changes in its legal name or contact person. The county staff person then faxes, sends or emails that information to the State 4-H Office. The county staff person should also report to the State 4-H Office any group that has dissolved. These changes, as well, as new charter requests, may be sent to the State 4-H Office at any time during the year.

2. Its annual gross receipts to the IRS. For most groups, this means the county 4-H staff person will file a 990-N (e-postcard) for them. Groups with more than $50,000 in annual gross receipts for three consecutive years must file an IRS 990 or IRS 990-EZ form. Due to the forms’ complexity, they should be completed by an accountant. Determining what to file is explained below.

What Will a County Extension Office Need to Know and Do to File an E-Postcard?
The IRS has developed an electronic filing system (there is no paper form) for the e-postcard. To complete the electronic filing requirement, each county Extension office will need to have the following information about all authorized 4-H entities:

- **EIN**
- **Tax year** (do not try to change what appears there)
- Whether your group has dissolved (“terminated” is the word the IRS uses) during the year
- That **gross annual receipts** are less than $50,000
- **Legal name** (as it appears on the charter or on the SS-4 when it applied for its Employer Identification Number [EIN]) which goes on the “DBA name” line
• Other names used (if applicable), a club leader or the president or treasurer of a council, board or committee
• Mailing address (use your county Extension office mailing address)
• Web site address (if applicable)
• Name of principal officer (use the group’s principal contact, a club leader or the president or treasurer of a council, board or committee)
• Principal officer’s address (use your county Extension office mailing address)

All of this information should be found in the group’s files in the county Extension office.

To file an e-postcard, go to http://epostcard.form990.org. There you will find instructions to:
1. Register as a new user. Be sure to register as a “preparer.”
2. Create and submit your e-postcards.
3. You will need to log in using the group’s EIN. Once you have completed one group’s e-postcard, you will print the response you get from the IRS and go on to the next group.

When Is the Filing Deadline for a Michigan 4-H Group?
To ensure compliance of all Michigan 4-H groups, county MSUE offices are asked to take responsibility for filing the IRS 990 e-postcard for all groups each December or January. This should be done as a part of the county’s reenrollment process. At that time, you will report your groups’ annual gross receipts for September through August of the previous year. Groups that meet the IRS requirements for filing Form 990 or 990-EZ must continue to file this report on an annual basis.

System Requirements and Tips for Using the E-Postcard Web Site
The following are just a few words about the system that is required and technical tips to work on the e-postcard site.
1. To enter the e-postcard site, you must use one of the following Window-based browsers:
   • Microsoft Internet Explorer (version 5.5 or newer)
   • Mozilla Firefox (version 1.0 or newer)
   • Netscape version 6.2 or newer
2. Use the “Next” and “Previous” buttons to move through the pages because using the “Back” or “Forward” buttons on your browser may cause you to lose changes you have made.
3. Save your work frequently so you do not lose changes due to technological glitches or inactivity.
Dissolving a 4-H Club or Group

When a 4-H club or group disbands (which it may do for a variety of reasons), there are, naturally, some procedures to be completed. However, as may be seen in the following checklist, the process begins before the group decides to dissolve.

Deciding What to Do

___ Has the club or group’s membership (volunteers, members and parents) held a meeting(s) to explore options for continuing with changes? For example, could the club or group continue:
  • Under different leadership?
  • By dividing into smaller clubs or groups, if it has gotten too large to function effectively?
  • By changing the group’s focus to better meet the current membership’s needs?
___ Has the group’s membership reached agreement that discontinuation is the best alternative?

If the Decision Is Made to Disband

___ Has the group’s administrative leader submitted written documentation of the 4-H club or group’s intent to dissolve to the county Extension office? If so, keep this documentation on file in the county office.
___ Have you sent a letter to the club or group’s current members notifying them of the decision? This letter should include information about options for joining other clubs or groups.
___ Has the disbanding group discussed how it would like its financial and noncash assets used within the county 4-H program? There are detailed instructions in the Michigan 4-H Treasurer’s Record Book (in a section entitled “Disbanded Group Treasury”), found on the web at http://expeng.anr.msu.edu/sites/4h/resources/4H1203Web.pdf.
___ Have you sent confirmation of decisions about disbursement of cash and noncash assets to all club or group members?

Closing Out the Club or Group

___ Have the members and volunteers of the disbanding group been placed with new 4-H clubs and groups, as appropriate?
___ Have a final financial report and all club financial records (i.e., treasurer’s records, club minutes, bank statements, checkbook, etc.) been compiled and submitted to the local MSU Extension office?
___ Has a final inventory list of noncash club assets been compiled and submitted to the local MSU Extension office?
___ Have the club or group’s bank accounts been closed and its financial assets turned in to the local MSU Extension office?
___ Have the group’s noncash assets been delivered to the local MSU Extension office?
___ Have you notified the State 4-H Office so that it can, in turn, report the group’s dissolution to the IRS?
___ Have you filed a final e-postcard for the group? To do so, you will simply complete the e-postcard and check the box that indicates the group dissolved or is inactive.
___ Have you filed documentation of decisions about financial and noncash asset disbursement in the club or group’s file?
___ Have you moved the club or group’s file to the inactive list?
Frequently Asked Questions

EINs
Q. What is an EIN?
A. An EIN is the organizational equivalent of an individual’s social security number.

Q. Which groups need to get an EIN?
A. All 4-H groups that need a charter must first get an EIN.

Q. Why is an EIN necessary?
A. It is the unique, numeric identifier that a group uses to obtain a charter, open a bank account and to file its appropriate IRS paperwork. The State 4-H Office uses the EIN to add or delete groups, and to make changes, to the tax-exempt list it submits to Michigan State University and the IRS. The IRS uses an EIN to verify the tax-exempt status of individual 4-H groups.

Q. Why can’t we apply for our EINs online? How about applying by telephone?
A. Currently, the IRS’ online application system does not allow us to enter a Group Exemption Number (GEN) which identifies the group as belonging to 4-H. In addition, the online application system requires giving out a social security number. We do not recommend you apply by telephone because, in some cases, the IRS representative also insists on receiving a social security number. We have also heard of instances in which the IRS representative refused to accept applications over the telephone, or would only do a limited number of them.

Q. What is the procedure for an existing 4-H group that wants to change its name or contact person?
A. Fax or send changes to the State 4-H Office. The State 4-H Office will forward the request to make these changes to the IRS.

Q. How do I report a group that has dissolved?
A. You may report a dissolved group to the State 4-H Office by using the same method discussed above. The State 4-H Office will follow the same

Charters
Q. What are 4-H charters and why are they important?
A. 4-H charter, provided by the United States Department of Agriculture (USDA) and signed by the Secretary of Agriculture, the national 4-H leader, the State 4-H leader and the county Extension educator representative, is the only document that officially recognizes a 4-H group and authorizes its use of the 4-H Name and Emblem for the conduct of 4-H Youth Development programs.

Q. What happens to the charter if the 4-H group:
- Changes names? The county needs to request a new charter.
- Disbands? The county needs to revoke the charter.
- Does not have a valid charter? It cannot be recognized as a valid 4-H group and it will lose its tax-exempt status.

Q. Can an EIN be placed on a charter so that all of the information is in one place?
A. Yes, when filling in a blank charter, the county staff may enter the EIN after the group’s name on the face of the charter.

IRS Reporting
Q. When is the filing deadline for a Michigan 4-H group?
A. The deadline for 4-H groups to file Form 990-N (the e-postcard) is January 15. At that time, you will need to report your groups’ annual gross receipts for September through August of the previous year. Groups that meet the IRS requirements for filing Form 990 or 990-EZ must continue to file this report on an annual basis. MSU Extension offices will need to file an e-postcard for all authorized groups by January 15, each year.

Q. Why is filing necessary?
A. Organizations that fail to file the notice on time will lose their tax-exempt status.
Q. Will the IRS or the State 4-H Office remind me to file?
A. The State 4-H Office will remind county staff members of the upcoming deadline. County staff members are responsible for completing the e-postcard filing for all groups by January 15 of each year.

Q. How will I know if the e-postcard worked?
A. Usually within 30 minutes of submitting a 990-N e-postcard, the IRS will email the submitter indicating whether the e-postcard was accepted or rejected.

Q. After I hit the “submit filing to IRS” button, is there anything more I need to do?
A. Regardless of whether or not the attempted filing is successful, print and file the message you receive from the IRS. This will serve as documentation of your attempt to file.

4-H Tax-Exempt Status
Q. Does tax-exempt status mean a 4-H group does not have to pay property or sales tax?
A. The tax-exempt status addresses only federal income tax and does not provide exemption from any state or local taxes such as property or sales tax. In Michigan, 4-H groups must pay sales tax on items sold. See the Michigan 4-H Treasurer’s Record Book (4H-1203) for more information on sales tax requirements.

4-H Clubs or Groups That Disband
Q. Are there special procedures to be completed when a 4-H club or group dissolves?
A. Yes, the procedures are described in the section entitled “Dissolving a 4-H Club or Group,” found on page 7 of this publication.
