Exhibits must have been prepared since last year’s fair.
* Exhibits of field crops and grains must be from previous crop only.
* The grains and field crops must be in a one gallon sample, small seeds in a one quart sample.
* A sheaf, current year crop, must be three (3) inches in diameter just below the head, to be measured through the center of the sheaf, not around and must be uniform in length.
* A special crop record card must be used in this division, available at the MSU Montcalm Extension office.

DIVISION 1 – SMALL CROPS

Class # | Item
--- | ---
6600 | Corn – 10 Ears
6601 | Corn – Shelled
6602 | Corn – 3 stalks, current crop, any variety dent corn, with clean root ball visible in clear plastic bag
6603 | Wheat
