4-H Spa-Delicious an Entrepreneurial Project

Have fun making homemade spa treatments. Learn how to make botanical body scrubs, facial treatments, bath fizzes, lip balm and more. These are great treats for yourself or for gifts. In addition to learning how to make these products, students will learn about the science, gain skills in formulating their own products, and learn how to calculate the costs. Lesson also includes pricing and marketing your products.

Cost is $10.00 per person.

RSVP by November 24, 2015. Contact Jan Wendland 989 758 2504 for more information.

MSU is an affirmative-action, equal-opportunity employer.
